() C F C T m () s o s it s o p - p a - a s - p S T - F T n - o e T n - i a -	Hire a Pathway Mentor and Student Support Coordinator, at 1.0 FTE Salary + Benefits) (*Budget item originally approved in 2019-20 Carry Over Measure N Improvement Plan) Pathway Strategic Goals: Student Pathway Awareness, Connection and Support / Closing the Opportunity Pap The Mentor and Student Support Coordinator will coordinate and manage nentorship, tutoring and individualized student support programs available to all students 9th-12th grade, with a special concentration on tudents with IEP's and/or in our dual enrollment program), occurring luring school, after school and during summer bridge. For the 2021-2022 chool year, the Mentor and Student Support Coordinator will work to ncrease the number of students with IEPs and other underrepresented tudents who enroll in and succeed in pathway and dual enrollment lasses by providing individualized support through mentoring and tutoring programs and other services. Primary responsibilities also include: Develop and implement a system for tracking individualized support for eathway students, especially our target student population (includes peer ind professional mentoring, peer tutoring, work with college tutors, etc.) Coordinate the mentor-mentee program, including establishing processes ind procedures as well as follow up with mentors, mentees, parents, and taff (as needed). Meet and work with the Design team to help coordinate ARISE Pathway rogramming including; dual-enrollment services and structures and Summer Bridge Develop and facilitate ARISE's Peer Tutoring Program Oversee 10th grade Bridge and 12th grade Senior Seminar Capstone nentorships Establish and facilitate other supports for student success in college ourses, including review sessions, study skills sessions, writing tutors, it. Complete associated paperwork data analysis, and evaluation as eeded. Support IEP students and other target population students in successfully chieving their learning goals Provide resources and referrals of services in coordination with the delante Student Support team	\$77,255.00	1201	Non Certified Staff	Pathway Mentor and Student Support Coordinator	1.0 FTE	Public and Community Health for the People

4	Hire an CTE Intermediate Public and Community Health Teacher, at 1.0 FTE (salary and benefits) (*Budget item originally approved in 2019-20 Carry Over Measure N Improvement Plan): As we strive for gold certification with the Linked Learning Alliance, we must ensure that we have CTE certified teachers teaching the CTE classes and pathway sequenced courses. All CTE instructors implement coursework that emphasizes the four pillars of linked learning to increase student engagement and knowledge, specifically: WBL, internships, college and career readiness, guest speakers and industry partnerships that link student learning to the real world. (CTE Public and Community health instructor holds all CTE junior classmen, total of 91 students) (Striving for Gold Certification in Linked Learning)	\$90,354.00	1101	Certified Staff	Intermediate Public and Community Health CTE Teacher	1.0 FTE	Public and Community Health for the People
5	<ul> <li>Hire a Pathway Counseling Director, at .50 FTE (salary and benefits) - (*Budget item modified from originally approved line item in 2019-20 Carry Over: Pathway College and Career Counselor):</li> <li>Development and Management of a Comprehensive College and Career Counseling Program for all pathway students 9th-12th grade (approximately 375 students)</li> <li>Plans and implements a comprehensive school pathway counseling program with the school administration, pathway team, and grade level counselors and case managers.</li> <li>The Director organizes, supervises, and evaluates the work of the college and career counselors at all levels to align with pathway goals and outcomes and ensure pathway completion</li> <li>Directs and coordinates all counseling activities, to include coordination of grade level school counselors.</li> <li>Collaborates with Pathway Coordinator, WBL Liaison, and Pathway Mentor and Student Support Coordinator to help connect students to WBL opportunities based on the WBL continuum with emphasis on internship and career certifications</li> <li>Pathway Counseling Director ensures students are getting individualized support completing and enhancing their Get Focused Stay Focused 10 year plan, developing evidence for the college and career portfolio, succeeding in their CTE courses to become pathway completers, A-G completers, and additional support with pathway orientation and implementation.</li> <li>(Pathway Student Awareness, Going for Gold: Individualized Student Support)</li> </ul>	\$44,592.00		Certified Staff	Pathway Counseling Director	.50 FTE	

