Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Chief Academic Officer

Meeting Date March 24, 2021

Subject Amendment No. 1, Memorandum of Understanding 2020-2021 – YMCA of the East Bay – After School Program – Reach Academy

Ask of the Board Approval by the Board of Education of Amendment No. 1 to Memorandum of Understanding 2020-2021 between the District and YMCA of the East Bay, Oakland, CA, for the latter to hire subcontractors to provide performing arts and STEM enrichment as well as opening an in-person learning pod at Reach Academy, in an additional amount of \$3,906.00, increasing the contract not to exceed amount from \$98,725.00 to \$102,631.00, for the period August 1, 2020 through July 31, 2021.

Background Due to the COVID-19 pandemic, Alameda County schools have been closed and residents have been asked to shelter in place. This reality has impacted the need for, as well as the types of services needed from, after school providers funded through State and Federal After School Grants.

On June 29, 2020, Governor Newsom approved Senate Bill 98, which provides the California Department of Education with the authority to waive of the California Education Code relating to program hours of operation, grant reductions due to attendance, and pupil-to-staff ratio requirement for before and after school programs for the 2020-2021 school year.

On June 24, 2020, the Board of Education approved the original Memorandum of Understanding via Enactment No. 20-1109.

Discussion Approval by the Board of Education of Amendment No. 1 to Memorandum of Understanding 2020-2021 between the District and YMCA of the East Bay, Oakland, CA, for the latter to hire subcontractors to provide performing arts and STEM enrichment as well as opening an in-person learning pod at Reach Academy, in an additional amount of \$3,906.00, increasing the contract not to exceed amount from \$98,725.00 to \$102,631.00, for the period August 1, 2020

through July 31, 2021 will help increase student engagement and improve student outcomes while school campuses are largely closed or operating at limited capacity.

Fiscal Impact After School Education and Safety (ASES) Grant (Resource 6010) in the amount of \$102,631.00

Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Andrea Bustamante, Executive Director, Community Schools & Student Services
Martha Pena, Coordinator, After School Programs

Board Meeting Date June 24, 2020

Subject Memorandum of Understanding
Contractor: YMCA of the East Bay
Services For: Reach Academy

Action Requested and Recommendation

Approval by the Board of Education of Memorandum of Understanding between the District and YMCA of the East Bay, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Reach Academy's comprehensive After School Program, for the period of August 1, 2020 through July 31, 2021, in an amount not to exceed \$98,725.00.

Background

(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Memorandum of Understanding 2020-2021
Between Oakland Unified School District and
YMCA of the East Bay

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with YMCA of the East Bay ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 193/Reach Academy under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be August 1, 2020 through July 31, 2021. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of** California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for YMCA of the East Bay is \$ 98,725.00 . AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2020-2021"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed

\$ 98,725.00 in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2020-2021").

4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Projected daily attendance for 2020-21 school year program.

85

Program Operations for the 2020-2021 school year. First Day: August 10, 2020 Last Day: May 27, 2021

UPDATED ED CODE: Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

Projected Number of Minimum Days for School Year 2020-2021:

**Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.*

Is your school-day bell schedule attached? The 2020/2021 school-day bell schedule hasn't been released yet.

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?

The YMCA of the East Bay will cover the cost for additional programming on added minimum days up to 16 additional days during 2 weeks of parent teacher conferences in the fall and spring, as well as the first 2 weeks of school.

SECTION 3a: PROGRAM MODEL.

SECTION 3b: PROGRAM MODEL. (Continued)

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year? *(please estimate: 0-5 students, 6-10, or 10+ more)*

0-5

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

Once the program is aware of the families McKinney-Vento Status, the Site Coordinator will arrange to meet with the family as soon as possible to provide the following: enrollment forms, program orientation, and the start date for their child. Students will be enrolled as soon as possible. The Site Coordinator will check in with the family frequently to ensure a smooth transition and introduction to the program.

- CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?
1. Foster children will be given priority with the “Golden Ticket” to ensure we are acknowledging their McKinney-Vento Status. Students with “Golden Tickets” will be exempt from all waitlist policies and procedures.
 2. Students facing homelessness will have a priority to ensure that we can support them by providing a safe space for them to be for an extended period of time.
 3. Students that have multiple siblings will be granted the priority of having all siblings attend the program once one student of that family is accepted.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

Educational and Literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)

Describe how the after-school program will provide the educational & literacy component.

