**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer

**Meeting Date** June 23, 2021

**Subject** Memorandum of Understanding 2021-2022 – Girls Inc. of Alameda County - After School Program – Burckhalter Elementary School

**Ask of the Board** Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and Girls Inc. of Alameda County, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Burckhalter Elementary School's comprehensive After School Program, for the period of August 1, 2021 through July 31, 2022, in an amount not to exceed \$98,725.00.

**Background** The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

**Discussion** This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

**Fiscal Impact** After School Education and Safety (ASES) Grant/Resource 6010 in the amount of \$98,725.00

**Girls Inc. of Alameda County**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **Girls Inc. of Alameda County** ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **105 Burckhalter Elementary School** under the following grants:

- After School Education and Safety Program ("ASESP")
- California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2021 through July 31, 2022. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of** California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21<sup>st</sup> CCLC grant award amount for **Girls Inc. of Alameda County** is **\$ 98725.00**. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.88 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.88 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 98725.00** in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2021-2022").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**Program Fees.** The intent of the ASES and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21<sup>st</sup> Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

| SECTION 2: PROGRAM OPERATIONS<br>Average Daily Attendance, Program Dates, Minimum Days & Enrollment   |  |      |          |
|---|--|------|----------|
| <p>To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.</p>  |  |      |          |
| Projected daily attendance for 2021-2022 school year program.   |  |      | 83       |
| Program Operations for the 2021-2022 school year, First Day: August 9, 2021 Last Day: May 26, 2022  |  |      |          |
| UPDATED ED CODE:  | <p>Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. This should be uploaded no later than 5 business days after the closure day.</p> |      |          |
| Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).   |  |      |          |
| 1st:  | 10/29/2021   | 2nd: | 4/8/2022 |
| 3rd:  | 5/26/2022  |      |          |
| <p><b>Minimum Days.</b> When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.</p> |  |      |          |
| Projected Number of Minimum Days for School Year 2021-2022:   |  |      | 42       |
| <p>Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?</p>   |  |      |          |
| <p>Girls Inc. will cover the costs to cover all additional program hours caused by minimum days. This will ensure that program starts directly after school and until 6pm daily.</p>  |  |      |          |

## ENROLLMENT PROCESS & TIMELINE

### Instructions:

Please navigate to the folder for the your school. Once inside the folder, click the pencil button in the top right corner. After the dropdown list appears, select 'Upload or Import'. Next, click on the drag or browse window and upload the Enrollment Timeline file. Please name your file in this format: SchoolName\_EnrollmentTimeline

Please check the box below after completing the above instructions

☐ Enrollment Timeline has been uploaded to Program Plan folder

*Important dates to include in your timeline*

**April - June:** Spring enrollment for 2021-2022 programs.

Families will be notified of 2021-2022 after school enrollment before the **last day of school**, May 27, 2021.

After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.

**August - September:** new school year enrollment of families for remaining program slots.

Remaining program slots will be filled by **September 30, 2021**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year

All programs must maintain **waitlists** after program slots are filled.

CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Make sure to include a description of 1-3 enrollment priorities that will be made public and why.

**\*\*This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment process. Describe how your school will identify and recruit students beginning of Spring 2021. Indicate how families will be notified of 2021-2022 enrollment before the last day of school.**

### SECTION 3b: PROGRAM MODEL (Continued) Average Daily Attendance, Program Dates, Minimum Days & Enrollment

#### Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal *McKinney-Vento Homeless Assistance Act* (42 U.S.C. Sec. 1143a), who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. *Subtitle VII-B of the McKinney-Vento Homeless Assistance Act* (42 U.S.C. § 11431 et seq.)
  - Establishes the definition of homeless used by schools
  - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
  - Provides for educational access, stability, and support to promote school success
  - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year?