6	Summer Bridge (Summer School) Funding for Teacher Salary Stipends: 1) 1-2 teachers to teach credit recovery so that our students are on-track to graduate 2) 1-2 teachers to teach "Step Up to Algebra" to increase the number of rising 9th graders prepare to be successful in Algebra 1. with the purpose to proactively ensure that all students are full able to enroll in the pathway program of study Enrichment courses will be offered through Peralta Colleges. Students will be offered support in signing up for the courses as well as a designated room and college liaison if they need any assistance in their college course.	\$12,484.00	5883		2	Public and Community Health for the People
7	Teacher Stipends for Pathway Development: Teacher stipends to develop, improve, project based learning curriculum and grade level collaborative projects that are focused on our Public and Community Health theme. 15 teachers working 2.5 days at \$25 per hour (during mid to late June) working to revamp and adjust the ARISE Collaborative Community Action Research Projects (CCARP). Teachers will work with Industry Advisory Council members to integrate best industry practices as they relate to the CCARP. (Industry Partnership Collaboration, Striving for Gold)	\$7,000.00	5100	Sub Agreements for Services		Public and Community Health for the People
8	Public Health Conference and Speaker Series Honorariums: Guest Speaker and Organization Honorariums for our Pathway Themed discussions. This will raise the quality and capacity of these presentations and thank our Industry Partners for their time and continued partnership with ARISE. Guest speakers are paid between \$100 - \$300 (depending on length of presentation, degree of preparation needed, time commitment). Approximately 20 - 30 Public Health Speaker Series and Conference Speakers throughout the year.	\$3,000.00	4300	Sub Agreements for Services		Public and Community Health for the People
9	Stipends for Student Internships: To pay for the student stipends for ARISE students participating in internships both during the academic school year (after school) as well as during the summer (we hope to connect rising seniors with internships during the summer). Approximately 30 - 40 students ranging from \$350 - \$500 per stipend	\$15,000.00	5100	Sub Agreements for Services		Public and Community Health for the People

#### School: ARISE HIGH SCHOOL

#### School Description

We believe education does not start or end in the classroom. True learning occurs at all times, when you succeed, when you fail, when you make mistakes, and when you accomplish your goals. We believe that as a school we are teaching all the time. Every hallway interaction, smile, check-in, home visit, and family meeting communicates who we are, what we value, and why we are here. ARISE is a special place. We've carved out a small piece of East Oakland and made it our home. We've offered to this community a sanctuary where we attempt to disrupt toxic schooling practices, the trauma of poverty, and institutionalized oppression. By examining our living conditions, growing our skills in reading, writing, numeracy, and critical thinking, and applying what we've learned to our personal and community transformation we as a community can and will ARISE.

#### School Mission and Vision

Our mission at ARISE is to empower our students with the knowledge, skills, and agency to be leaders in Oakland. We provide a small school environment where we pride ourselves in every student having at least one adult who knows them well and supports them on their educational journey. At ARISE, education is not just about how well you do on a test. We are a small school that emphasizes knowledge of self, society, and history within a highly personalized supportive environment. ARISE is committed to building and maintaining healthy communities by providing families, many of which are first generation college bound, access to college and careers Community and Public Health. At ARISE we nurture, train, and discipline our school community to engage in a continuous practice of developing mind, heart, and body towards a VISION where we actively rise up. Agency and self-determination drive our struggle to improve our own material and social conditions towards a more healthy, equitable, and just society. ARISE High School has been honored to serve the Oakland community for nearly 12 years and looks forward to continuing this service during our next charter term. Our founders, just as our staff today, believe that all children deserve a quality education that doesn't replicate inequitable and oppressive institutions. Instead, we've developed a rigorous, high engagement, and authentic learning experience for our students. ARISE High School currently serves approximately 286 students in grades 9-12, and prepares students from low-income families to be the first to attend college-bound. We are incredibly provid of our students' successes. Each year, we had at least 85% of our graduates matriculate into 2- and 4- year colleges and universities. In addition, we believe our alumni will be the future change-makers of Oakland. As more and more of them graduate from college we look forward to welcoming back into our community.

	2020-2021: YEAR		
athway Strategic Goals			
nthway Quality Strategic 3 Year Goal		or to know you are successful?	

