# Listening to Student Voice

# Youth Thoughts

"I feel like in person school is going well with Covid in mind"

"I am feeling still scared because not a lot of things have changed, but I still come to school because of my education."

"I feel like the vaccine should be a requirement for in-person learning"

"Honestly i don't know how to feel about the vaccine because people say it's bad but it's good so I'm still unsure"

"i think the protocols are decent but can do better"

"People should be MANDATED to take the covid TEST at least once a week"

"Honestly, I'm scared to get tested, but i will whenever necessary"

"I think the vaccine is not so safe because it protects us but doesn't free us at all"

"im not worried about COVID so im not testing"

"The vaccine is a no for me. don't trust it"

"I feel good because the COVID vaccine is being helpful."

"I feel that they are not enforced people don't wear their mask in class"
