Approval and support by the Board of Education of District Grant Proposal to Oakland Education Fund, a field of interest fund held at the East Bay Community Foundation, Oakland, CA, to assist in the building of the foundation for a Pool Service Community School District in the following ways; 1. Creating equitable opportunities for learning by diversifying the pool students who are served in Advanced Placement classes, reducing current disparities in AP enrollment and success; 2. Ensuring high-quality instruction by providing professional development and collaboration time where AP teachers learn and share how best to present the AP curriculum, to design assignments, and to provide scaffolding so that all students in the class have access, as well as prepare for leading study sessions for after school and on Saturdays; 3. Prepare more students with assessing college and career and building full-service community schools that levers partnerships with external organizations like College Board to achieve shared goals, in the amount of \$113,625.06, for the period July 1, 2011 through June 30, 2012, and to accept same, if granted, in whole or in part, pursuant to terms and conditions thereof, and to submit amendments for the grant year, if any.
