Community Relations

Use of School Facilities

The Governing Board recognizes that district facilities are a community resource whose primary purpose is to be used for school programs and activities. The Board authorizes the use of school facilities by community groups for purposes provided for in the Civic Center Act when such use does not interfere with school activities.

(cf. 6145.5 - Student Organizations and Equal Access)

All school-related activities (clubs, class events etc.) shall be given priority in the use of facilities under the Civic Center Act. Thereafter, the use of facilities shall be on a first-come, first-served basis.

Joint Use Agreement gives City of Oakland and Park and Recreation Department second priority after school District.

Community youth groups shall have third choice and other community organizations or agencies shall have fourth priority.

The Board believes that the use of school facilities should not result in costs to the district. The Board shall charge at least direct costs to all groups granted facility use under the Civic Center Act. Additionally, no charge will be levied against organizations clubs, or associations organized to promote youth and school activities if they are conducted during the normal work hours and do not otherwise require overtime by District staff.

Other groups requesting the use of school facilities under the Civic Center Act shall be charged at least direct costs.

Fair Rental Value

Groups shall be charged fair rental value when using school facilities or grounds for entertainment or meetings where admission is charged or contributions solicited and net receipts are not to be expended for charitable purposes or for the welfare of the district's students. (Education Code 38134)
