# Editing Board Policy 0420.4

---

Current BP primarily outlines the legal requirements for new petitions, renewals, and revocation, but may be updated to include language to frame the Board's goals as a charter authorizer in each of the following areas:

- Overall Board Policy (review potential language today)
- New petition review (review potential language today)
- Renewal determinations (review potential language today)
- Oversight (discuss existing language today)

# Review redlined language

---

- Review redlined language up to “Oversight Procedures” section (which will be discussed next)
  - **Red** text is new language
  - **Green** text is existing language that has been moved
  - **Black** text is existing language that has not been moved
- What proposed language do you want to change, keep, and/or delete?

# Current BP Oversight Language

---

- Review the existing Board Policy language that is under “Oversight” in the attached redlined version

# Discussion

---

1. What language from current OUSD BP on oversight would you want to change? Keep?
