Legislation Text

File #: 17-1318, **Version:** 1

Adoption by the Board of Education of a position of "Support"* for Assembly Bill 1506 (Bloom) - Residential Rent Control: Costa-Hawkins Rental Housing Act - repealing certain statewide limits on the application of local rent control with regard to certain properties, which would potentially align with the District priority to explore affordable housing options for its employees.

*Today's action is a change from "No Position" on the Bill, adopted in Resolution No. 1617-0165, April 12, 2017 (Legislative File 17-0775, Enactment No. 17-0404).
