### COVID Amendment

This Amendment modifies the attached Agreement, incorporated herein by reference, between the Oakland Unified School District ("OUSD") and Rising Harte Wellness Center at Fred Finch Youth Center ("CONTRACTOR", together with OUSD, "PARTIES").

- A. **Recitals.** Both OUSD and CONTRACTOR agree to the following recitals:
- On Friday, March 13, 2020 at 6:00pm, OUSD ceased in-person instruction at all OUSD school sites. Subsequently, OUSD cancelled in-person instruction for the remainder of the school year.
  - The Alameda County Public Health Officer issued a number of shelter-in-place orders that prohibited non-essential work and travel. These effectively prohibited, among other things, non-essential work and travel as well as in-person instruction at all OUSD school sites.
  - The Governor issued a series of Executive Orders that directed "all individuals living in the State of California to stay home or at their place of residence." As with the orders by the Alameda County Public Health Officer, these Executive Orders also prohibited non-essential work and travel as well as in-person instruction at all OUSD school sites.
- B. **Term.** Unless the term of the Agreement ends on or after August 15, 2020, the Agreement is hereby modified to authorize OUSD, at its sole discretion, to extend the term to any date up to and including August 15, 2020; provided that OUSD may only extend the term if CONTRACTOR is unable to perform under the Agreement, as modified herein, for all or part of the time that in-person instruction is prohibited. OUSD may only extend the term for the length of time that CONTRACTOR was unable to perform due to the effective prohibition against in-person instruction.
- C. **Scope of Work.** The scope of work described in the Agreement is hereby modified to enable CONTRACTOR to provide the services described in the Agreement by any means that are consistent with COVID-19-related local, state, and federal orders (including, but limited to, those referenced above in the Recitals), provided that OUSD agrees, in writing, that doing so will provide a meaningful benefit to OUSD. Only a site administrator or central office OUSD employee may give such written permission.
- D. **Invoicing.** The Agreement is modified such that, for services performed on or after March 14, 2020 and that are permitted by Paragraph C above, CONTRACTOR must first receive written permission from OUSD to invoice OUSD for such services. Only a central office OUSD employee may give such written permission; an OUSD employee assigned to a school site may not give such written permission. Any invoice submitted pursuant to this paragraph must, at a minimum, include the following for each date (on or after March 14, 2020) on which an invoiced service was performed: the date and the length of time; a description of the service performed; a description of the individual(s) who performed the service; the medium by which the service was performed (e.g., virtually); and whom at OUSD received and benefited from the service. At its discretion, OUSD may require additional information included in an invoice.

E. **Electronic Signatures.** This Amendment and all future amendments and supplements to the Agreement may be executed in one or more counterparts, all of which shall constitute one and the same amendment. Any counterpart may be executed and delivered by facsimile or other electronic signature (including portable document format) by either of the parties and, notwithstanding any statute or regulations to the contrary (including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom), the counterpart shall legally bind the signing party and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received. This section constitutes a waiver by each party of the requirements and constraints on electronic signatures found in statute and regulations including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom.

## **Statement of Qualifications – Fred Finch Youth Center Doing Business As Fred Finch Youth and Family Services**

### **Overview**

Fred Finch Youth and Family Services was founded in 1891 on principle that no one – regardless of their background, financial status or personal challenges – should be neglected or forgotten. Initially an orphanage, Fred Finch Youth and Family Services evolved to meet the changing needs of the community by shifting its focus to serving foster youth, who were experiencing higher rates of poverty, joblessness, substance use, addiction, developmental disabilities and emotional impairments than the general population. Since the 1970s, Fred Finch Youth and Family Services has specialized in serving youth who require unique services not available at other agencies. Fred Finch Youth and Family Services seeks to provide innovative, effective services supporting children, youth, young adults and families to heal from trauma and lead healthier productive lives. We work with young people to overcome multiple and simultaneous challenges, including homelessness, economic disadvantage, mental health and cognitive disabilities and histories of significant trauma and loss.

### **Services**

Rising Harte Wellness Center is a collaborative project of Fred Finch Youth and Family Services (FFYC) and Native American Health Center (NAHC). Rising Harte is a School-Linked Health Center that serves both school age students and Transition Age Youth (TAY) from ages 16-25. Although we are serving two different age groups, our main goal is to provide free and confidential services to students, families and the community. The idea is to help reduce unequal access and care, and to improve the overall health (academically, emotionally and mentally) for youth that are underserved at Bret Harte Middle School (BHMS) and within the surrounding community. We want to make sure staying healthy and having access to health care services is not a barrier to our students' academic success, and our TAY's overall well-being. Our services include the following:

- Diagnosis and treatment of minor and acute illnesses and first aid for minor injuries;
- Assistance with chronic (on-going) illnesses;
- Physical examinations (general, sports, pre-employment);
- Laboratory service, dental, vision & hearing screenings;
- Immunizations;
- Prescription and over-the-counter medications;
- Diagnosis, treatment, & prevention of sexually transmitted infections;
- Pregnancy testing, prescription(s) for contraception, and referral for prenatal care;
