Original Memorandum of Understanding 2020-2021 was approved by the Board of Education on August 26, 2020 via Enactment No. 20-1211.

Discussion Approval by the Board of Education of Amendment No. 1 to Memorandum of Understanding 2020-2021 between the District and Bay Area Community Resources, San Rafael, CA, for the latter to increase staff hours to support school

day instruction through working with students via Zoom in groups as well as one on one, supporting reading groups and practicing grade-level reading strategies with students, and hosting Social-Emotional learning activities with students at Martin Luther King, Jr. Elementary School will help increase student engagement and improve student outcomes while school campuses are largely closed or operating at limited capacity.

Fiscal Impact

After School Education and Safety (ASES) Grant (Resource 6010) in the amount of \$103,799.00, After School Education and Safety (ASES) Kids Code Grant (Resource 6011) in the amount of \$9,159.00, 21st Century Community Learning Centers Grant (Resource 4124) in the amount of \$84,244.00

Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Andrea Bustamante, Executive Director, Community Schools & Student Services
Martha Pena, Coordinator, After School Programs

Board Meeting Date August 26, 2020

Subject Memorandum of Understanding
Contractor: Bay Area Community Resources
Services For: Martin Luther King, Jr. Elementary School

Action Requested and Recommendation

Approval by the Board of Education of Memorandum of Understanding between the District and Bay Area Community Resources, San Rafael, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Martin Luther King, Jr. Elementary School's comprehensive After School Program, for the period of August 1, 2020 through July 31, 2021, in an amount not to exceed \$192,858.00.

Background

(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

The general purpose of the 21st Century Community Learning Centers (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) section 8421 further defines the purpose of the 21st CCLC High School ASSETS program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high

school exit examination for public school programs.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of** California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for Bay Area Community Resources is \$ 192,858.00.. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2020-2021"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed

\$ 192,858.00 in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2020-2021").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

UPDATED ED CODE: Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

Projected Number of Minimum Days for School Year 2020-2021: 46

**Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.*

Is your school-day bell schedule attached?

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?

Our OFCY funding will support staff working additional hours during additional minimum days. We expect to have no more than 10.

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)**, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)**
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year? *(please estimate: 0-5 students, 6-10, or 10+ more)*
3

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

Families with golden tickets have priority. We understand their circumstances and are always ready to help. We have a system that's set up through our school's administrative office. Once enrolled guardians and or case workers of families present a document and or sit down with the principal. We then set up a meeting with the family to talk about expectations, needs of the students and family, sign paperwork and move forward with services.

CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?

It's important that the community knows that we value all families in the community and that everyone deserves a safe place where they can have fun and learn and feel valued without question.

1. Priority given to siblings currently in program

2. Priority given for student's w/teacher referral given families can meet assurances
3. All homeless/foster student are all eligible for priority "Golden Ticket"

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

<p>TRUTH <i>What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.</i></p>	<p>Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.</p> <p>My truth is that I have had a continuous program that has carried its vision, mission, values and goals throughout all the strenuous mergers that have occurred over the last several years. .</p> <p>Through it all it, it has helped me continue to have a stronger program that recruits and retains high-quality staff who value their professional growth. I have continued to build over 25 internal and external collaborative relationships. These partnerships continue to enrich student learning, safety and belong</p> <p>I have continuously taken the initiative to bring the communities together and showcase students mastery of skills developed by ours and other ASP program in our West Oakland community for hundreds to see.</p>
<p>HOPE <i>What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?</i></p>	<p>My hope is for students to continue to thrive on our values of Family, Fun and Respect. Continue to provide programs that thrive on career development, family gatherings and help students achieve mastery skills. I hope that we also continue for students to have a voice and choice when choosing enrichment activities. Continue to thrive on building student's academic success through our mentoring and tutoring programs.</p>
<p>CHANGE <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i></p>	<p>We have to continue to thrive on developing program-buy-in by implementing activities that thrive on core values.</p> <p>We have to continue to collaborate with all stakeholders in and out our communities and invite them to come visit our program, whether it's volunteering, helping organizing or donating. I.e. like banking on our future where volunteers come out and teach kids how to manage money and invest.</p> <p>We also have to be consistent when opportunities arise to bring families together and showcase students skills. Bringing leadership, students, teachers and parents together to plan and lead events and get together is key.</p> <p>We have to again invite people. Write letters, make phone calls to local organization in our communities asking them if they can give back to the young people in West Oakland</p>

CURIOSITY <i>What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.</i>	Are there other ways to bring the community together i.e. schools, parents, and students that serve the same communities?

SECTION 7a: PROGRAM FEES

Will this after-school program charge program fees for 2020-2021 ☐ Yes ☒ No

If, **"YES, program fees will be charged,"** please complete the following assurances. Both the Principal and Lead Agency boxes must be initiated.

Principal	Lead Agency	ASSURANCES
		Our program will not turn away any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation
		Our program will communicate in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay. Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.
		Our program will publicize the program fee structure in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).
		Our program shall not charge a fee to a family for a child if the program once notified that the child is a homeless youth , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in foster care.

