File #: 08-2032, **Version:** 1

Approval by Board of Education of Amendment No. 2 to Professional Services Agreement between District and ACC Environmental Consultants, Oakland, CA, for the latter to provide additional soils testing which has been requested by the District in order: 1) to inform concerned neighbors of soil conditions (based on the earlier sampling performed by ACC, District felt that there was a low likelihood of potential issues); 2) to provide the contractor with data to allow appropriate dust mitigation and preliminary information regarding possible soil disposition in the off haul phase; 3) to closely approximate possible DTSC requirement so if they request additional samples ACC will have already obtained them in conjunction with the Chabot Portable Replacement Project in an additional amount not to exceed \$11,438.00, increasing the Agreement from \$13,980.00 to a not-to-exceed amount of \$25,418.00. All other terms and conditions of the Agreement remain in full force and effect.