7

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

Our program will set aside 5 spaces in the program for students whose families submit a Golden Ticket, as well as continuously prioritize enrollment of these students in the program throughout the year if the initial spaces fill. Our program will have a family handbook amendment outlining special circumstances and accommodations for Golden Ticket youth/families. Our Program Coordinator and Manager will work with the school (Principal, Quality Support Coach and/or other identified school personnel), OUSD Expanded Learning Office and McKinney-Vento Office to identify students who are high need and what supports (academic, SEL, language, attendance, etc.) are needed both in transitioning into the program and once they are in program. As with all youth we enroll into the program, participant updates will be discussed and assessed regularly/as needed (while maintaining necessary confidentiality) at collaborative meetings to ensure that both after school program and school day staff are supporting students' successes, areas of concern, and/or additional supports needed to aid their success in program. Modification to attendance policies will be made for students whose families have received a Golden Ticket, based on student & family needs, to ensure that they are not removed from the program in the case of poor attendance or leaving the program early. Our Program Coordinator/Manager will collaborate to create attendance incentives and plans for students to encourage and support increased school and program attendance.

### SECTION 4: PROGRAM COMPONENTS

CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3(c)(7))

Educational and Literacy Component that includes tutoring/

Describe how the after-school program will provide the educational & literacy component.

#### Respond Below:

Our after-school program will provide one hour daily of literacy intervention to increase student reading levels by at least one year as measured by SRI. Students engage with Common Core-aligned, culturally responsive, and data-informed literacy activities to provide targeted support that meet their individual literacy and social-emotional needs. Through participating in activities such as read alouds, literacy centers, Reader's Theater, academic discussions, and guided reading, students become more engaged, confident, and capable readers and writers. Students are developing comprehension and analyzation skills across the grades. Students are engaging in academic discussions using sentence starters (stems). Our internal assessment (DIBELS) is used to inform student grouping for guided reading and center differentiation for k-3. Within centers the focus is the tailored phonemic instruction of each grouping. For students in 4-

5 the book club models allows for additional support for struggling readers such as scaffolded complex content and opportunities for teacher-led close readings. The use of online platforms such as iReady and Sunset will continue to be of use to support students literacy development. As with all of the program activities we provide, our daily literacy activities have infused strategies to support the development of participants' SEL skills, providing opportunities to strengthen peer and adult relationships, take positive risks and build self-awareness and self-management.

**Homework assistance in the core subjects (language arts, math, history /social science, etc.)**

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)*

**Respond Below:**

Youth will receive academic assistance regularly with a focus on creating a productive learning environment through component specific group agreements that emphasize a growth mindset, prioritization and planning as well as encouraging peer support and collaboration, Program staff will receive training on the Girls Inc. asset based approach to academic assistance which includes intentional praise, acting as a 'guide on the side' for learners and highlighting process over products to support academic growth. As a literacy based program, regular program activities will focus on building literacy skills, youth will be encouraged to include time spent reading during other program activities as a part of their reading logs as applicable so that other homework time can be focused on other core subjects.

**Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)**

How does the after-school program choose which educational enrichment activities are offered? *(Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)*

**Respond Below:**

After school program selects educational enrichment components that will give youth the opportunity to explore diverse, engaging, culturally and developmentally appropriate activities designed with youth development principals to meet physical, social and cognitive needs. Enrichment classes will occur daily Mon.-Fri. for 45 minutes. Enrichment activities include: **1) Bodies in Motion** - provides physical activity, nutrition, health and wellness strategies, while teaching youth to take care of their bodies through motor skill development activities. **2) Clubs** - includes hands-on enrichment and community building activities to meet the unique needs, interests and group dynamic of each class. **3) Leadership** - a participatory approach for youth to learn about leadership qualities, community leaders, respecting their community, exploring problems, resources, and strategies to be change agents. **4) STEAM (Science, Technology, Engineering, Art and Math)** - provides high-quality, hands-on learning to build youth confidence in understanding Math concepts, applying design skills, improve academic success and boost interest in STEM while integrating the arts.

**Physical Activity** other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)

CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not 'free play' or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity).

- Plan and evaluate (review fitness test results, track minutes, etc.)
- Include a variety of activities throughout the year

Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)

**Respond Below:**

In addition to the Bodies in Motion component mentioned above, which will occur once per week for 45 minutes and provide physical activity, nutrition and health and wellness strategies, while teaching youth to take care of their bodies through motor skill development activities, the after school program will provide 30 minutes of structured recreation daily Monday-Friday. Structured recreation will occur near the start of the program and facilitators will each provide sports and fitness activities that students will vote on and rotate every 5-7 weeks. Youth will be able to participate in various activities that will give them access to both traditional sports/ activities that they are familiar with as well as activities that they would not normally have access to or opportunities in which to participate.

Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.

Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?

**Respond Below:**

We provide opportunities to promote literacy and other educational services to families in a number of ways. Each year, our schools host a Family Read Night—dedicated to supporting literacy. At the event, we provide resources to families on how to promote and engage with literacy at home. Our programs also host Family Showcases, where students display or perform elements of the literacy program to families as a way to show what they have learned in the after-school program. In collaboration with our Pathways Counseling Center, we also host Family Communication Nights at our sites, where families learn how to communicate with their youth with issues that arise at school, such as bullying and handling emotions.

#### Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

#### OUSD Student Learning Goals:

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals? (Choose 2-3 to focus on for the 2021-22 School Year)

#### Respond Below:

Girls Inc. programing will support by emphasizing vocabulary development, and reading comprehension through exposure to complex texts in read alouds with extension activities that align with common core standards and help students make meaning, discuss ideas and write about literature. All program staff are trained on and use ELL best practices in facilitation, literacy intervention and youth development that support students' language acquisition, emotional safety and SEL skills.

Girls Inc. will emphasize STEM in their enrichment programming to support students in deepening their understanding of cause and effect, strategic thinking skills and expand their critical thinking skills.

To support with reducing chronic absenteeism, Program Coordinators will work with school leadership teams (eg: COST, Attendance Team) through communication with the principal, admin staff, Community Schools Manager, Family Liaison and QSC to be a part of interventions for students at risk of chronic absenteeism. After school program will incentivize attendance and leverage relationships with students and families to keep youth engage in school.

#### SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the *Quality Standards for Expanded Learning in California*—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

#### TRUTH

What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.

#### Respond Below:

Our retention speaks to our students' sense of belonging and enjoyment in our program. After our program ended one day in October, a 1st grade parent (father) joined our zoom meeting as our team was debriefing the day. The parent profusely thanked us for our hard work and effort put towards the after school program. He stated that his daughter is always eager to attend the after school program and that it is often the highlight of her day. She is constantly reminding him of what she needs to be prepared for each Friday's theme. Additionally, he was impressed with the literacy class and discussions around the "Quote of the Day" that he's heard thus far. Despite spending a large amount of time on a screen during day school, students are eager to attend the after school program to engage with the activities offered. After school programs matter!

When students return as a whole group from their respective breakout rooms, a reflection question is given to the entire group. On this particular day in February, students were asked, "What is your favorite part of the after school program?" I expected most students to reply with some ice breaker game/activity such as a scavenger hunt, charades, verus battles, name that sound, or Fun Friday themes. Surprisingly to me, most students said their breakout rooms were their favorite part of the after school program. This tells me that it's not the cool games, jokes, and theatrical opening & closing that the students enjoy most. It is the fascinating literacy learning that's happening in the breakout rooms that students enjoy most about our program. This says volumes about the relevant curriculum being developed by Girls Inc. and appealing facilitation by program leaders. After school programs matter!

**HOPE**

*What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?*

**Respond Below:**

The dream for our remote program was to create a fun, safe, child-centered space where students can improve their literacy skills and instill/increase their love of reading while building their overall confidence & self-esteem.

The dream was also to provide engaging STEM curriculum that would spark their curiosity/interest in STEM related careers. Keeping in mind the larger goal of decreasing the gap of women & POC in STEM related fields.

The dream was to create a learning community with loving, caring, and trusting adults wanting to support each students' whole self in planning and actualizing their full potential.

**CHANGE**

*What steps will be taken to make the shifts needed to realize the HOPE identified above?*

**Respond Below:**

Our biggest shift this year was switching agencies to Girls Inc. as our after-school provider. Girls Inc.'s infrastructure and resources have provided us with staff rigorous training and coaching to build their professional capacity to facilitate engaging literacy curriculum and develop intentional lesson plans.

To create a safe, fun, child-centered space, we shifted our opening and closing of the program to reflect an interactive game show. Our opening and closings now offer stimulating activities such as icebreakers/games, "Questions of the Day", educational videos, "Joke of the Day", Fun Friday themes and raffles, plus much more.

The start of consultation has helped our team utilize a more trauma-informed and SEL approach while teaching our young people.

Moving forward, we aim to create more opportunities for students to lead activities and have more voice in selecting activities. We are aiming to provide staff with more chances to observe the facilitation of the literacy curriculum by

more experienced program leaders.

Due to lack of knowledge and experience with coding, program leaders were challenged by the STEM curriculum which then transferred into low engagement from students. A shift will be made by increasing the support with coaching and training of Program Leaders to successfully engage and excite students with the STEM curriculum. An example will be to provide training minimally one month before facilitation of curriculum begins. This will build the program leaders' confidence by giving them ample time to review the curriculum and practice with the concepts and projects.

#### CURIOSITY

*What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.*

#### Respond Below:

How can we support Program Leaders develop more creative and intentional extension activities to supplement literacy lessons/curriculum and Enrichment? What are the conditions that GI sets-up to support staff to be creative and to be their best self?

How can we acknowledge and celebrate accomplishments of goals by our team, Program Leaders, and students?

It is critical that the After-School Site Coordinator has access to facility keys in order to ensure safety after school should a lockdown or lockout be needed. Will the After-School Program **have access to facility keys** for all areas where after school programming occurs?

Yes ☒ No ☐

If no, indicate how the school campus will be secured if crisis should occur during after school hours and if lockdown is necessary:

#### SSO Staffing

##### Check One:

- ☒ Site will utilize after school and/or school day funds to pay Extra time/Over time (ET/OT) for an after school SSO.
- ☐ Site does not need an SSO.
- ☐ Site does not have the resources to fund an after school SSO.

## 2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

**Modification Program Plan:** Given the uncertainty of the school reopening model, this document will:

- Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.
- Support collaboration with schools and Lead agencies to determine their reopening plans.

### Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

### Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

**Possible modified program models:**

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
  - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
  - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

### **GUIDING QUESTIONS - Staffing**

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

☐ How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

1

☐ How many part-time employees?

4

☐ How many hours do the part-time employees work?

26 Hrs

☐ Does the program have subcontractors that provide service?

no

#### MODIFIED SCOPE OF WORK

Please Indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

##### Distance Learning :

- ☒ Expanded Learning staff will be generally present (via Zoom) from \_\_am/pm to \_\_am/pm
- ☐ Expanded Learning staff will virtually support 1:1 with a student(s) \_\_ groups of students \_\_.
- ☒ Expanded Learning staff will virtually support teachers directly.
- ☒ Expanded Learning staff will lead and facilitate programming independently of the school day
- ☐ Expanded Learning staff will assist with specific subjects.

List subjects below:

Please briefly describe how the program will support distance learning:

After-school program will provide daily program through zoom generally from the hours of 3:00 pm to 4:30 pm. Our after-school program will provide 45 minutes daily of virtual literacy intervention to increase student reading levels by at least one year as measured by SRI. Students engage with Common Core-aligned, culturally responsive, distance learning pedagogy aligned, and data-informed literacy activities to provide targeted support that meet their individual literacy and social-emotional needs. In addition to literacy support our after-school program will provide daily enrichment activities of 20 minutes per day. Daily enrichment activities will give youth the opportunity to explore diverse, engaging, culturally and developmentally appropriate activities designed with youth development principals to meet physical, social and cognitive needs. 1-2 times per week, staff will facilitate Bodies in Motion which provides virtual physical activity, nutrition, and health and wellness strategies, while teaching youth to take care of their bodies through motor skill development activities. We will be working with school day staff to identify areas of additional academic support needed during school day instruction. As with all of the program activities we provide, our daily literacy activities have infused strategies to support the development of participants' SEL skills, providing opportunities to strengthen peer and adult relationships, take positive risks and build self-awareness and self-management.

##### In-person Modified by State and County Health Guidelines:

- ☐ Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- ☒ Expanded Learning staff will provide programming for 3 hours after the school day ends.
- ☐ Expanded Learning staff will provide distance learning support for student or 1:1 tutoring Expanded Learning staff will support in-person students daily
- ☒ Expanded Learning staff will virtually support students on days when all students are virtual

### SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- ☐ PBIS
- ☐ Staff Meetings
- ☐ Grade level Collaboration
- ☐ COST

If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified? (i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) What are the steps/considerations for the transition?

We would need to discuss space allocation to ensure appropriate ratios, timeline of when and the hours of if adjusting from remote to in person, recruitment for students who may need afterschool support, and access to PPE. The site team will have monthly meetings including the Principal, Site Coordinator and Agency Director. The site team will do 'walk throughs' of both school day and after school classes to support alignment in learning goals and culture/climate by creating opportunities for feedback and discussion on how to create more alignment. Based on these conversations and the guidelines provided by the state/county/OUUSD, the team will determine what kind of support after school staff could provide in a hybrid model and whether or not it would align with the ASP role in moving forward the district priorities and SPSSA goal as outlined in the program plan. If an appropriate role could be filled by ASP staff in the case of hybrid or learning pods, the next step would be to determine the capacity of the site staff to fulfill that role including, the impact on their personal safety/comfort, their schedule/hours and the flexibility within that if a time shift is needed, as well as the training and support that would be required for a transition to in-person from fully remote.

### EAST BAY REGIONAL PARK DISTRICT

#### WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Middle School Sports Release of Liability and Assumption of Risk

**OAKLAND UNIFIED SCHOOL DISTRICT AND \_\_\_\_\_**  
**20\_\_-20\_\_ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES**

**RELEASE OF LIABILITY AND ASSUMPTION OF RISK**

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), \_\_\_\_\_, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and \_\_\_\_\_ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. As parent/guardian, I certify that my child is physically fit and medically able to participate in the Middle School Sports League activities and that parent/guardians have not been advised otherwise by a qualified medical person. I authorize OUSD, \_\_\_\_\_, or Middle School Sports League staff to furnish and/or obtain emergency medical treatment which may be necessary for me or my child during Middle School Sports League activities. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or \_\_\_\_\_ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, \_\_\_\_\_, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

#### 1. Additional Insured by Contract, Agreement or Permit

The following is added to **SECTION II – WHO IS AN INSURED**:

##### Additional Insured by Contract, Agreement or Permit

- a. Any person or organization with whom you agreed in a written contract, written agreement or permit that such person or organization to add an additional insured on your policy is an additional insured only with respect to liability for "bodily injury", "property damage", or "personal and advertising injury" caused, in whole or in part, by your acts or omissions, or the acts or omissions of those acting on your behalf, but only with respect to:

(1) "Your work" for the additional insured(s) designated in the contract, agreement or permit;

(2) Premises you own, rent, lease or occupy; or

(3) Your maintenance, operation or use of equipment leased to you.

- b. The insurance afforded to such additional insured described above:

(1) Only applies to the extent permitted by law; and

(2) Will not be broader than the insurance which you are required by the contract, agreement or permit to provide for such additional insured.

