Subject California Student Data Privacy Agreement - Liminex, Inc. dba GoGuardian - Technology Services Department

Ask of the Board Ratification by the Board of Education of District's "Piggybacking" onto Exhibit "E" of the California Student Data Privacy Agreement between the Education Technology Joint Powers Authority and Liminex, Inc. dba GoGuardian, El Segundo, California, ("Provider"), via OUSD District's Technology Services Department, describing the mutual duties and responsibilities to protect student data transmitted to Provider from LEA pursuant to the Service Agreement, including compliance with all applicable statutes, including the FERPA, PPRA, COPPA, SOPIPA, AB 1584, and other applicable California State laws, all as may be amended from time to time, for the term of the duration of the Service Agreement, February 10, 2021 through June 30, 2024, or so long as the Provider maintains any Student Data.

Background GoGuardian will provide content filtering software, which will restrict access to inappropriate websites on District Chromebook devices.

In order to provide these services, GoGuardian requires access to certain District student data. Accordingly, the District and GoGuardian executed the enclosed data sharing agreement on February 10, 2021, and now ask the Board to ratify this agreement.

This data sharing agreement is the standard California Student Data Privacy Agreement (CSDPA), adopted by the California Student Privacy Alliance to meet the requirements of the Family Educational Rights and Privacy Act (FERPA) and Assembly Bill 1584 (which allows school districts to share data with software providers so long as the contracts include certain specified provisions).

The standard terms of the CSDPA ensure that the vendor will take all precautions to safeguard our students' data. The term of the CSDPA is the same as the term of the underlying services agreement.

The CSDPA is a piggy-backable agreement. This means that a software vendor may enter the CSDPA with one school district and thereafter, by signing Exhibit E (which consists of a “general offer of terms”) allow any other school district to countersign Exhibit E and be entitled to the same protections set forth in the underlying CSDPA.

Here, Liminex, Inc. dba GoGuardian has signed the CSDPA with the Education Technology JPA, and it further signed Exhibit E, which, again, allows any other school district to likewise sign Exhibit E and share the same data with Liminex, Inc. dba GoGuardian under the same terms. Accordingly, the District signed Exhibit E on February 10, 2021, and now asks the Board to ratify this agreement.

Disposition shall include (1) the shredding of any hard copies of any Student Data; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable by human or digital means. Nothing in the Service Agreement authorizes Provider to maintain Student Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposition. Provider shall provide written notification to LEA when the Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a “Request for Return or Deletion of Student Data” form, a copy of which is attached hereto as Exhibit “D”. Upon receipt of a request from the LEA, the Provider will immediately provide the LEA with any specified portion of the Student Data within ten (10) calendar days of receipt of said request.

- a. **Partial Disposal During Term of Service Agreement.** Throughout the Term of the Service Agreement, LEA may request partial disposal of Student Data obtained under the Service Agreement that is no longer needed. Prior to disposition of the data, Provider shall notify LEA in writing of its option to transfer data to a separate account, pursuant to Article II, section 3, above. In no event shall Provider dispose of data pursuant to this provision unless and until Provider has received affirmative written confirmation from LEA that data will not be transferred to a separate account.

6. **Advertising Prohibition.** Provider is prohibited from using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products or services, other than as necessary to provide the Service to LEA.
