Board Cover Memorandum

To Board of Education

From Shanthi Gonzales, Board President
Sam Davis, Board Vice President

Meeting Date October 27, 2021

Subject Resolution No. 2122-0016 - Determining Whether, When, And How To Ask Voters To Reauthorize Measure N

Ask of the Board Approval by the Board of Education of 2122-0016 - Determining Whether, When, And How To Ask Voters To Reauthorize Measure N

Background Measure N, also known as the “Oakland College and Career Readiness For All Act,” was approved by Oakland voters in 2014. The Measure authorizes the levy of a fixed \$120 per-parcel tax on each taxable parcel in the City of Oakland with low income and senior citizen exemptions. No more than ten (10) percent of the funds can be spent on administrative costs. By its terms, Measure N expires June 30, 2025.

The purpose of Measure N is “to pay for the implementation of a comprehensive approach to high school education in Oakland that integrates challenging academics with career-based learning and real-world work experiences” and to “create[] small learning communities of career-oriented pathways, and offer[] intensive, individualized support to create the conditions for all students to graduate high school prepared to succeed in college and career.” The Measure has five goals:

- Decrease the high school drop-out rate,
- Increase the high school graduation rate,
- Increase high school students’ readiness to succeed in college and career,
- Increase middle school students’ successful transition to high school, and
- Reduce disparities in student achievement and student access to career pathways based on race, ethnicity, gender, socio-economic status, English Learner-status, special needs-status, and residency.

Discussion Under this Resolution, the Board would declare its intent to place a parcel tax on the 2022 or 2024 General Election ballot that would continue the purpose of Measure N. The Resolution would direct the Superintendent or designee to bring forward a recommendation to the Board by April 2022 regarding whether such a parcel tax should be placed on the 2022 or 2024 General Election ballot. The Resolution would further direct the Superintendent or designee to make recommendations with respect to the

following: tax rate structure; inflation escalator; sunset date or evergreen; school allocation formula; permissible uses; and incentives for pathway participation.

The Resolution permits the Superintendent to effectuate this Resolution by contracting with consultants to conduct a voter poll and/or to provide advice on communication and outreach strategies, convening stakeholders to solicit ideas and feedback, and consulting with the Measure N commission itself.

This item was introduced as a new legislative matter on October 13, 2021. It now comes back to the Board for action.

Fiscal Impact None directly by this Resolution. However, the Resolution does direct the Superintendent or designee to bring forth contracts with a voter survey consultant and a communications consultant. These contracts for what became Measure Y totaled \$171,000. This includes the cost of a second voter survey, which was commissioned because the first voter survey was done prior to the onset of the pandemic. Without that second voter survey, the total cost would have been \$138,000.