Student Pathway Awareness, Understanding, Connection, and Agency with Linked Learning, Measure N and our Pathway.	a) ARISE will conduct a Student College and Career Pathway Survey at least three times (beginning, mid, end of year). In the category of Student Pathway Awareness and Connection ARISE will score an average of 4 out of 5 or better on the end of year survey.
	b) Students will be able to articulate their understanding of Linked Learning, the Linked Learning 4 Pillars, and career and college pathway opportunities in Public and Community Health through their Senior Seminar Portfolio, rigorous summative assessments, graduate profile, course assignments and projects.
	c) All teachers will integrate Public and Community Health standards in their courses, with at least two units explicitly linking course content with the Public and Community Health theme.
	d) By the start of the 2020-2021 school year, ARISE will integrate the Student Pathway Ambassadors into the ARISE Leadership course and increase opportunities for all students to demonstrate leadership and agency as advocates in Public and Community Health.
	e) The Pathway Case Manager and Pathway Student Support Assistant will assure that all targeted students, including exceptional learners and students at promise, will have opportunities for, and successful participation in Public and Community Health advocacy.
Striving for Gold Certification in Linked Learning: Continuing to strengthen and further develop our Public and Community Health Pathway as we strive for gold certification	a) By September of 2020, ARISE will to conduct a self assessment of our pathway development as measured by the Gold Certification Standards for Linked Learning. This data will inform our strategic plan.
	b) By December of 2020, ARISE will work with our Linked Learning Consultant, Patricia Clark, to create a strategic plan to achieve Gold Certification which includes identifying all necessary evidence and data needed to successfully achieve advanced certification.
	c) By June 2021, ARISE will conduct another self assessment that demonstrates an increase in the number of Gold Certification standards for which ARISE is excelling and sustaining. (Baseline = September 2020 self assessment)
	d) ARISE will register for and participate in the Linked Learning Gold Certification review process by 2022-23.
Industry Partnership Collaboration: Industry partners will review and provide feedback on CTE course curriculum as well as school-wide Linked Learning initiatives	By the end of the 2020-2021, Pathway leadership will recruit and train industry experienced teachers to expand CTE offerings.
such as grade level integrated projects, school wide community health action projects, days of service, internships and apprenticeships. Industry partners serve as	By June 2021, WBL Liaison and Pathway Coordinator will increase the number of internship partners from 15 to 20.
consultants on student projects, job shadow hosts, internship mentors, mock interviewers, guest speakers, panelists, and key members of our pathway advisory	By June 2020 ARISE will have recruited 2 - 3 new industry partners to our advisory board.
board.	By the end of 2020-2021 school year ARISE will have 3 - 5 industry partners in Public and Community Health that are involved in ALL aspects of two grade level integrated collaborative projects. This will be measured by the attendance of the industry partner at the grade level meetings and proficient filling of the GRADE LEVEL COLLABORATIVE PROJECT RUBRIC (Industry Partnerships)
	By the end of the 2020-2021 school year, each of ARISE overarching academic and cultural initiatives will have been reviewed and collaborated with by at least one industry partner.
	By the end of the 2020-21021 school year industry partners will meet in either department or grade level meetings at least once per quarter to review, audit and give feedback to teacher, in their course curriculum as well as overarching school wide academic initiatives, (i.e. grade level collaborative projects, day of service, internships).
	Industry partners are woven into our WBL continuum providing 9-12 grade levels direct collaboration with our partners pertaining to career awareness, exploration, preparation and training.
Strategic Actions	
Strategic Actions What are the 3-5 key strategic actions for enabling conditions to support high quality pathway development for the whole school?	What evidence will you look for to know you are successful?

Pathway Strategic Goal Student Pathway Awareness, Connection and Support: Reframe and rebrand the connection and integration between ARISE Mission and Vision and the Pillars of Linked Learning. Specifically, 10th Grade Bridge Presentation and 12th Senior Seminar presentation- explicitly teaching the connection between the 5C (critical Thinking, critical consciousness, collaboration, community transformation, communication) the Pillars of Linked Learning as part of their Warrior Intellectual Graduation Presentations.	between Linked Learning, the Pillars of Linked Learning, and pathway standards in their lives and the 5Cs of the ARISE Warrier Intellectual.					
Pathway Strategic Goal Student Pathway Awareness, Connection and Support: Integrate the student ambassadors and the student leadership class. By integrating these two vital school leadership groups at ARISE the strategic initiatives of the pathway will be more integrated into the fabric of the day-to-day student operations and student cultural initiatives.	Once each month for the 2020-2021 school year the Pathway Coordinator and Leadership Teacher will meet and produce agendas that show the review of major student initiatives, in particular to ensuring all student lead initiatives will have some kind of Public and Community Health and/or reference to the Pillars of Linked Learning. will the agenda meetings from these meetings and students will take a quarterly survey on their general knowledge of the Public and Community Health Pathway and Pillars of Linked Learning.					
Pathway Strategic Goal Student Pathway Awareness, Connection and Support: Addressing our targeted student population, as well addressing the need to inform and fortify our pathway integration, awareness and individualized student support - we are going to continue to have the key positions of Pathway Case Manager and Pathway Student Support Assistant to ensure our target populations are receiving the appropriate individualized support.	Each quarter, Head of School and Data Coordinator will audit the number of No Credit scores from students with IEPs as well as African American students. By the end of the 2020-2021 school year ARISE will decrease the number of No Credits by students with IEPs and African American students.					
Pathway Strategic Goal Striving for Gold Certification: Align ARISE Linked Learning Gold Certification goals, school wide goals, LCAP and Measure N goals. ARISE Leadership team and Design Team members set up Linked Learning Gold Certification backwards map to meet or exceed the standards to ensure our LCAP, school goals and Gold Certification elements are aligned.	By the end of the 2019- 2020 school year ARISE will submit an LCAP that aligns with both the school goals for the 2020-2021 school year, our Measure N strategic actions, and our Linked Learning areas of focus for Gold Certification					
Pathway Strategic Goal Industry Partnership Collaboration: Once per quarter the advisory board (which will have our industry partners) meets with the grade level team to create, revamp and discuss collaborative projects and/or curriculum.	By the Fall of 2020-2021 AR industry relevance; all grade	ISE will modify the Buck In level collaborative project	nstitute Collaborative Projects will score proficiency in the	ct Rubric to include an ro is category as judged by	w for industry conn members of the a	ection and/or dvisory board.
Budget Expenditures			And Land States			
2020-2021 Budget						
Budget Justification: One to two sentences that provides the following information: - What the specific expenditure, vendor, or service is? - How the specific expenditure, vendor, or service provided is aligned to pathway development? - What need this specific expenditure or service addresses?	COST	OBJECT CODE	OBJECT CODE DESCRIPTION	POSITION TITLE	FTE	PATHWAY NAME (if applicable)
Pathway Case Manager (Salary + Benefits) - This position will provide pathway student support including collecting student data in our pathway (academic, attendance and survey data) and use this data to devise and execute student interventions. Case manager will provide after school support for pathway students with multiple NC (no credits) through tutoring and credit recovery options. The Pathway Case Manager will work with our Adelante Team to plan and make home visits to some of our most struggling students in the pathway, in particular our African American students and students with IEPs.	\$91,866.72	1200	Cetified Pupil Support Salary	Pathway Case Manager	100%	Public and Community Health
Work Based Learning Liaison (Salary + Benefits) -With the addition of internships built into the school day, we see an even greater need for a full time employee to help with the following (but not limited to): -Engage with community partners -Establish and maintain internship/externship opportunities for students and staff - Lead PD around connecting WBL learning with classrooms learning - Co-produce weekly Linked Learning newsletters - Manage student off site internships, including during the school day - Execute MOU's and partnership agreements with partnership organizations - Meet with Admin Team and Linked Learning Design Team to develop and execute WBL goals and outcomes - Attend and participate in key CTE/Linked Learning conferences and workshops	\$72,420.48	2201	Non Certified Staff	Work Based Learning	100%	Public and Community Health

