Enactment date:		Enactment #:			

Title: Presentation by District's Academic (Programmatic) staff of response to Measure G Committee's recommendations for improvements to the fund allocation process in the following areas:

1. Class size reduction - What's the impact of this spending on class size? What causes this spending to increase or decrease? It increased by over \$1 million last year.
2. Recruiting - what does our Measure G spending look like in this area?
3. Music - allocation increased significantly in 2017-18. Wondering about the rationale behind that decision; and
4. Oakland Fine Arts Summer School - looks like it received no Measure G in 2017-2018. Wondering about that change and the impact it may have had.
