Presentation to the Budget and Finance Committee of Key Updates on the 2016-2017 and 2017-2018 Budgets by Senior Business Officer, Vernon Hal, or designee, including but not limited to:

- Update on 2016-17 year end. Was the expanded spending limitations protocol and additional strategies successful in achieving desired results?
- Preview of information in the Third Interim prior to presentation to Board of Education
- New information from the Governor's May Revise report pertinent to budget development
- Timeline and Updates to 2017-2018 budget development. Clearer understanding of the timeline to identify if additional reductions will need to be identified for next year; If so, when and how will those decisions be made?
