Dear Ms. Lozano and Mr. Hong,

Yu Ming Charter School received measure G1 funds in the form of a staff compensation bonus for the 2019-2020 school year. Please see the attached spreadsheet which details our allocation. Below is an overview of our expenditures.

1. The amount collected and expended in 2019-2020;

\$70,634.44

2. The description of all programs funded, and a determination that the monies expended were for the allowable uses stated in this Measure;

Monies were expended in the form of a Staff Compensation Bonus.

3. The determination that the revenues leftover after the raise provided to school-site educators generated by this Measure are being used to supplement, and not supplant, unrestricted general fund revenue so appropriated to schools to serve pupils in grades 6 through 8 based on fiscal year 2019-20 funding.

Yu Ming did not have leftover revenues after the provided raise.

Please feel free to reach out with any questions, or if additional information is needed.

Sincerely,

Emily Wood
