Adult Education

The Governing Board recognizes that education is a lifelong process and that it is important for individuals to continuously develop new skills.

The Superintendent or designee shall develop and oversee the ~~district's~~District's adult education program. The Board shall approve all courses to be offered in this program.

To ensure efficient and coordinated adult education services, the District shall collaborate with other local educational agencies and the community college district in the region's adult education consortium. The District shall participate in the consortium's identification of the educational needs of adults in the region, identification of available funding and services, development and approval of an adult education plan pursuant to Education Code section 84906, and implementation of strategies to address the identified needs. The District shall also work to improve the effectiveness of District services and improve students' transitions into postsecondary education and the workforce.

The District's representative to the region's adult education consortium shall be designated by the Board. (Education Code section 84905)

The Superintendent or designee shall ensure that all teachers of adult education classes possess an appropriate credential issued by the Commission on Teacher Credentialing and have access to high-quality professional development to continuously enhance their knowledge and skills.

Adult education classes may be offered any day or evening, including weekends, for such length of time during the school year as determined by the Board. (Education Code 52505, 52513)

Adult education students who fulfill the District's graduation requirements shall receive a diploma of high school graduation.

The Superintendent or designee shall regularly report to the Board on the effectiveness of the District's adult education program. This report shall include, but not be limited to, the number of adults and high school students participating in the program, student participation in each type of adult education course or class, and the extent to which students successfully completed these programs, including, as applicable, the completion of requirements for the high school diploma or certificate of equivalency.