		The Use of Fees: Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to "keep accurate records of fees collected, and fees should be tracked separately from the grant funds received." Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

SECTION 7b: PROGRAM FEES (Continued)

Continuous Quality Improvement (CQI)

In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

Continuous Quality Improvement

In accordance with California *Education Code* sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California.

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change**; and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

YES - Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.

YES - Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.

YES - Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. Frequently Ask Questions (FAQ).

YES - Lead agency and Site Coordinator will familiarize and engage the Quality Standards for Expanded Learning in California.

YES - Lead agency director will provide support and ensure completion of *Section 5* of the Continuous Quality Improvement in the program planning tool:

YES-Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

BACR TODAY

MISSION

The mission of Bay Area Community Resources (BACR) is to promote the healthy development of individuals, families, and communities. There are three core components to our mission:

- I. Provide direct services to promote healthy development;
- II. Encourage volunteers to provide service to their community; and
- III. Build and strengthen all of the communities we serve, so that community members and institutions can effect change.

I. DIRECT SERVICES

BACR direct services are organized into program industry groups, which have a similar focus and common participant outcomes. These programs serve youth and adults in seven Bay Area counties and numerous communities and (K-12) schools. Direct services are delivered in each of the following program groups:

AFTER-SCHOOL

Our after school programs offer safe and enriching after school opportunities to young people where they can learn to be productive, build positive adult and peer relationships, and participate in meaningful academic and enrichment activities. BACR provides these programs at more than 100 schools in the Bay Area.

BEHAVIORAL HEALTH ADVOCACY, PREVENTION, & TREATMENT

BACR provides direct services to individuals and families needing support to overcome mental health or substance use problems. Alcohol and Drug, Tobacco, and Mental Health programs deliver prevention and treatment services to youth and adults having a broad spectrum of needs, ranging from the need for basic information to treatment for chronic alcoholism and drug recovery. Specifically, BACR offers school-based counseling and education, community-based centralized assessment and referral to treatment, family therapy, DUI programs, and tobacco education and cessation. Our environmental prevention services aim to change community norms about alcohol, drugs, and tobacco use by advocating for private or public policy adoption.

HEALTHY COMMUNITIES

In this industry, school- and community-based health centers serve as hubs of integrated, coordinated services and programs where youth and families can find support, resources, and community. Examples of our hubs include First 5 Centers, Healthy Start programs, high school health centers, community schools, and other family resources and early childhood programs. BACR strives to create vibrant, accessible, inclusive hubs that are safe, open, and nurturing places for participants to belong and call home.

NATIONAL SERVICE

Giving back is vital to healthy development. Through BACR's National Service program, participants achieve personal benefits by having opportunities to contribute to community improvement. Youth benefit as well through a variety of academic and youth development services delivered by BACR's AmeriCorps members. AmeriCorps members are placed at more than 70 local schools and programs where these services are provided.

WORKFORCE & EDUCATION (formerly Youth Workforce)

Our workforce model ensures that youth have access to five interventions, which are 1) Academic support, 2) Workforce skill building and employment, 3) Civic engagement, 4) Connection to support services, and 5) Meaningful participation in youth development activities. Our participants are resilient, facing multiple barriers that prevent them from accessing opportunities that would allow them to transition into adulthood successfully; healthy, self-sufficient; and free from the justice system. To ensure that services are accessible, our projects and outreach activities are delivered in a range of school- and community-based settings.

II. ENCOURAGE VOLUNTEERS TO PROVIDE SERVICE TO THEIR COMMUNITY.

All programs in the BACR family encourage “giving back” to the local communities. We organize community service projects conducted by volunteers, many of whom have been service recipients, who commit to a weekend – or sometimes commit to a year – to mentor or tutor a young person. These projects result in a positive and meaningful experience for thousands of volunteers, as well as build on their skills and commitment to civic responsibility. At the same time, they are making a positive difference in the lives of individuals and in their community.

III. BUILD AND STRENGTHEN ALL OF THE COMMUNITIES WE SERVE SO THAT COMMUNITY MEMBERS AND INSTITUTIONS CAN AFFECT CHANGE.

Building community in all we do is part of the BACR way. Each program sees itself as part of the community and seeks out community partners with whom to collaborate. Our staff represent the agency on numerous coalitions sharing a common vision of community empowerment and capacity building.

ORGANIZATIONAL STRUCTURE AND STAFFING

The Board of Directors is the legal entity responsible for the operation of the agency. It develops agency policy, mission, and goals, and ensures that adequate resources are available to carry out such goals.

BACR is led by a Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, and a program-based team of Project Directors. BACR has approximately 1,300 full- and part-time staff members and AmeriCorps members.

The agency’s FY 2019-20 budget is approximately \$45 million including in-kind services. Major funding sources include government, corporate and foundation grants, and school contracts.

SUMMARY OF FY 2019-20 PROJECT SERVICES

We will deliver 1,046,579 staff hours and 335,698 volunteer hours directly serving 32,451 students/ individuals and their families. Twenty-four percent (24%) of all services will be supported by volunteers, interns, or AmeriCorps members. The service distribution is as follows:

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez
