Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
 Sondra Aguilera, Chief Academic Officer
 Lucia Moritz, Executive Director, College & Career Readiness
 Rebecca Lacocque, Director, Linked Learning

Meeting Date April 14, 2021

Subject Career Technical Education Advisory Committee

Ask of the Board Adoption by the Board of Education of Resolution No. 2021-**0211** - Career Technical Education Advisory Committee: Number of Members and Naming Said Initial Members/Term Thereof.

Background Perkins Funds provides support to Local Educational Agencies in support of development of Career Technical Educational Programs. The Oakland Unified School District receives approximately \$450,000.00 annually from this program to support its CTE programs.

Perkins V requires LEAs to engage broad stakeholders in CTE program review and improvement plans every year, and Federal Program Monitoring of Perkins requires Board approval of said stakeholders. In addition, Education Code section 8070 requires the governing board of school districts participating in CTE programs to appoint a CTE advisory committee.

The Board of Education, on January 27, 2021, adopted Resolution No.2021-0178 - Appointing Stakeholders to the Oakland Unified School District's Career Technical Education Advisory Group, establishing a 40-person Committee [Group] and naming members thereto. A forty-member Committee, in hindsight, is excessive for the needed purpose. Accordingly, the Board is requested to repeal adopted Resolution No. 2021-0178 and in lieu thereof establish a Career Technical Education Advisory Committee composed of 21 members and naming initial appointees and each person's term thereof.

Fiscal Impact None.

Recommendation Adoption by the Board of Education of Resolution No. 2021-**0211** - Career Technical Education Advisory Committee: Number of Members and Naming Said Initial Members/Term Thereof.
