2021-22 MEASURE N JUSTIFICATION FORM

To expend Measure N funds, the expenditures must meet the 5 criteria below:

1. Be incorporated in the Measure N Education Improvement Plan (EIP) that was approved by the Measure N Commission and the OUSD Governing Board.
2. Align to the purpose of the Measure N initiative.
3. Incorporate all four pillars of Linked Learning and logically lead to the Measure N Outcome Goals.
4. Be aligned to the Measure N Permissible uses.
5. Not supplant existing programs, positions, or expenditures at the school site that were previously supporting the Measure N Goals and Outcomes or overall school programming.

Please Note:

- This form is required for *all purchases* from Measure N excluding FTEs.
- Do not simply copy and paste the justification from your EIP on this form. *Your responses are in addition to the justification and should identify what you're buying, why you need the items and how they're related to the class, project or assignment in your pathway.*

Date	
Site Name	
Pathway Name	
Course or Project Name	
2021-22 Measure N EIP Approved Action - Line Item #	

What is the specific expenditure, vendor, or service type? *(supplies, materials, equipment, computers, PD, conferences, consultants, Extra / Over Time, etc.)* Please include a description of the item. Specify the extra duties for ET-OT.	
How does this expenditure, vendor or service type support or align to pathway development?	
What need does this specific expenditure, vendor, or service	

type address? *Please indicate how this expenditure will improve student engagement and how many students will be served.*	

For Technology & Equipment Purchases Only:

Please explain how this technology purchase is supplemental to the technology devices and/or equipment that has already been provided by the District (Charter Management Organization for Charters).	
Will other students not enrolled in this Pathway also use this technology?	
If the same technology was purchased in the last 3 years, please explain why you need this item again.