- (3) Applies on a primary basis if that is required by the written contract, written agreement or permit.
- (4) Will not be broader than coverage provided to any other insured.
- (5) Does not apply if the "bodily injury", "property damage" or "personal and advertising injury" is otherwise excluded from coverage under this Coverage Part, including any endorsements thereto.
- c. This provision does not apply:
- (1) Unless the written contract or written agreement was executed or permit was issued prior to the "bodily injury", "property damage", or "personal injury and advertising injury".
- (2) To any person or organization included as an insured by another endorsement issued by us and made part of this Coverage Part.
- (3) To any lessor of equipment:
- (a) After the equipment lease expires; or
- (b) If the "bodily injury", "property damage", "personal and advertising injury" arises out of sole negligence of the lessor
- (4) To any:
- (a) Owners or other interests from, whom land has been leased which takes place after the lease for the land expires; or
- (b) Managers or lessors of premises if:
- (i) The occurrence takes place after you cease to be a tenant in that premises; or
- (ii) The "bodily injury", "property damage", "personal injury" or "advertising injury" arises out of structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor.
- (5) To "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services.
- This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" or the offense which caused the "personal and

advertising injury" involved the rendering of or failure to render any professional services by or for you.

- d. With respect to the insurance afforded to these additional insureds, the following is added to **SECTION III - LIMITS OF INSURANCE**:

The most we will pay on behalf of the additional insured for a covered claim is the lesser of the amount of insurance:

1. Required by the contract, agreement or permit described in Paragraph a.; or
2. Available under the applicable Limits of Insurance shown in the Declarations.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

## 2. Additional Insured - Primary and Non-Contributory

The following is added to **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 4. Other insurance:

### Additional Insured - Primary and Non-Contributory

If you agree in a written contract, written agreement or permit that the insurance provided to any person or organization included as an Additional Insured under **SECTION II - WHO IS AN INSURED**, is primary and non-contributory, the following applies:

If other valid and collectible insurance is available to the Additional Insured for a loss covered under Coverages A or B of this Coverage Part, our obligations are limited as follows:

#### a. Primary Insurance

This insurance is primary to other insurance that is available to the Additional Insured which covers the

Additional Insured as a Named Insured. We will not seek contribution from any other insurance available to the Additional Insured except:

- (1) For the sole negligence of the Additional Insured;
- (2) When the Additional Insured is an Additional Insured under another primary liability policy; or
- (3) when b. below applies.

If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

INSURED: Girls Inc of Alameda County

POLICY #: ZBFD96424401

POLICY PERIOD: 07/01/2020

TO 07/01/2021

**b. Excess Insurance**

- (1) This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
  - (b) That is Fire insurance for premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner;
  - (c) That is insurance purchased by the Additional Insured to cover the Additional Insured's liability as a tenant for "property damage" to premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner; or
  - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**.
- (2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.
- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
  - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
  - (b) The total of all deductible and self insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part

**c. Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each

insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers

**3. Blanket Waiver of Subrogation**

The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 8. **Transfer Of Rights Of Recovery Against Others To Us:**

We waive any right of recovery we may have against any person or organization with whom you have a written contract that requires such waiver because of payments we make for damage under this coverage form. The damage must arise out of your activities under a written contract with that person or organization. This waiver applies only to the extent that subrogation is waived under a written contract executed prior to the "occurrence" or offense giving rise to such payments.

**4. Bodily Injury Redefined**

**SECTION V – DEFINITIONS**, Definition 3. "bodily injury" is replaced by the following:

3. "Bodily injury" means bodily injury, sickness or disease sustained by a person including death resulting from any of these at any time. "Bodily injury" includes mental anguish or other mental injury resulting from "bodily injury".

**5. Broad Form Property Damage – Borrowed Equipment, Customers Goods, Use of Elevators**

- a. **SECTION I – COVERAGES, COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, Paragraph 2. **Exclusions** subparagraph j. is amended as follows:

Paragraph (4) does not apply to "property damage" to borrowed equipment while at a jobsite and not being used to perform operations.

Paragraphs (3), (4) and (6) do not apply to "property damage" to "customers goods" while on your premises nor do they apply to the use of elevators at premises you own, rent, lease or occupy.

- b. The following is added to **SECTION V – DEFINITIONS**:

24. "Customers goods" means property of your customer on your premises for the purpose of being:
