**After School Template for High School
Memorandum of Understanding 2020-2021
Between Oakland Unified School District and
Oakland Kids First**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Oakland Kids First ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 301/Castlemont High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2020 through June 30, 2021. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of The 21st Century ASSETS Core Grant, and Direct Access grant award amount for** Oakland Kids First **is \$** 197,238.00 **. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:**

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A** - Attendance Reporting Schedule 2020-2021"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed \$ 197,238.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.
5. **Scope of Work.** AGENCY will serve as lead agency at 301/Castlemont High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2020-2021. SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Projected daily attendance for 2020-21 school year program.

140

Program Operations for the 2020-2021 school year. First Day: August 10, 2020 Last Day: May 27, 2021

UPDATED ED CODE: Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

Projected Number of Minimum Days for School Year 2020-2021: 43

**Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.*

Is your school-day bell schedule attached?

[Castlemont Bell Schedule](#)

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?

The only additional minimum days at Castlemont High School are generally during dead week, the week before final exams, and finals week when teachers support with office hours for additional tutoring.

We will be holding recruitment sessions at the Castlemont feeder schools, including Elmhurst, Frick, Parker, Melrose etc during spring semester as students consider their high school options and to support a smooth transition to

Castlemont. In addition to the recruitment sessions will be reaching out to all incoming 9th grade families to invite them to a Knight Initiation, an orientation event, as well as ongoing family engagement events. We will also be holding on campus visits for different middle schools throughout the year.

SECTION 3b: PROGRAM MODEL. (Continued)12

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***McKinney-Vento Homeless Assistance Act** (42 U.S.C. Sec. 1143a), who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)**
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year? (*please estimate: 0-5 students, 6-10, or 10+ more*)
0-5
- How will you make your program more accessible to serve the needs of Golden Ticket students/families?
Site Coordinator plays an active role on the Coordination of Services Team, where administration and school site partners discuss needs of students and connect them to resources. Site Coordinator will work with school administration to support “Golden Ticket” students and families. Program will 2-5 reserve spaces for all “golden tickets” students.
- CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?
For all “Golden Ticket” students, there will be a flexible attendance policy that will be flexible to support the transitions for these students. These students will also have priority enrollment and no program fees.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

Educational and Literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)

Describe how the after-school program will provide the educational & literacy component.

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a [safe & supporting environment through encouragement and active engaged learning](#).)*

After school programming will include academic tutoring and credit recovery that is led by both teachers and tutors. We have been working with teachers and Castlemont's administration to compel students in danger of failing a marking period to attend required after school tutoring, and by requiring students who failed a previous semester of Math, Science, English, or Government classes to attend mandatory credit recovery after school.

In the after school program, we will ensure that academic growth is acknowledged by holding celebrations for honor roll, reclassification for students who are English Language Learners, SRI score improvement, etc. We will encourage educational enrichment program staff, such as the REAL HARD after school leadership program, to also encourage, acknowledge and support students who improve their GPA or in-school attendance during the year.

Additionally, both Program Manager and Program Assistant will be assigned to a group 9th and 10th graders in danger of failing to conduct mentoring and provide 1:1s. Holding space for students, connecting them to additional resources, encouraging goal setting, and following up with students are hallmarks of Oakland Kids First's approach to student development. To ensure college and career readiness, we will be working with the Future Center to provide students with college application, FAFSA, college visits, and scholarship support.

In the 2020-21 academic year, we are planning on holding a 9th Grade Knight Commencement, which is a bridge program that includes all 9th graders. Students will

	<p>have the opportunity to get to know the campus, build relationships with peers and adults, and teachers will have the opportunity to get to know their students, begin to build 9th grade culture, and incorporate the practices of the Knight Way into the student experience on campus.</p> <p>Additionally, all ninth graders will receive Peers Advising Students to Succeed (2hrs per semester) workshops where students will learn about their A-G requirements, college requirements, campus resources, and high school graduation.</p>
<p>Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)</p>	<p>Describe how the after-school program will offer educational enrichment activities. (Include specific strategies designed to foster skill-building: youth voice and leadership and diversity, access and equity.)</p> <p>We have range of programming that highlights the importance of youth voice and leadership, and fosters positive youth development:</p> <ul style="list-style-type: none">- REAL HARD is an after school youth leadership program that focuses on leadership skill development, political education, and participant action research so student leaders can engage their peers in campaigns to improve school culture and climate and increase equity for students furthest from opportunity.- The Castlemont Knight Armory is a student store run by REAL HARD youth leaders that provides a space for students who have been acknowledged for upholding Castlemont's Knight Way to redeem Knight Bucks for prizes/school supplies/snacks. This cultural currency system and store are designed to recognize and reward students who are making Castlemont a safer, more supportive, and engaged school community.- We will hold pathway focused programming such as Castle Works, the Green EatZ Culinary Program, the Castlemont FabLab fabricating program, and two agriculture programs - the Castlemont Garden and Orchard.- Teens on Target: A violence prevention program that trains Castlemont students to lead workshops with Oakland middle school students.- Barber/Beauty Shop: Students will learn the basics of barbering, styling, and cosmetology as well as social entrepreneurship and business.- Community Art: Students are taught skills in fine art, and promote health and community engagement via large-scale mural projects. Students will create two community murals throughout Oakland.
<p>Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)</p>	<p>Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)</p> <p><i>CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not 'free play' or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).</i></p> <ul style="list-style-type: none">· <i>Plan and evaluate (review fitness test results, track minutes, etc.)</i>

	<p>· <i>Include a variety of activities throughout the year</i></p> <ul style="list-style-type: none">- Weight Room: Students are supported by a physical fitness program that encourages improved health via exercise, diet, and rest. Students will use a fitness tracker to track their progress on their personal health goals.- Soccer Without Borders uses soccer as a vehicle for positive change, providing newcomer and other under-served youth with a toolkit to overcome obstacles and experience growth, inclusion and personal success. They will be playing in tournaments with other schools that offer Soccer Without Border.- Intramural Sports: Offers students the space and support to meet their physical, social and recreational needs while promoting teamwork. The intramural program includes league, tournament, individual and dual sport competition. <p>Do you have staff that is certified through Coaching Corps who will be returning for the 20-21 school year?</p> <p>No, however we are planning on having a staff trained in 2020-21</p> <p>Do you have a coach trained through OUSD Oakland Athletic League or other organizations?</p> <p>Yes.</p> <p>If the program does not have either of the above, how does your site or agency plan to train those staff members supporting physical activity expectations?</p>
<p>Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.</p>	<p>Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?</p> <p>Oakland Kids First (OKF) will work in collaboration with the school to hold Parent Teachers Student Association meetings where parents and families can learn about different ways they can support their students academic achievement, and share resources the school provides. OFK will work with the administration to hold grade level parent and family nights to ensure that families know about important dates and information that can support their student's academic growth. OFK will also be working with the Castlemont administration to establish adult educational programming to support the language development of the parents and families of students. Additionally, the Fabrication Lab on campus will hold an adult education course that is available for adult family members to enroll into. This year we are planning on hiring two parent liaison, one of which will be bilingual in Spanish to ensure that we are able to engage our bilingual and international families. They will start with engaging families during summer and registration.</p>

1. **Please complete and attach the program schedule for in 2020-2021 that reflects the program components identified above.**
2. **Fill out the [attached template](#) to describe program components then link them into this document.** Program component description link: linked to the [spreadsheet](#) create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

In the fall, sites are required to resubmit updated program schedules. **This schedule should be clearly aligned with the supports identified in section 4.*

Academic Alignment with School Day and [District Priorities](#)

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 20-21 School Year)

Through the Knight Time After School Program, Oakland Kids First will ensure we meet the OUSD Student Learning Goals the following ways:

- 1) All ninth graders will receive Peers Advising Students to Succeed (2hrs per semester) workshops where students will learn about their A-G requirements, college requirements, campus resources, and high school graduation.
- 2) All ninth graders will attend the Knight Commencement, a 9th grade bridge program after school during the first 2 weeks of the school year. The goals of the program are to: 1) introduce students to the Castlemont High School; 2) ensure students have familiarity with the high school campus and resources; 3) build a sense of community within the 9th grade house; 4) enhance students' confidence, self-esteem and motivation; and 5) ease the transition from middle school to high school for youth and their families.
- 3) We will hold study hall and tutoring for all students after school. In collaboration with teachers and administrations, students who are identified as at risk will be recommended to attend study hall at least twice a week. Teachers will be offered an extended contract to work with academic tutors to support students to gain skills and improve academically.
- 4) In collaboration with the Work Based Learning Specialist, the Future Center and Pathway Director, we will work to increase the college and career experiences offered during after school program for 10-12th graders to include more internships, college trips or presentations, and job shadowing.

- 5) In the Spring semester we offer two-three teachers an extended contract to hold credit recovery classes after school for Math and English to support students that are in danger of not graduating.
- 6) After school program staff will be assigned a group 9th and 10th graders in danger of failing to conduct mentoring and 1:1s.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

TRUTH
What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.

Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.

As part of Castlemont's cycle of continuous program quality improvement, Oakland Kids First is focusing on two truths to improve retention for students and staff, and to improve the depth and quality of programming experiences students have access to.

Truth 1: The Knight Time after school program has had challenges recruiting and retaining core program staff. We still need to hire staff for the PASS-2 Peer Academic

	<p>Mentoring Program and hire new staff to replace three who left mid-year from the Culinary Art, Anime Club and the Weight Room program. Challenges with staff retention have impacted student engagement and retention in programs since those programs have lacked consistent implementation.</p> <p>Truth 2: Last year, OKF focused on meeting our daily attendance and participation numbers. For the first time in many years on the Castlemont campus, we were able to successfully enroll and engage the required number of participants per our grant outcomes. This year, we will focus on improving the quality, depth, and rigor of the programming that youth are now actively attending.</p>
<p>HOPE <i>What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?</i></p>	<p>Dream 1: Each program will have a highly qualified, trained, supportive, caring youth development staff person to facilitate after school enrichment, academic support, leadership, and physical fitness requirements.</p> <p>Dream 2: Each program will offer developmentally and culturally appropriate curriculum and activities that teach skills, support positive youth development, and foster healthy relationships between students, staff, and the group.</p>
<p>CHANGE <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i></p>	<p>Change 1: The Castlemont Program Manager will redesign the hiring timeline to have all position descriptions created by mid-spring and posted publicly by late May in order to interview in June, select staff by July, and train/orient the full program team in August.</p> <p>The position descriptions, trainings, and initial orientation will clarify expectations for continued commitment to the program through the duration of the entire school year. The team will also start with more team building to foster connections across the staff that will provide more supportive relationships and increase buy-in to the overall program and team goals.</p> <p>Change 2: Professional development for the entire after school program team will occur in August to clarify expectations for program curriculum, rigor, and best practices for positive youth development. The trainings will include an overview for all staff of the CDE Quality Standards as a compass to guide best practices and to orient them to the tool that will be used to assess their program quality.</p> <p>During the year, the Program Manager will conduct observations of all programs and provide coaching as well as direct feedback to each staff person to support their ongoing growth, professional development, and ability to provide high quality programs for youth.</p>
<p>CURIOSITY <i>What deeper questions or inquiries are coming</i></p>	<p>Curiosity 1: Who are the ideal candidates to serve Castlemont youth and families? What traits do we think would help an after school staff person be successful throughout an entire program year? How do we identify them and reach them with position postings?</p>

*up? Something that
needs more time to
think about to make
long-term shifts.*

Curiosity 2: How do we define quality across very different kinds of programs? The weight room curriculum will look and feel distinct from an after school art program or from the after school CastleWorks garden group. How do we prepare staff with the tools, templates or trainings to be successful in meeting more rigorous expectations?

Curiosity 3: As Castlemont's after school programs improve quality and deepen the engagement of youth and families on campus over time, can our programs help to shift the culture of the entire Castlemont community to be more inclusive, safe, respectful, equitable, and academically-focused in order to improve academic outcomes for all Castlemont students?

SECTION 6: Facilities

- (a) Plan with the school site administrator which rooms and outside spaces the after-school program will use Monday - Friday from the start of the program to 6. **Make sure to include bathrooms and snack area.**
- (b) **Lead Agency Director, will go into Facilitron website to complete facilities usage requests no later than May 15, 2020.** Visit Facilitron website at: www.facilitron.com/dashboard/login

SECTION 7a: PROGRAM FEES

Will this after-school program charge program fees for 2020-2021 ☐ Yes ☒ No

OUSD Expanded Learning Department After-School Programs

If, "YES, program fees will be charged," please complete the following assurances. Both the Principal and Lead Agency boxes must be initialed.

