# Summer Learning Planning

Maintain goal of serving 6,000 students

- Elementary: Focus on Early Literacy and Family Engagement
- Middle: Math and ELA
- High: Credit Recovery, Algebra Bridge and Literacy Bridge
- Extended School Year/SPED Programs

- [Click here](#) for a list of district programs

- 4,352 students already enrolled! 75% of families are selecting In-person option this summer.
- Job Postings are live via [OUSD Jobs Portal](#)

# High School Summer Learning

School counselors will recommend students that need Academic Recovery this summer to stay on track for graduation.

## High School Programs

- As school counselors recommend students for credit recovery, families receive a mobile invitation to register.
- Families will receive final confirmation from their summer program over the next few weeks.
- High School students/families should contact their school counselor to see if they are recommended to attend.
- Schools can also enroll families over the phone.

# Community Summer Programs

Families can go to [www.inplay.org/r/oakland](http://www.inplay.org/r/oakland) to learn of opportunities from City of Oakland and other community organizations.

## Based on Feedback from ACC:

- **We are supporting community organizations across the city to increase access and to support outreach to fill all available enrollment slots, especially those that offer:**
  - **outdoor enrichment activities**
  - **mental health support for teens**
  - **youth employment opportunities**
  - **college counseling**

# Fall In-person Learning Updates

# Options

## In-person Instruction

- We are planning for full, in-person instruction, 5 days a week, for all students.
- The first day of school is August 9, 2021 (*pending Board of Education approval*)
- Middle and high schools will operate on a semester model.

## Distance Learning Option

Still working on details, the following seems clear:

- Families will more than likely have to unenroll from their current school to enroll in a distance-only option. Students cannot be enrolled in more than one school at a time.
- Families can opt back into in-person learning at set times.
- Families who opt into distance learning are not guaranteed a spot back at their previous school

Families will not have to make a binding decision until later this summer.