Student Pathway Awareness, Understanding, Connection, and Agency with Linked Learning, Measure N and our Pathway.	<ul> <li>Monthly Pathway Newsletter - highlighting all pathway related news including WEL opportunities. Collaborative Project updates, trainings and announcements. Students, families, tachers and staff receive this monthly newsletter and as a result, are more informed with our pathway. Monthly Pathway Newsletter is shared with members of our Pathway Advisory Council. As a result, we've seen more students apply for internship and work based opportunities. More teacher collaboration and understanding of the Pathway, which supports student awareness</li> <li>- Weekly Email Blast and Advisory Announcements - Weekly email sent out including WEL opportunities, important deadlines, work opportunities and announcements. Advisory slides updated weekly to include Pathway related updates and announcements. We've seen success with studentsapplying to internship opportunities, scholarships, and other youth programs. This has also increased teacher awareness on pathway related topics and opportunities which also supports student awareness as teachers are able to follow up, checkin and remind students.</li> <li>- Public Heatth Speaker Series - Monthly speaker series highlighting professionals in the field of Public and Community Heatth. Held during morning advisory, every grade level attends 1x per month. At the beginning of each presentation, we review and introduce the 4 Piliars, highlight that we are Messure N recipient and a Silver Certified Linked Learning Pathway. This initiative have become more aware of a wide range of professions within the field of public and community heatth. Since moving our Speaker Series to advisory, students have become more engaged in the discussions, asking more questions, and have taket the initiative to apply to opportunities that have been presented during the speaker series</li> <li>- Public Heatth Conference - School wide wirtual Public Heatth Conference in January that connected over 20 industry and community partners with the ARISE community. Each yarde level team focu</li></ul>	<ul> <li>Pathway Ambassador Internship Program - Due to virtual learning challenges and changes in class schedules, we were unable to incorporate the Pathway Ambassador into our leadership class as planned. Moving forward, we will seek to design a Pathway Ambassador internship program for student leaders to incentivize participation outside of class. This program will continue our success with Pathway student leaders to support with increasing awareness about our pathway</li> <li>Pathway Survey In Pathway courses - Due to the pandemic and virtual learning, we have not yet completed our student pathway awareness survey. We plan to survey the students this Spring and will conduct another survey Fall 2021</li> <li>School Website "Pathway" updates - create plan to establish more real time updates and announcements, as well as work based learning opportunities that students and families can access directly from our website</li> </ul>
Striving for Gold Certification in Linked Learning: Continuing to strengthen and further develop our Public and Community Health Pathway as we strive for gold certification	students are able to make deeper connections with a variety of public health careers Reviewed Linked Learning Gold Certifications Standards - Completed the Linked Learning Alliance "Going for Gold" self assessment - Expanding Project Based Learning and Student Focused Instructional Delivery - All Collaborative Projects with integrated industry applications related to public and community health. Students choose their sub topic based on personal interest and collaborate with peers through project based learning across subjects - Shared learning through Cohort Structure - Collaborative Community Action Research Projects (CCARP) - grade level interdisciplinary project focused on Public Health theme and integrates all courses to encourage cross subject collaboration and group work - Students Demonstrate Pathway Learning - all students must complete a final presentation connected to their collaborative projects that ties together the 4 pillars of Linked Learning. These presentations are done either individually or in groups, depending on grade level, and include industry and community partner evaluators, peer evaluators, as well as a formal presentation - Early College Credit Opportunities - Dual Enrollment expansion - We have created a plan to expand our dual enrollment offering by adding an Intro to Health Care Careers for a Summer 2021 pilot with Merritt College, bringing our total number of dual enrollment courses to 4 in 2021. Working with the Pathway Coordinator at Community College Consortium and dual enrollment offerings to create a track to better support students in matriculation to post secondary schools - Increasing Partnerships with Post Secondary and Industry Partners - We have been successful in substantially increasing our partnerships with post secondary and industry partner. We've established new partnerships with UC Berkeley School of Public Health, The George Washington University, Peralta Colleges, a formal partnership with Alameda County Public Health Department (MOU pending), and a formal p	<ul> <li>Pathway Strategic Goal Striving for Gold Certification: Align ARISE Linked Learning Gold Certification goals, school wide goals, LCAP and Measure N goals. ARISE Leadership team and Design Team members set up Linked Learning Gold Certification backwards map to meet or exceed the standards to ensure our LCAP, school goals and Gold Certification elements are aligned.</li> <li>Pathway Integration in LCAP and Charter Renewal - By the end of the 2020- 2021 school year ARISE will submit an LCAP that aligns with both the school goals for the 2020-2021 school year, our Measure N strategic actions, and our Linked Learning areas of focus for Gold Certification</li> <li>By June of 2021, ARISE will conduct a self assessment of our pathway development as measured by the Gold Certification Standards for Linked Learning. This data will inform our strategic plan for 2021-22 as we continue to collect evidence and documentation on our path to gold certification</li> <li>Linked Learning Training - Embedded in Faculty Development to ensure understanding and awareness. Linked Learning development to integrated into Pathway and CTE forward planning workshops. Work with Pathway Coordinator and Work Based Learning Liaison to integrate industry partners into the curriculum. Review Linked Learning Gold Standards with faculty</li> </ul>

