Project Activities

Scope of Work

- Site improvements including landscaping, fences, parking lots, and driveways on the 2.6-acre site.
- An accessory structure located on the southwest corner of the site.
- Demolition of existing structures including the single-story 6,400 S.F. building, the two-story 44,999 S.F. building, and the single-story portable building.
- The Board approved modification of the existing drawings to only build out the 2nd floor of the 2-story building. The multi-purpose building was also removed.

Project Completion Percentage

- As Of Date:
- Overall Project Completion: XX percent
- Budget Expended: XX percent
