## Proposed Expenditures

### Guidelines

1. In the following sections, please discuss your team's plan to address the goals of G1:
  - a. Increase access to courses in arts, music, and world languages in grades 6-8.
  - b. Improve student retention during the transition from elementary to middle school.
  - c. Create a more positive and safe middle school learning environment.
2. Please explain how you plan to use the Measure G1 funds to meet the goals, as measured in the METRICS section of this proposal.
3. Add additional lines as needed.

4. The total of all items should equal the amount listed in "Recommended Grant Amount" on page 1
5. Expenditures must supplement, not supplant expenditures made from other funding sources. In other words, Measure G1 funds must be used for new expenditures, expenditures already funded from Measure G1, expenditures previously paid for by a funding source that has ended, or to pay for an expenditure that would have been cut, were it not for Measure G1 funds.