#### Whole School

Industry Partnership Collaboration: Industry partners will review and provide feedback on CTE course curriculum as well as school-wide Linked Learning initiatives such as grade level integrated projects, school wide community health action projects, days of service, internships and apprenticeships. Industry partners serve as consultants on student projects. Job shadow hosts, internship mentors, mock interviewers, guest speakers, panelists, and key members of our pathway advisory board.	Advisory Council - Development of advisory council consisting of industry and community partners dedicated in supporting ARISE and our Public and Community Health Pathway. Advisors paricipate in quarterly meetings that review Pathway initiatives and goals, provide input and feedback on our Collaborative Project curriculum and plan. Discuss industry standards, market trends, pandemic updates and resources, and host students as internship sites. We've seen success with this initiative and currently have 15 partners that have been regularly participating and have joined all 3 meetings this year. Guest Speakers, Panelists, Virtual Workshops, Job Shadows with Industry and Community Partners- Public Health Speakers Series, Public Health Conference, in-class workshops, career awareness and exploration. We've seen success in our industry partners supporting our pathway curriculum, facilitating high level content, and sharing their own personal and professional journeys Expert evaluators for student led Pathway themed collaborative projects - Infustry partners join CCARP final presentiations to review. evaluate, and provide feedback on student research bojcs and presentation. We successfully piloted this model in December with our 10th grade team and March with our 12th graders. Expert evaluators will be invited to join our 9th and 11th grade CCARP presentations, as well as our 12th grade Students to be well prepared and ready to present their final presentations knowing they have anaudience of professionals who will be providing feedback. Virtual Internships - Public Health Pathway aligned virtual internships with various partners including MIMS Cakland, Mentoring in Medicine and Science - MIMS Oakland Partnership - in-class facilitation 9th Health and Wellness, 11th Intermediate and Public Health, 12th Senior Seminar: Advanced Public Health - MIMS works to conned Health Professionals and facilitate high level public health curriculum. Students have been engaged with these lessons and as a result ha	the work based learning continuum including service learning hours, internship hours, job shadows, site visits, and career readiness workshops - Industry Partners evaluate work based readiness -including the quality of their preparation, performance, and soft skills (e.g., ability to work in teams, ability to present information). Students and			
For 2021-2022 are there any revisions to the strategic actions or new strategic actions, I					
Strategic Actions - What are the 3-5 key new or revised strategic actions to support pathway development in 2021-2022?	What evidence will you look for to know you are successful? - How are you considering adapting your strategic actions for 2021-2022 given what you h	ave learned this year about how to best support students?			
Modified: Pathway Ambassador Internship Program - Due to virtual learning challenges and and changes in class schedules, we were unable to incorporate the Pathway Ambassador program into our leadership class as planned. Moving forward, we will involve our Pathway Ambassadors in a structured internship for student leaders. This program will continue our success with Pathway student leadership development and to support with increasing awareness about our pathway. Pathway Strategic Goal: Student Pathway Awareness, Connection and Support: Maintain student ambassadors -	<ul> <li>By September 2021, students will have the opportunity to apply for the Pathway Ambassador internship with the goal of at least 10 students to participate in internship program</li> <li>By January 2022, Pathway Ambassadors will have supported in creating of the monthly Pathway Newsletter, organize aspects of our Public Health Speaker Series and Public Health Conference</li> <li>By Fall 2021 Pathway Ambassadors support with the creation of the Pathway Newsletter</li> </ul>				
Modify Bell Schedule to a 4 by 4 schedule to increase students ability to earn additional dual enrollment credits, complete a-g requirements, WBL and enrichment opportunities, and access the full pathway program of study.	By September 2021 Pathway Ambassadors will be eligible to receive a-g credit for the Student Ambassador course         - By June 2022, we will maintain or increase the percentage of A-G competitors         - By June 2022, all students will have engaged in at least 3 WBL opportunities during the school year         - By June 2022, over 85% of the 11th grade students will have completed a 7 week in-school Internship				
Dual Enrollment Expansion - adding dual enrollment offerings to provide a sequence that supports post secondary matriculation and career opportunities in Public Health	<ul> <li>By Summer 2021, approximately 30 students will be enrolled in our Summer Intro -By Fall of 2021, ARISE will offer 2 additional semester long dual enrollment cours day</li> </ul>	o to Health Care Careers pilot summer program			

