REVISED - BOARD PUBLIC SESSION - 8/12/2020

Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Lisa Grant-Dawson, Chief Business Officer
Ryan Nguyen, Controller

Board Meeting Date August 12, 2020

Subject Transfer of Funds from the Unclaimed Property from Respective Fund(s) to General Fund - Fiscal Year 2019-2020

Action Requested Approval by the Board of Education of Resolution No. **2021-0009** for the Transferring of Funds from the Unclaimed Stale Dated Warrants that are past three (3) years from the issuance date, to the General Fund as allowed by California Government Codes Sections 50005-20057 on unclaimed property. For Fiscal Year 2019-20, the unclaimed stale dated warrants, which can be transferred to the General Fund, account for 2,680 items and amount to **\$1,069,434.46** as reflected in **EXHIBIT A**.

Background As recommended by the District's External Auditor, the District must maintain an accurate and up-to-date listing of stale dated warrants readily available for the rightful owner to file a claim. The District's staff checked the California Laws and State Controller's guidance on unclaimed property and developed the Stale Warrants Policy and Procedures (**EXHIBIT B**). Such policy and procedures were approved by the General Counsel Office on May 20th, 2020. The District must follow steps outlined in the District's approved Stale Warrant Policy and Procedures, which include serving the public notice in the local newspaper and obtaining Board's approval prior transferring the unclaimed funds to the General Fund for general purposes.

Discussion Local agencies are required to hold unclaimed stale dated warrants up to three (3) years from the issuance date, post required notices in the local newspaper and on the website, and reissue warrants when valid claims are filed. The District can transfer unclaimed warrants past three (3) years from the issuance date after following the proper steps outlined in the District's defined

Procedures. The District publishes the listing of stale warrants on the website in a searchable format. The listing is updated monthly to remove claimed warrants and add new stale warrants.

The District is required to publish the notice in the local newspaper once a week for two successive weeks and allows the claims to be filed between 45-60 days from the first notice. The District published the notice in the Oakland Tribune on June 19, 2020 and June 26, 2020, and the parties of interest have until August 3, 2020 (45 days from the first notice publication date) to file a claim with the District. The proof of the newspaper notices is attached in **(EXHIBIT C)**.

Recommendation

Approval by the Board of Education of Resolution No. 2021-0009 for the Transferring of Funds from the Unclaimed Stale Dated Warrants that are past three (3) years from the issuance date, to the General Fund as allowed by California Government Codes Sections 50005-20057 on unclaimed property. For Fiscal Year 2019-20, the unclaimed stale dated warrants, which can be transferred to the General Fund, account for 2,680 items and amount to **\$1,069,434.46** as reflected in **EXHIBIT A**.

STALE WARRANTS (UNCASHED CHECKS)

PROCEDURES FOR GENERAL PUBLIC (Website):

A warrant (check) will be stale-dated if not presented for payment within six (6) months of issuance date per Alameda County Treasurer's policy and as stated on the check. Oakland Unified School District will hold the stale warrants up to three (3) years from issuance date and publish the listing of such warrants available on this webpage. The listing is updated every month after receiving the monthly stale warrants from the county office.

In accordance with [California Government Code sections 50050, 50551, and 50056](#), once three (3) years have elapsed since a warrant's issuance date, the District will publish notice of unclaimed stale warrants in the local newspaper once per week for two successive weeks. If a claim is not made within 60 days after first notice is posted, the funds will become the property of the District.

Click on the link below to search the District's listing of stale-dated warrants. If you believe that one of the listed warrants belongs to you, you must file a claim by completing the District's claim form from the link below. You may file a claim at any time until the date on which the money becomes the property of the District. If the District's review of the Claim Form indicates that you are entitled to the warrant, and the warrant was not previously reissued, the District will reissue it to you.

Search for your unclaimed check(s) and file a claim:

INTERNAL PROCEDURES:

According to CDE, "A school district is a local agency within the meaning of Government Code, Section 50050, which defines "local agency" includes all districts. The procedures below are tailored to Oakland Unified School District with inserted excerpts from [California Government Code sections 50050, 50551, and 50056](#). Local agencies are required to hold unclaimed stale warrants, post required notices, and reissue warrants when valid claims are filed.

1. We must maintain an accurate list of stale warrants to be made available on our website for claims to be filed. The list will be updated on a monthly basis after we receive the list of stale warrants from the County and the list is reconciled.
2. We will hold warrants less than \$15 up to one (1) year from the issuance date. No notice in the local newspaper is required ([Id., 50055](#)). Such warrants will be published on the website updated monthly.
3. We will hold the warrants \$15 or greater up to three (3) years from the issuance date. Such warrants will be made available on the District's website.
4. Annually in January, we will publish a notice in a local newspaper once per week for two successive weeks ([Gov't Code 50050](#)).
 - 4.1. The notice shall state the amount of money, the fund in which it is held, and that it is proposed that the money will become the property of the local agency if claim is not filed within 60 days after the first publication of the notice ([Gov't Code 50051](#)).
 - 4.2. The notice should also describe the process that a claimant must follow in order to claim the check. Specifically, the claimant must file a claim that includes the claimant's name, address, amount of claim, grounds on which claim is founded, and any other information that we require ([Gov't Code 50052](#)).
5. Upon or prior to publication, a party of interest may file a claim with the District which must include the claimant's name, address, amount of claim, the grounds on which the claim is founded, and any other information that may be required by the District as indicated on the Claim Form ([Gov't Code 50052](#)).
 - 5.1. The claim shall be filed before the date the unclaimed money becomes the property of the District as provided under Gov't Code Section 50051.
 - 5.2. Upon receipt of a claim, we must decide whether to accept or reject the claim. A copy of the notice of acceptance or rejection is available [here](#). If we reject the claim, the party who submitted the claim may file an appeal, but must do so within 30 days of receiving notice that the claim was rejected.
 - 5.3. The copy of the complaint and summons shall be served within 30 days of receiving notice that the claim was rejected. The District shall withhold the release of the portion of unclaimed money for which a court action has been filed as provided in this section until a decision is rendered by the court.
 - 5.4. Any claim paid hereunder shall be paid without interest ([Gov't Code 50052.5](#)).
 - 5.5. If we do not receive a claim for a particular stale warrant after the notice is served, or if we reject a claim and that rejection is not overturned in court, then "the legislative body may transfer the money to the General Fund" ([Gov't Code 50053](#)). In other words, Board action is required to transfer the funds to the General Fund.
6. After we satisfy all the steps specified above, we prepare the packet for the Board's approval to transfer all stale warrants past 3 years old, regardless of the amount or funding sources other than general fund, held in a special fund to the general fund. Such transfer of funds must take place after the Board approves.

STALE WARRANT PROCESSING

1. County posts the stale dated warrants in Escape and sends the detail report to the District,
2. District Financial Accountant I reconciles the master stale log to the ledger balance.
 - 2.1. Accountant works with departments to verify the stale dated warrants are valid.
3. Stale warrants that are resulted from duplicate payments or non-reissue will be reclassified to the original funding source.
