

## Legislation Details (With Text)

**File #:** 12-1628      **Version:** 1      **Name:** California State Legislature - Endorsement - Legislative Bills SB 843, SB 1458 and AB 1186

**Type:** Motion      **Status:** Passed

**File created:** 6/13/2012      **In control:** Board of Education

**On agenda:**      **Final action:** 6/13/2012

**Enactment date:** 6/13/2012      **Enactment #:** 12-1483

**Title:** Adoption by the Board of Education of endorsement or support of the following California Assembly Bills:

SB 843 - This bill seeks to establish an innovative new program which allows local governments, businesses, residents and schools to invest in cost effective clean renewable energy and create local jobs.

SB 1458 - This bill would authorize the Superintendent of Public Instruction to develop and implement a specific program of school quality review to complement the API, if an appropriation for this purpose is made in the annual Budget Act.

AB 1186 - This bill would require State Air Resources Board approved Green House Gas Emission Allowance Expenditure Plans to require 10% of the proceeds be made available for grants for certain cost-effective energy efficiency improvements for public schools providing instruction in kindergarten or grades 1 to 12, inclusive, in the individual investor-owned utility's service area. The bill would also require the plan to include measures to leverage other energy efficiency funding sources that do not adversely affect the grant program.