Mentoring, Tutoring and Counseling Expansion - Enhancing individualized student support.	- By Summer 2021, led by the Pathway Mentor and Student Support Coordinator to finalize mentor and tutor program model for 2021-22 school year. Continue to grow and develop mentor and tutoring programs through scaffolded approach targeting both individualized tutor plans, and grade level mentorship initiatives
	-By Summer 2021, finalize counseling department restructure to weave all 4 pillars of linked learning into student supports. This team will include Director of Counseling, along with 1 grade level counselor to provide additional individualized student support.
	- By Fall 2021, ARISE will embed equal-access tutoring into the school day during Guided Group time so tutors/mentors can work with groups of two to four students.
	- By Fall 2021, we will increase the number of UC Berkeley School of Public Health Undergraduate mentors from 15 to 30 mentors. This will ensure we are providing the best individualized support for students by working in small cohorts
	-By December 2021, ARISE will work with 5-10 Industry Partners to create a series of College and Career Readiness Workshops for 11th grade students participating in internships

Budget Analysis of 2020-2021 Measure N Budget

Impact of 2020-2021 Budget Expenditures

- How did distance learning impact your budget expenditures?

- What did you find was the most effective use of resources towards your goals and strategic actions and why?

Distance learning has had a profound impact on our students, families and teachers. We've faced many challenges with virtual learning during this pandemic and as a result, some of our budget expenditures have been impacted. With virtual learning, we were unable to spend our budget line items connected to in-person experiential work based learning - including transportation, refreshments and supplies needed for in-person interactions. Aside from these challenges, we have been largely successful in many of our strategic goals and initiatives and have improved our budget expenditure spend down this year from years past. This was made possible largely due to the innovative work of our pathway team. Investing in this team - Pathway Case Manager, 9th/10th Academic Counselor, Work Based Learning Liaison, CTE pathway team, we've found our collaboration with our Industry Partners like MIMS Oakland to be a highly effective use of resources as we continue to build strong pathway connections to career and college readiness opportunities.

#### **Budget Expenditures**

#### 2021-2022 Budget: Enabling Conditions Whole School

Budget Justification:           Enter one to two sentences to create a Proper Justification using the questions below. Explicitly describe the expenditure - no vague language, no acronyms, no hyperlinks and quantify when applicable.           • What is the specific expenditure or service type?           • How does the specific expenditure or service type support or is aligned to pathway development?           • How does the specific expenditure or service type address?	COST	OBJECT CODE	OBJECT CODE DESCRIPTION	POSITION TITLE	FTE	PATHWAY NAME (if applicable)
Hire a Work Based Learning Liaison, at 1.0 FTE (Salary + Benefits) -As we continue to build out our Work Based Learning continuum for ALL students (9-12 grade) and to specifically increase internship opportunities, we seek to maintain a full time employee to lead with the following (but not limited to): -Engage with community partners to establish work based learning opportunities (including virtual) -Establish and maintain internship/externship opportunities for students and staff - Lead PD around connecting WBL learning with classrooms learning. - Provide training and other support to students, especially related to 21st Century Skill building - Provide learning sessions for pathway students in advisory, - Co-produce monthly Linked Learning newsletters including WBL announcements and opportunities -Co-manage the Pathway Advisory Council - Manage student off site internships, including during the school day - Execute MOU's and partnership agreements with partnership organizations - Meet with Admin Team and Linked Learning Design Team to develop and execute WBL goals and outcomes - Attend and participate in key CTE/Linked Learning conferences and workshops	\$72,420.00	2201	Non Certified Staff	Work Based Learning Liaison	1.0 FTE%	Public and Community Health for the People

