Legislation Text

File #: 14-1984, **Version:** 1

Ratification by the Board of Education of the Agreement between District and SafePlans, for the latter to assist the District in evaluating the current capabilities of certain schools to identify and address potential internal and external security threats, including those posed by criminal, environmental, and other hazards, for an initial term from September 2, 2014 through June 30, 2015, at a \$22,000.00 lump sum fee.