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a [safe & supporting environment through encouragement and active engaged learning](#).)*

Monday-Thursday, students will receive 45 minutes for homework support/ tutoring. During this time ASP staff to supervise and provide coverage throughout the room to monitor students progress, to see if they need assistance, and offer learning support. If 3 or more students need help on an assignment, the group leader will gather the students together and provide small group instruction and targeted interventions. This will allow students the opportunity to share their thoughts with each other and learn

	<p>from one another through collective learning goals. Our staff will also work with the Academic Quality Support Coach and the Principal to identify school academic priorities throughout the year and agree on ways to support the goals and vision of the school.</p>

Each semester, students will be given the opportunity to share ideas on what type of enrichment “clubs” they would like to see offered, as well as choose or “sign up” for the class they want to participate in for the semester. K-1st graders, and 2nd-5th graders, are combined during enrichment time depending on the selected choice. The YMCA led enrichments fall into 3 categories: (1) Art, including visual or performing art, (2) science, which could range from cooking and gardening, to robotics to STEM education, and (3) sports. Enrichments offered will be based on the strengths of the staff and/or current YMCA after-school curriculum. Youth leadership will be promoted.</p>

<p>Academic Alignment with School Day and District Priorities</p>	
<p>Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.</p>	

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 20-21 School Year)

1. The YMCA Staff will be utilizing the "Building Intentional Communities" activities students will practice SEL daily to build strong lasting relationships with peers. We strategically implement BIC at the beginning of the school year, after each break and during community building throughout the year.
2. As a part of our academic hour 3 days a week, the Site Coordinator works closely with the Quality Support Coach to ensure that we are providing youth with English Language Arts and Math curriculum that aligns with the schools academic blueprint for the year.
3. We have 1 hour set aside Monday-Thursday for homework hour. During that time students spend 30 minutes completing assigned work from class and the remaining 30 mins reading. We will continue to obtain students reading scores to ensure that we have books available to reflect all reading levels. We also practice small center groups that focus on areas of growth for specific groups of youth to work together on fun and engaging literacy activities.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

TRUTH <i>What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.</i>	<p><i>Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.</i></p> <ol style="list-style-type: none"> Our students are actively participating in 1 hour of recreation per day. Recreation is set up to offer the students an opportunity to build healthy relationships, learn a new skill and practice daily exercise for health and wellness. After reviewing the OFCY Youth Survey we noticed that the majority of the students agreed that this program helps them to become more active. According to the OFCY Youth survey we noticed that some students don't feel comfortable sharing their opinions. Students are having a hard time understanding how to complete homework assignments. 		
HOPE <i>What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?</i>	<ol style="list-style-type: none"> To provide a space with resources that will allow parents to learn how to problem solve and comprehend the students assignments. Being able to meet regularly (first Friday of each month) to provide family tutoring for one hour where we would go over academic concerns for parents and families. Provide more restorative justice circles in efforts to the students being able to share opinions, thoughts and become solution minded when dealing with conflicts in a healthy, respectful space. 		

CHANGE <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i>	<ol style="list-style-type: none">1. Work closely with the Principal, Quality Support Coach, Community Service Manager, Teachers and ASP Site Coordinator to create a plan that will help gather families, to come in once a month to learn how to understand students assignments, to promote success while completing homework at home.2. Continuing to work closely with the Restorative Justice Liaison in efforts to have regular and continuous training for ASP staff. If possible trainings once a month would be useful for the ASP community.3. Creating a 5th grade leadership committee to encourage youth leadership within our school community during day school and ASP.
CURIOSITY <i>What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.</i>	<ol style="list-style-type: none">1. I need more time to think about how to create intentional weekly training series for group leaders during the 2020/2021 academic school year.2. I would like to compose surveys for the day school staff to take i efforts of seeing how ASP can accommodate the success of the school and community as a whole.

Continuous Quality Improvement (CQI)

In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

Continuous Quality Improvement

In accordance with California Education Code sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California.

