Legislation Text

File #: 17-2542, **Version:** 1

Ratification by the Board of Education of a Professional Services Contract between the District and The Teaching Well, Sonoma, CA, for the latter to design and facilitate trainings for elementary and secondary staff wellness champions, other teachers and staff from school sites that sets up the schools to have meaningful conversations around self-care and burn out prevention, secondary trauma and its effects, and create practices that help the entire school work together on building a healthier environment for staff and their well-being; to be a thought partner to the Health and Wellness Unit on design of a staff wellness model and programming that supports staff wellness across the District, via the Community Schools and Student Services Department, for the period of November 1, 2017 through June 30, 2018, in an amount not to exceed \$7,500.00.
