Action Requested and Recommendation Approval by the Board of Education of Resolution Number 2021-0008 - New Master Agreements or Contracts and Individual Service Agreements with Non-Public, Nonsectarian School/Agency Services for students of Special Education Program for Fiscal Year 2020-2021 in a cumulative amount not to exceed \$23,000,000.00.

Background

(Why do we need these services? Why have you selected this vendor?)

Federal Law and California Education Code require a Special Education Local Plan Area (SELPA) to provide a full continuum of program options, including Non-Public, Nonsectarian Schools (NPS). When a school district or SELPA does not have an appropriate public education program and or services for a student, a non-public school and/or the services of a Non-Public, Nonsectarian School/Agency shall be made available. The District places students in a NPS for services such as: Day Treatment, Residential Treatment, Extreme Behaviors and Severely Disabled students. The District utilizes non-public agency services to supplement in-house staff services such as speech and language therapy.

This Resolution Number 2021-0008 is necessary to meet the educational needs of students needing specialized care as deemed through their Individual Education Plan.