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change;** and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

- ✓ Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.
- ✓ Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.
- ✓ Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. Frequently Ask Questions (FAQ).
- ✓ Lead agency and Site Coordinator will familiarize and engage the Quality Standards for Expanded Learning in California.
- ✓ Lead agency director will provide support and ensure completion of Section 5 of the Continuous Quality Improvement in the program planning tool:
 - Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

20__-20__ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES

RELEASE OF LIABILITY AND ASSUMPTION OF RISK

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), _____, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and _____ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. As parent/guardian, I certify that my child is physically fit and medically able to participate in the Middle School Sports League activities and that parent/guardians have not been advised otherwise by a qualified medical person. I authorize OUSD, _____, or Middle School Sports League staff to furnish and/or obtain emergency medical treatment which may be necessary for me or my child during Middle School Sports League activities. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or _____ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, _____, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

YMCA of the East Bay

The mission of the YMCA of the East Bay is to empower youth, advance health, and strengthen communities. While striving to meet the health and wellness needs of the diverse population of the East Bay communities, the YMCA of the East Bay prioritizes serving the underserved communities, with a special focus on underserved youth.

For over a century, the YMCA of the East Bay has remained a stable influence; a safe, healthy, and enriching community space for youth and families in the East Bay communities. Our organization is composed of a teen center, 5 health & wellness centers, 44 school-based program sites, 17 early childhood program sites, and 2 overnight camps. Our core programs focus on three areas: early childhood impact, youth development, and healthy living for all. From cradle to career, the Y provides all youth with the tools and resources they need to succeed in life.

Early Childhood Impact With the belief that every child deserves a head start in life, we facilitate high-quality early childhood impact programs that focus on long-term academic success and wellness of each child we serve. Overwhelming evidence shows that early childhood education for disadvantaged children has the highest return public investment in the world today. According to research, 60-70% of the achievement gap between rich and poor kids is already evident by kindergarten. Our Early Childhood Impact Program offers 17 sites serving infants and children from ages 0 to 5 across the Bay Area. Our strategy is to ensure all children are ready for kindergarten by age 5 so they are in a warm, caring environment of academic and noncognitive stimulation and grow up with the curiosity and confidence to succeed in school and life.

Youth Development When school doors close, ours open. In over 40 afterschool sites, 6 community day camps, and 2 residential camps, we are supporting youth, especially those from underserved communities, in developing academic, physical, and social skills. We strive to prepare and support the youth in our community to become their best selves and grow up to be the leaders of our communities. The programming includes school-based STEM and wellness enrichment programs, camps, childcare, a college-readiness program for low-income first-generation college-bound students, and youth leadership and workforce development programs.

Healthy Living for All The YMCA of the East Bay is committed to improving the health of our communities by offering people of all ages ways to manage, maintain, and regain their health. We offer health & wellness centers that include caring, professional staff, state of the art equipment, swimming pools, and a wide range of group exercise classes and youth sports programs. Our unique variety of programs for the community addresses healthy living and disease prevention, including diabetes prevention programs, healthy values-based competitive sports programs

for all ages, and essential swim and water safety lessons for the community. Our strategy is to meet the health and fitness needs of the large and diverse population in our communities. We offer financial assistance for low- to moderate-income individuals and families to access our resources and facilities to maintain and regain their health.

Financial Responsibility, Management, & Infrastructure

Our financial integrity and sound fiscal management are made possible by our finance department. The finance department's central infrastructure consists of 2 Senior VP's of Finance, 2 Payroll Accountants, 1 Payroll Coordinator, 1 Accounting Manager, 1 Contract Compliance Specialist, and 1 Accounts Payable Specialist.

Under supervision of Cheri Mezzapelle, the Senior VP of Finance, the Accounting Manager, Contract Compliance Specialist, and Accounts Payable Specialist ensure that our organization is compliant with grant and other financial contracts and that grant funds, including the funds from OUSD are allocated to the appropriate program. This team works inter-departmentally with program staffs and other departments for accuracy in our finances and program budgets. Under the supervision of Larry Gayden, the other Senior VP of Finance, the Payroll Coordinator and two Payroll Accountants ensure payroll is processed and employees are paid by the deadline each period.

In order to ensure sound fiscal management, the finance department holds staff training and supervision, segregation of duties, defined and clear controls over vendors, cash, capital assets, business-related expenses, corporate credit cards, investments, and monthly reconciliation of all bank accounts and balance sheet accounts. Our data systems track and report transactions and are secured to avoid risks of loss or breach of privacy.

We accurately portray and report our financial status to the board, staff, donors, financial institutions, YMCA of the USA (Y-USA), and the public at all times. Staff provide accurate documentation and timely reports on fiscal activities, including reports to the board. Board members and committees review and approve all formal reports prior to submission/disclosure, including the IRS Form 990, annual reports, and audit. We conduct financial audits each fiscal year by hiring a third-party independent contractor, in order to obtain an "unqualified opinion" on the accuracy of our financial statements.
