# Areas You've Made Progress

## Assessment

- MAP testing 3 times per year vs. once
- MAP test measures student growth in Math and ELA
- Network course assessments per quarter
- IXL- Math assessment and intervention
- Creates data profiles for our academic intervention classes specifically for 9th and 10<sup>th</sup> grades.
- 2020- 2021 SBACC growth ( Math)
  - All students 5 % growth
  - ELL students 3% growth
  - RFEP students 8% growth
  - AA students growth 1 %

## Community Engagement

- Monthly virtual parent meetings for school and network updates
- Routine stakeholder engagements
- SSC with students holding offices and leading
- Robust LCAP Stakeholder Engagement

## Academic Engagement

- Two new College courses (Sociology, and Genomics)
- Two new AP courses ( AP English Literature, AP US History)
- New A-G courses (ERWC, English 12, Film, Financial Literacy, Environmental Science)
- New Block bell schedule with academic intervention and acceleration built into the school day

## Professional Development

- AntiRacist Teaching Practices
- SEL/ Identity Safety
- Equity- Using Empathy interviews to build connections

# Areas for Continued Improvement

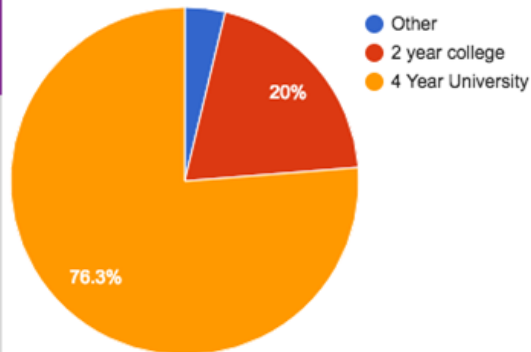

Assessment	<ul style="list-style-type: none"><li>● We have not seen growth on the ELA SBACC</li><li>● Increasing the amount of AA students we serve</li></ul>
Instruction	<ul style="list-style-type: none"><li>● Creating more opportunities for differentiated development for a younger teaching force</li></ul>
Professional Development	<ul style="list-style-type: none"><li>● Increasing the time in professional development that is aligned with student data needs,</li></ul>
