

# Envision Academy High School

Aligned CTE Industry Sector:

## Rigorous Academics

### Measure N Investments

- Instructional Coach Salary
- Family and Engagement Coordinator Salary

### Pillar Components/Activities

- Differentiated and personalized instruction for students
- Leadership skills to prepare students for high achievement in college and career choices
- Yearly public exhibitions of a final product rooted in problem based applications of knowledge in the areas of critical thinking, problem solving, and inquiry.
- Creating partnerships with families to support student success and achievement through workshops, meetings, visits, and motivational activities to support college and career readiness.
- 100 percent of our Black and LatinX populations graduate with A-G requirements
- 80 percent of our current 2020-20201 seniors have been accepted into a 4 year college.
- Strong school community focused on art, technology, and a college going culture and career experiences.

## Career Technical Education

### Measure N Investments

- Instructional Coach Salary
- Career and Student Support Specialist Salary

### CTE Course Sequence

- 9th Grade Digital Media Arts
- 10th Grade Theater Arts
- 12th Grade Adv Digital Media Arts

### Pillar Components/Activities

- Technology innovation
- Project based learning that aligns to our arts and technology pathway
- 100 percent of our 9th graders complete a Digital Media Arts course
- 100 percent of our 10th graders complete a Theater Arts course
- 70 percent of our seniors complete an **Advanced** Digital Media Arts course
- Students use the lens of arts, media and technology to reflect both academically and on their leadership skills to prepare them for a successful future in the 21st Century.

## Work-Based Learning (WBL)

### Measure N Investments

- Career and Student Support Specialist Salary

### Partnerships

Local Community Agencies such as:  
Youth Radio Oakland  
Girls Inc.  
YWCA

### Pillar Components/Activities

- EA faithfully hosts a yearly Annual Career Day where a wide variety of different community members speak with our student body (except in this pandemic year).
- All students complete an online personality and career interest survey, and they meet with one professional in that field.
- Our students are placed with over 80 mentors across the bay area.
- All students complete multiple projects that require them to grow their leadership and technology skills.
- Students of all grade levels are continually placed in ongoing internships throughout the year.

## Student Supports

### Measure N Investments

- Family and Engagement Coordinator Salary

### Partnerships
