Legislation Text

File #: 17-0408, **Version:** 1

Presentation to the Budget and Finance Committee, by the Superintendent of Schools or designee, and by the Public of General Feedback and Recommendations on the District's Budget Development Process and Proposed Future Meeting Topics including but not limited to:

- reflection on implementation of Board Policy 3150 and issues for further research and study;
- identification of ongoing questions and key issues related to District's budget development process and/or fiscal management that need to be revisited in future meetings; and
- proposed draft of future meeting topics and feedback.
