Ratification by the Board of Education of a Professional Services Contract between the District and Jennifer Bloom, Oakland, CA, for the latter to provide support to the District's New Teacher Support & Development Team to ensure all early career teachers have strong mentorship from a more veteran teacher at their school site, in particular, supporting the development of a cohort of lead mentors, who will support and monitor the quality of new teacher mentoring at school sites; provide consultation and support as District's Induction Program undergoes Accreditation Review from the Commission on Teacher Credentialing, with a focus on the creation of an advisory committee, enhanced school leader engagement, and an improved process for mentor application, selection, and quality; and serve as a thought partner as the District considers the implications for new teacher support and mentoring in the context of distance/virtual learning, via Talent /Human Resources Department, for the period of March 1, 2020 through June 30, 2020, in an amount not to exceed \$46,200.00.
