MEMORANDUM

TO: Oakland Unified School District

FROM: Phillip J. Goldberg, Esq.

DATE: June 23, 2021

RE: Memorandum Regarding Results of Fingerprint Search

This Memorandum will memorialize the understanding between Pediatric Multispecialty Medical Group, Inc. ("PMMG") and the Oakland Unified School District ("OUSD") with respect to the fingerprinting of the following employees of PMMG that will provide services at OUSD facilities:

Arash Anoshiravani
Gaspar Rivera
Nooshin Razani
Zarin Noor
Angela Venturelli
Jenifer Matthews

Tamita Robinson
Celeste Allen
Lela Bachrach
Gina DeAngelis
Javay Ross

We understand that securing copies of employee's fingerprints is required to allow them to provide services at OUSD facilities and that when the fingerprints are secured various databases will be searched to determine if the fingerprints match any individuals identified in the database that might provide a threat to OUSD or its students. PMMG understands and agrees that OUSD will be the sole custodian and recipient of any and all results from the search conducted after the fingerprints have been secured.

If OUSD accepts this understanding, please sign a copy of this memorandum and return it to me.

Statement of Qualifications – UCSF Benioff Children's Hospital Oakland

Overview

For nearly 100 years, UCSF Benioff Children's Hospital Oakland has been delivering exceptional medical care to children from all regions of California. Children's is dedicated to providing shared care from a comprehensive team of highly trained board-certified pediatric specialists, nurses, technicians and therapists to ensure the right treatment from the start. Children's teen health centers are specifically designed to overcome the barriers that may discourage adolescents from utilizing health services and are staffed by experienced health professionals who are trained to work with adolescents. Children's mission is to protect and advance the health and well-being of children through clinical care, teaching and research.

Services

Young people need a teen friendly medical home where they can feel safe and comfortable accessing healthcare. The Children's team has a breadth of experience needed to treat not only medical concerns of teens, but also any social or emotional issues that may affect their well-being. Each of our teen health sites serves as a national model for adolescent healthcare and Children's Adolescent Medicine works within the community to individualize and streamline each patient's access to services and educational tools. Children's services include the following:

- Health Evaluations and Preventative Care: immunizations, general exams
- Sports Physicals & School Physicians
- Chronic Medical Conditions: asthma, obesity, eating disorders
- Mental Health: individual, group and family therapy
- Reproductive Health: family planning, diagnosis of pregnancy, decision-making and sexually transmitted infection management
- Physical and Sexual Assault: evaluation and management
- Substance Use
- Education for patients and families about multiple issues including nutrition and healthy lifestyles
- Mental health consultation for educators, administrators and school staff
- Professional development for educators, administrators and school staff