Principal	Lead Agency	ASSURANCES
		Our program will not turn away any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation
		Our program will communicate in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay. Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.
		Our program will publicize the program fee structure in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).
		Our program shall not charge a fee to a family for a child if the program once notified that the child is a homeless youth , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in foster care.
		Our program will provide receipts to parents/guardians for each payment made.
		The lead agency will manage funds raised by program fees according to standard accounting practices and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. This will be turned in quarterly.
		The Use of Fees: Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to "keep accurate records of fees collected, and fees should be tracked separately from the grant funds received." Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

SECTION 7b: PROGRAM FEES (Continued)

Describe how the school/program plans to collect program fees and who will be exempt from paying fees or received a reduced fee?

Describe how all fees collected will be used for after-school programming.

Describe how fees will be communicated to school leaders/school community.

☐ **Attach a copy of written evidence of the program fee materials/process (i.e. parent letters, parent handbook, etc. meeting with agenda/minutes?)**

Continuous Quality Improvement (CQI)

In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

Continuous Quality Improvement

In accordance with California *Education Code* sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California.

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change**; and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

- ☐ Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.
- ☐ Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.
- ☐ Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. Frequently Ask Questions (FAQ).
- ☐ Lead agency and Site Coordinator will familiarize and engage the Quality Standards for Expanded Learning in California.
- ☐ Lead agency director will provide support and ensure completion of Section 5 of the Continuous Quality Improvement in the program planning tool:
 - Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

STATEMENT OF QUALIFICATIONS

INSERT HERE

Mission Statement:

Oakland Kids First amplifies youth voice, leadership, and power to create engaging and equitable public schools where all students learn and achieve.

Service Description:

Oakland Kids First (OKF) works to ensure that OUSD high schools are places where youth and adults work in partnership to improve student learning, leadership, achievement, and equity. Based on the challenges, needs, and opportunities in Oakland high schools, OKF has worked with youth organizers to come up with innovative solutions to improve school culture and academic resilience.

1. Peers Advising Students 2 Succeed (PASS-2) trains upper classmen to provide 9th graders with peer academic counseling and mentoring through classroom workshops and one-on-one mentoring. As a result of PASS-2, student leaders are developed into skilled facilitators and mentors, and the students they teach learn their A-G requirements, how to read their transcripts, what resources exist on campus, how to make up classes, and how to navigate difficult situations. Much like Kaiser has you screened by an Advice Nurse before seeing a Doctor or specialist, PASS2 mentors ensure every 9th grader receives a baseline of important school navigation information before students seek out counselors for more advanced queries. This ensures that overburdened counselors have some support, 9th graders can learn personal lessons from their peers, and students who won't seek out support get it anyway.

PASS-2 is at Castlemont and Fremont High School this year but has also served Skyline, McClymonds, Oakland High, Street Academy, and Oakland Tech in the past.

2. Representing Educated Active Leaders Having A Righteous Dream (REAL HARD) is an after school youth organizing program that engages 9th–12th grade leaders in positive school culture formation to increase belonging, equity and graduation rates. REAL HARD has ensured students feel a greater sense of safety and belonging on campus, while also inserting themselves into adult decision-making spaces to advocate for student needs. All four of REAL HARD's sites have adopted student created Codes of Respect and REAL HARD students have developed various strategies to uphold and institutionalize these codes via school currency and stores to incentivize the lifting up of positive school culture. This student work has been institutionalized at several sites and continues to grow.

REAL HARD is at Oakland Tech, Fremont, Castlemont, and Oakland High School

3. Oakland Kids First serves as the Lead Agency for Castlemont High School's Knight Success and Knight Time Programs that serve over 400 youth after school annually and engage 120 students per day. Programs offer comprehensive college, career, and community readiness programming, academic support, credit recovery, health and fitness, after school enrichment, positive youth development, family engagement and literacy activities, as well as support for International and Newcomer students. We work with the school community and outside partners to ensure students are engaged in an extended day culture that meets their various academic and enrichment needs.

4. Youth Organizing Council: Youth Organizing Council (YOC) was established by OKF in 2018. YOC convenes 15 student leaders with previous program experience from each of our program sites during the summer and each week during the school year. YOC offers intensive leadership development and youth organizing support to champion justice and educational equity for low-income, marginalized students in Oakland.