Hire a Pathway Coordinator, at 1.0 FTE (Salary + Benefits) - The Pathway Coordinator works to ensure that all students at ARISE successfully achieve the pathway outcomes of college and career readiness. The Pathway Coordinator supports all students and teachers, especially CTE teachers, with implementation of CTE, academic, and Linked Learning standards in their classroom. In coordination with school administration, this position oversees all pathway strategic planning related to the Linked Learning 4 Pillars and leads/co-leads all Measure N and Linked Learning initiatives. Cultivates and builds partnerships with industry professionals. Manages the Work Based Learning Liaison to support students to complete the work based learning and our pathway, works directly with the Pathway Advisory Board, and manages the Measure N grant, quarterly expenditures and reconciliations, site visits, and reports. Other duties include: Co-produce monthly Linked Learning newsletter, Execute MOU's and partnership agreements with partnership organizations, manage and oversee Linked Learning certifications.	\$100,520.00	1201	Non Certified Staff	Pathway Coordinator	1.0 FTE%	Public and Community Health for the People
Hire a Pathway Mentor and Student Support Coordinator, at 1.0 FTE (Salary + Benefits) (*Budget item originally approved in 2019-20 Carry Over Measure N Improvement Plan) Pathway Strategic Goals: Student Pathway Awareness, Connection and Support / Closing the Opportunity Gap The Mentor and Student Support Coordinator will coordinate and manage mentorship, tutoring and individualized student support programs (available to all students 9th-12th grade, with a special concentration on students with IEP's and/or in our dual enrollment program), occurring during school, after school and during summer bridge. For the 2021-2022 school year, the Mentor and Student Support Coordinator will work to increase the number of students with IEPs and other underrepresented students who enroll in and succeed in pathway and dual enrollment classes by providing individualized support through mentoring and tutoring programs and other services. Primary responsibilities also include: -Develop and implement a system for tracking individualized support for pathway students, especially our target student population (includes peer and professional mentoring, peer tutoring, work with college tutors, etc.) -Coordinate the mentor-mentee program, including establishing processes and procedures as well as follow up with mentors, mentees, parents, and staff (as needed). - Meet and work with the Design team to help coordinate ARISE Pathway programming including; dual-enrollment services and structures and Summer Bridge -Develop and facilitate ARISE's Peer Tutoring Program - Oversee 10th grade student counseling activities with support from Pathway Counseling Director -Coordinate 10th grade Bridge and 12th grade Senior Seminar Capstone mentorships -Establish and facilitate other supports for student success in college courses, including review sessions, study skills sessions, writing tutors, etc. -Complete associated paperwork data analysis, and evaluation as needed. -Support IEP students and other target population students in successfully achiev	\$77,255.00	1201	Non Certified Staff	Pathway Mentor and Student Support Coordinator	1.0 FTE	Public and Community Health for the People
Hire an CTE Intermediate Public and Community Health Teacher, at 1.0 FTE (salary and benefits) (*Budget item originally approved in 2019-20 Carry Over Measure N Improvement Plan): As we strive for gold certification with the Linked Learning Alliance, we must ensure that we have CTE certified teachers teaching the CTE classes and pathway sequenced courses. All CTE instructors implement coursework that emphasizes the four pillars of linked learning to increase student engagement and knowledge, specifically: WBL, internships, college and career readiness, guest speakers and industry partnerships that link student learning to the real world. (CTE Public and Community health instructor holds all CTE junior classmen, total of 91 students) (Striving for Gold Certification in Linked Learning)	\$90,354.00	1101	Certified Staff	Intermediate Public and Community Health CTE Teacher	1.0 FTE	Public and Community Health for the People

<ul> <li>Hire a Pathway Counseling Director, at .50 FTE (salary and benefits) - (*Budget item modified from originally approved line item in 2019-20 Carry Over: Pathway College and Career Counselor):</li> <li>Development and Management of a Comprehensive College and Career Counseling Program for all pathway students 9th-12th grade (approximately 375 students)</li> <li>Plans and implements a comprehensive school pathway counseling program with the school administration, pathway team, and grade level counselors and case managers.</li> <li>The Director organizes, supervises, and evaluates the work of the college and career counselors at all levels to align with pathway goals and outcomes and ensure pathway completion</li> <li>Directs and coordinates all counseling activities, to include coordination of grade level school counselors.</li> <li>Collaborates with Pathway Coordinator, WBL Liaison, and Pathway Mentor and Student Support Coordinator to help connect students to WBL opportunities based on the WBL continuum with emphasis on internship and career certifications</li> <li>Pathway Counseling Director ensures students are getting individualized support completing and enhancing their Get Focused Stay Focused 10 year plan, developing evidence for the college and career portfolio, succeeding in their CTE courses to become pathway completers, A-G completers, and additional support with pathway correlation.</li> </ul>	\$44,592.00		Certified Staff	Pathway Counseling Director	.50 FTE	
(Pathway Student Awareness, Going for Gold: Individualized Student Support) Summer Bridge (Summer School) Funding for Teacher Salary Stipends: 1) 1-2 teachers to teach credit recovery so that our students are on-track to graduate 2) 1-2 teachers to teach "Step Up to Algebra" to increase the number of rising 9th graders prepare to be successful in Algebra 1. with the purpose to proactively ensure that all students are full able to enroll in the pathway program of study Enrichment courses will be offered through Peralta Colleges. Students will be offered support in signing up for the courses as well as a designated room and college liaison if they need any assistance in their college course.	\$12,484.00	5883				Public and Community Health for the People
Teacher Stipends for Pathway Development: Teacher stipends to develop, improve, project based learning curriculum and grade level collaborative projects that are focused on our Public and Community Health theme. 15 teachers working 2.5 days at \$25 per hour (during mid to late June) working to revamp and adjust the ARISE Collaborative Community Action Research Projects (CCARP). Teachers will work with Industry Advisory Council members to integrate best industry practices as they relate to the CCARP. (Industry Partnership Collaboration, Striving for Gold)	\$7,000.00	5100	Sub Agreements for Services			Public and Community Health for the People
Public Health Conference and Speaker Series Honorariums: Guest Speaker and Organization Honorariums for our Pathway Themed discussions. This will raise the quality and capacity of these presentations and thank our Industry Partners for their time and continued partnership with ARISE. Guest speakers are paid between \$100 - \$300 (depending on length of presentation, degree of preparation needed, time commitment). Approximately 20 - 30 Public Health Speaker Series and Conference Speakers throughout the year.	\$3,000.00	4300	Sub Agreements for Services			Public and Community Health for the People
Stipends for Student Internships:         To pay           for the student stipends for ARISE students participating in internships both during the academic school year (after school) as well as during the summer (we hope to connect rising seniors with internships during the summer). Approximately 30 - 40 students ranging from \$350 - \$500 per stipend	\$15,000.00	5100	Sub Agreements for Services			Public and Community Health for the People

