# Fall Secondary In-person Learning Updates

# Options

## In-person Instruction

- We are planning for full, in-person instruction, 5 days a week, for all students.
- The first day of school is August 9, 2021 (*pending Board of Education approval*)
- Middle and high schools will operate on a semester model.

## Distance Learning Option

Still working on details, the following seems clear:

- Families will more than likely have to unenroll from their current school to enroll in a distance-only option. Students cannot be enrolled in more than one school at a time.
- Families can opt back into in-person learning at set times.
- Families who opt into distance learning are not guaranteed a spot back at their previous school
