Legislation Text

File #: 17-2099, **Version:** 4

Report by Superintendent or designees to the Budget and Finance Committee on the following but not limited to:

- Superintendent provides context and background for budget challenges in 2016-2017 and 2017-2018 School Year
- Receive updates and provide feedback on Superintendent's draft plan to increase savings and decrease expenditures to meet target goals of budget adjustments
- Address questions and concerns on process and proposed cuts directly to the Superintendent and Senior Business Officer
- Hear from key stakeholders about the potential impact of proposed cuts at school sites and central staff on students
- Confirm timeline and next steps for meetings and decisions
