Legislation Text

File #: 17-0806, **Version:** 1

Acceptance by the Budget and Finance of Committee of General Feedback and Recommendations on the District's Budget Development process and Proposed Future Meeting Topics including but not limited to:

- Reflection on implementation of Board Policy 3150 and issues for further research and study;
- Identification of ongoing questions and key issues related to District's budget development process and/or fiscal management that need to be revisited in future meetings.
