Presentation by the Chief Academic Officer on America SCORES - Bay Area, a group empowering students in urban communities using soccer, writing, creative expression, and service-learning.

- SCORES helps children find their own voice through poetry and creative expression, while also helping them to be physically active and belong to a team.
- SCORES now offers programs for more than 1,000 students in San Francisco, Oakland, and West Contra Costa.
- SCORES, since 2001, continues to increase student school engagement, levels of physical activity, and students' sense of self-worth and belonging.

The Bay Area is the largest affiliate site of the America SCORES network.
