

Measure N

Probationary Schools Reserved Allocations

*Probationary status is granted for 2 academic years. The school is eligible for a recommendation to be removed from probationary status during their second year of probationary status, pending the outcome of their Assessment.

DRAFT

*A school that is given an initial recommendation for Probationary Status will receive the full Measure N allocation of \$850 per pupil during their first year of probationary status.

*A school site that has received a reduced allocation as part of their probationary status recommendation can access the funding that was not allocated after two years of being designated for full funding.