# Measure N 2021-2022 Education Improvement Plan Assessment

# **ARISE High School**

## **Checklist of Required Elements:**

- Submitted Measure N Education Improvement Plan
- Submitted Measure N Budget
- Completed Measure N EIP Presentation

- Submitted Linked Learning 4 Pillars Pathway
- Silver Certification Status

#### Criteria 1: Measure N Overall Pathway Assessment: Has the School Developed the 4 Essential Elements of a Linked Learning Pathway?

(NOTE: If you do not receive a 4 in this category, the highest final recommendation you can receive is "Developing" and the final recommendation will reflect the quality of the plan and the alignment of expenditures to build out Linked Learning Pathways.)

Category	Full Implementation 4	Developing 3	Planning 2	No Implementation 1

<b>Budget</b> The school has thoughtfully allocated Measure N funds to support the continuous improvement of Linked Learning career academies.	Score: 4 Rationale:				
<ul> <li>Expenditures clearly support of and come from the needs and logical through line that is evident in the Education Improvement Plan</li> <li>Expenditures provide proper justification that demonstrates the alignment to build out and integration of the four pillars of Linked Learning</li> <li>Expenditures address the Root Cause Analysis, and should ensure the implementation of the Strategies in order to meet the goals of the plan and the purpose of Measure N</li> <li>Expenditures are in addition to, and not in place of, services that would otherwise be provided to participating students with state and local funds if Measure N funds were not available</li> <li>Expenditures are not being used to cover the expenses of programmatic elements, staff salary, and costs that were previously being funded by the school</li> <li>Expenditures are necessary due to the existence of Linked Learning pathways at the school site</li> </ul>	<ul> <li>Rationale:</li> <li>Budget indicates extensive investment in personnel for career pathway and student support, including 1.0 FTI Work Based Learning Liaison, 1.0 FTE Pathway Coordinator, 1.0 FTE Pathway Mentor and Student Support Specialist, 0.5 FTE Pathway Counseling Direct and teacher stipends for Summer Bridge program and teacher collaborative planning</li> <li>Proper justification is provided that clearly articulates w Measure N dollars are funding and how it is aligned to pathway development</li> <li>Proposed Measure N budget are in support of and alig with reflections and assessments and the goals outline</li> </ul>				

# **Final Recommendation**

# **Fully Approved**

School is actively implementing Linked Learning as is evidenced by the establishment of all four pillars of Linked Learning School is focused on the continuous improvement of the Linked Learning career academy and addressing the root causes of current student outcomes

#### Strengths:

- Plan demonstrates desire of school to implement strategic actions necessary to achieve gold certification
- Response to Pandemic
  - Becoming a hub of resources for community during pandemic and promoting community health by promoting vaccinations and delivering food to families
  - Providing additional clinical support to students during pandemic and plans to use Measure N funds to restructure student support teams to better support students
- Plans to increase Dual Enrollment
- Increase in industry partner collaboration through virtual platforms, variety of industry and WBL partners (14 partners including MIMS, two 4-year universities, nonprofit organizations, County government and clinics.)
- Promoting awareness of pathway and work-based learning opportunities through website, monthly newsletter, speaker series, weekly blasts, public health conference, and collaboration with UC Berkeley
- Evidence that Measure N has positively transformed school and students' experience of career/college readiness

## **Key Questions:**

• Will you continue and/or expand virtual partners and virtual internships that were garnered as a result of the pandemic?

## **Budget Feedback:**

• Continue to use the questions or prompts that were created by the Measure N Commission and Staff to explicitly describe the expenditure when creating the strategic action. This information will ensure you create a proper justification - it is required for all Measure N approval requests. The questions are in the Measure N EIP, under Budget Justification. Measure N Staff can also share them if need be.
