

Dear Network Superintendents and Principals:

At their September meeting, members of the LCAP Parent and Student Advisory Committee (PSAC) hosted a detailed presentation and dialogue about the use of Covid relief dollars in OUSD. Stemming from that dialogue and from widespread appeals for similar discussions about Covid-relief investments by members of School Site Councils, we are reaching out to you for support. The PSAC is seeking to implement an engagement activity that was developed in collaboration between LCAP PSAC members and OUSD staff.

The activity is a segment at an October or November School Site Council meeting to discuss districtwide and school-specific Covid relief investments and to gather additional feedback from SSC members.

The segment would include:

1. Review of slides about Covid-relief investments from the 9/29/21 LCAP PSAC meeting

2. Review of the school's Covid-relief allocations as detailed in the linked spreadsheet. (See the green colored section of the "Summary" tab and the "Covid" tab.)

5. Gathering of contact information from the SSC Chair and SSC Vicechair for future engagement with the LCAP PSAC and OUSD staff about LCAP investments, including use of Covid relief dollars
