[18-1729 Resolution No. 1819-0007 - District's Capital \(Facilities\) Program - Revised Spending Plan - August 2018 \(8/22/18\)](#)

Chairperson Jody London stated the purpose for today's meeting is to discuss Facilities Staff proposed Capital Program spending plan revisions.

Timothy White, Deputy Chief for Facilities Planning and Management, made the staff presentation on the District's Capital Program and Proposed Spending Plan Changes of Measures B & J.

Background

The District is committed to more spending than it can afford. One of the issues is the huge increase in costs for committed scope of work. Staff presented proposed changes to the June 2018 Spending Plan totaling \$123 Million.

White's presentation included criteria for project deferral; proposed budget reductions; and funding reconciliation of the 2018 project list.

Facilities Staff recommended criteria for project deferral include: To make cuts furthest away from the classroom; cut from projects not yet in construction; and projects with the least harm to overall District and Facilities Program. Categories include a reduction in scope, budget, and deferment to a future bond
