Board Cover Memorandum

To Board of Education

LaResha Martin, Network 4 Superintendent

Meeting Date February 24, 2021

Subject Amendment No. 1 - Memorandum of Understanding
Contractor: The Junior Center of Art and Science
Services For: Franklin Elementary School

Ask of the Board Approval by the Board of Education of Amendment No. 1 to the Memorandum of Understanding (MOU) between the Junior Center of Art and Science (JCAS), Oakland, CA for the latter to allow the program in all 5th grade classrooms to continue and offer a robust program for FY21. This will also ensure that each student is able to have a more in depth experience with the technology at Franklin Elementary School, increasing the not to exceed amount from \$12,500.00 to \$25,000.00, for the period of November 13, 2020 through June 30, 2021. All other terms and conditions of the MOU remain in full force and effect.

Background Junior Center of Art and Science is partnering with Franklin Elementary School and their 5th grade classrooms to offer a weekly maker/technology program through the entirety of 20/21. We are currently in our 2nd year of the program through the AIG grant. At the beginning of the year, we started sessions on zoom, but due to reductions in budget we were forced to limit our sessions to 18 rather than the original 28 that we had planned. Because our full funding has been restored, we can now continue the program through May in all of the 5th grade classrooms. With the full \$25,000.00, JCAS will be able to offer a more robust program for FY21 and ensure that each student is able to have a more in depth experience with the technology.

Discussion The Junior Center of Art and Science will allow the program in all 5th grade classrooms to continue and offer a robust program for FY21. This will also ensure that each student is able to have a more in depth experience with the technology at Franklin Elementary School.

Fiscal Impact Funding resource(s): 9334/Measure G in the amount of \$12,500.00.

INTENT

It is the purpose of this MOU to specify the agreement between Oakland Unified School District ("District") and the Junior Center of Art and Science to provide arts instruction at Franklin Elementary over the course of FY21 at \$12,500. The term of this agreement shall be from the date fully executed, through June 30, 2021.

The Junior Center of Art & Science will provide a one year creative youth development based, arts-integrated residency where arts learning is infused throughout classroom learning. The residency builds upon existing arts learning and creates an opportunity for direct services to all 5th grade students. This program provides a comprehensive approach for whole school arts learning including arts professional development for the school's teaching team and family inclusion and education components through family showcase events at the school.

Compensation for any Services performed prior to the Start Date or after the End Date shall be at the District's sole discretion and in an amount solely determined by the District. The Junior Center agrees that it shall not expect or demand payment for the performance of such services. The Junior Center acknowledges and agrees not to expect or demand payment for any Services performed prior to the PARTIES, particularly the District, validly and properly executing this Agreement until this Agreement is validly and properly executed and shall not rely on verbal or written communication from any individual, other than the President of the District Governing Board, the District Superintendent, or the District General Counsel, stating that the District has validly and properly executed this Agreement.

\$12,500 will be invoiced by The Junior Center in total and is to be paid in 2 installments of \$6250. The District agrees to complete the payment within 30 days of receipt of invoices, which shall be on or around the following days: 10/30/2020 and 3/1/2021.

Invoices furnished by the Junior Center under this Agreement must be in a form acceptable to the District.

a. All amounts paid by District shall be subject to audit by District. Invoices shall include, without limitation: Junior Center name, Junior Center address, invoice date, invoice number, purchase order number, name of school or department to which Services were provided, name(s) of the person(s) performing Services, date(s) Services were rendered, brief description of Services provided on each date, the total invoice amount, and the basis for the total invoice amount (e.g., if hour rate, the number of hours on each date and the rate for those hours).

- b. If District, at its sole discretion, determines an invoice fails to include the required elements, District will not pay the invoice and will inform Junior Center of the missing items; Junior Center shall resubmit an invoice that includes the required elements before District will pay the invoice.
- c. District reserves the right to add or change invoicing requirements. If the District does add or change invoicing requirements, it shall notify Junior Center in writing and the new or modified requirements shall be mandatory under receipt by Junior Center of such notice.
- d. To the extent that Junior Center has described how the Services may be provided both in-person and not in-person, Junior Center's invoices shall—in addition to any invoice requirement added or changed under subparagraph (c)—indicate whether the Services are provided in-person or not.
- e. All invoices furnished by Junior Center under this Agreement shall be delivered to District via email unless District requests, in writing, a different method of delivery.

The coverage shall be primary as to District and shall name District as an additional insured with the additional insured endorsement provided to District within 15 days of effective date of this Agreement (and within 15 days of each new policy year thereafter during the term of this Agreement). Evidence of insurance shall be attached to this Agreement or otherwise provided to the District upon request. Endorsement of District as an additional insured shall not affect District's rights to any claim, demand, suit or judgment made, brought or recovered against Junior Center. The policy shall protect Junior Center and District in the same manner as though each were

separately issued. Nothing in said policy shall operate to increase the Insurer's liability as set forth in the policy beyond the amount or amounts shown or to which the Insurer would have been liable if only one interest were named as an insured.
