PROJECT DESCRIPTION

A new modern classroom building has been completed at Glenview Elementary. The new building replaces the old classroom building and relocatables. The new classroom building features:

22 Classrooms, Library, Multi-Purpose Room with stage, Kitchen, Administrative offices, and new accessible ADA ramps to provide accessibility from the street level to the school entrance.

- Turf for the lower yard work still ongoing
- Finalizing training for staff for lighting controls, kitchen equipment and other equipment.
- Punchlist work ongoing

Quick Facts

\$58.8 M Budget, funded by Measure J Bond, Measure B Bond, and Fund 25

Retention of iconic art deco portico and cascading stairs at the corner of Hampel and La Cresta

The new building meets seismic requirements mandated by the State to protect the safety of students and staff

High performance building features good lighting, clean air, and comfortable classrooms to create healthy learning environments for students

Hardwood flooring from the old Multipurpose room has been repurposed in the lobbies of the new building
