Summer Highlights

OAKLAND UNIFIED
SCHOOL DISTRICT
Community Schools, Thriving Students

Virtual Summer Internships:

- 534 students participated in paid internships
- 32 pathway teachers and staff supervised and supported
- 28 participated in ongoing Student Intervention Support groups
- ~100 kits assembled and delivered to student interns

400 laptops gifted to Class of 2020 Seniors

Back to School Highlights

RUSDALE: “All teachers are engaging students, held virtual space, and are building community! One teacher said, “Students have been positive, engaged and honest, and frankly, have made me feel welcome in their virtual space, hopefully as much I have made them feel comfortable in mine.”

FREMONT: “Fremont’s enrollment continues to grow! 9th grade enrollment continues to grow, as does retention of returning students. We have ~ 70 more students than we did at this time last year!”

SKYLINE: “Enrollment is up and we have more 9th and 10th grade students enrolled in dual enrollment courses than ever before.”

CASTLEMONT: “All 9th grade parents at Castlemont have had a one-on-one parent meeting with their student’s advisor.”

TECH: “Oakland Tech has moved from a 6-period day to offering 7-periods this year and have also added an Advisory period for every student. Teachers have leveraged the Advisory space to build relationships with and between students, to troubleshoot any technical issues that may have prevented students from being unable to access their other classes, and to increase overall engagement. The team has received positive feedback about the new Advisory structure and looks forward to more positive outcomes!
