BUDGET ACTION NUMBER	BUDGET JUSTIFICATION	соѕт	OBJECT CODE	OBJECT CODE DESCRIPTION	POSITION TITLE	FTE	WHOLE SCHOOL / PATHWAY NAME
232-1	Teacher Salaries: Hire a Computer Science Pathway Teacher, at 1.0 FTE. This teacher will teach the 9th grade pathway course web design to our expanded 9th grade cohort (128 students) as they enter our pathway. This teacher will also teach the 10th grade pathway course- AP Computer Science Principles. This is a new position; hiring two teachers is a strategic action as we are expanding our pathway into the 9th grade in 22-23. PCN 8783 Dominique Brassey	\$88,287.87	1105	Teacher Salaries	Computer Science Pathway Teacher	1.0 FTE	Community Leadership and Innovation Pathway
232-2	Teacher Salaries: Hire a Computer Science Pathway Teacher, at .7 FTE. This teacher will teach the 9th grade pathway course web design to our expanded 9th grade cohort (128 students as opposed to 70) as they enter our pathway. This teacher will also teach the 10th grade pathway course-AP Computer Science Principles. This was a new position in 2022-23; hiring two teachers is a strategic action as we expanded our pathway into the 9th grade in 22-23. This position will be funded at a total of 0.9 FTE when combined with Strategic Carryover funding. PCN 8576 Sarah Carter	\$66,426.29	1105	Teacher Salaries	Computer Science Pathway Teacher	.70 FTE	Community Leadership and Innovation Pathway
232-3	Classified Support Salaries: Hire an College and Career Readiness Specialist, at .50 FTE. The College and Career Readiness Specialist is designed to support students in aligning their work in school with opportunities outside of school including summer programs and other enrichment opportunities. Specifically, CCPA would like to support students in using their base in design thinking, makerspace and engineering in exploring related programming in the trades. Additionally, we will continue to align our work with other computer science education programs through tech companies. Our goal is to have all students engaged in their learning and seeing a through line to a future job or educational opportunity that they are excited about pursuing. PCN 7378 Naomi Montenegro-Alarcon (Salary & Benefit costs included)	\$46,954.59	2205	Classified Support Salaries	College and Career Readiness Specialist	.50 FTE	Community Leadership and Innovation Pathway
232-4	Classified Support Salaries: Hire a 10-month Case Manager at .75 FTE. The Case manager will provide student support to students in our pathway including conflict mediation, RJ processes and social and emotional supports to help students fully and properly engage in their learning as much as possible. PCN 9589 Diana Santillan	\$67,781.25	2205	Classified Support Salaries	Case Manager 20	.75 FTE	Community Leadership and Innovation Pathway

School Name:	Coliseum College Preparatory Academy		232
Pathway Name(s):	Community Leadership & Innovation Pathway		

School Description

Coliseum College Prep Academy (CCPA) is a small school in East Oakland serving grades 6-12. Our primary commitment is to serve the students of the surrounding community by providing a high-quality secondary school option in the Coliseum neighborhood. We strive to create a college-going culture beginning in middle school that acknowledges the magnitude of the task at hand. We couple our academic program with parent programs that aim to engage, support, and educate. CCPA's academic program is split into three divisions, each with a distinct purpose and corresponding structure to support that purpose. Division 1 (grades 6-7) has the goal of rapid academic growth. To achieve our goal of every student on grade level in English and Math by 8th grade, our Division 1 students have the same teachers for two years to build meaningful relationships. They also participate in a mandatory extended day until 5pm. Division 2 (grades 8-10) is our traditional secondary school structure, with an emphasis on college preparation. Starting with Algebra in the 8th grade, our Division 2 students aim to complete the majority of their A-G requirements during this period. Students are also offered intensive intervention in math and language during the school day. Division 3 (grades 11-12) offers students four core courses at CCPA that are paired with community college classes and/or professional internships in the community so that students graduate with both college credits and real-world experience. Recognizing the barriers that low-income and first generation students face in applying, matriculating and graduating from college, CCPA dedicates one hour per week during junior and senior year for a College Seminar class and maintains a robust calendar of family engagement events which integrate parents into the college-going process. At the end of 12th grade, seniors develop a detailed post-high school plan which is a component of the Senior Capstone project. This intensive and sustained support, coupled with ongoing family communication and 1:1 meetings with students, has increased our students' college application rate to almost 100%. CCPA educates students to become successful in our pathway and on our capstone:https://sites.google.com/ousd.org/ccpa-senior-capstone-2018-19/home. The Community Leadership and Innovation Pathway (CLIP) will provide students with access to an innovative social justice and technology focused pathway within the Information and Communication Technology (Software and Systems Development) industry sector. CLIP will enable CCPA to empower students as problem solvers and innovators in our community and beyond. CLIP will provide CCPA students with new access and opportunities in the rapidly changing tech field, which has not historically engaged communities of color. Ultimately, our goal is to support CCPA students with the tools and broadened perspective to become agents of change in East Oakland and thrive in college. CLIP students will grow into collaborative, empathetic, problem solving, creative thinkers with the design. engineering, and technology skills critical to build real-life solutions that address community needs. To make our students successful in our pathway. CCPA builds problem solving and thinking skills throughout our school beginning in D1 robotics and makespace and weaving through core classes focused on both community/ ethnic studies and technology skills.

School Mission and Vision

Coliseum College Prep Academy is dedicated to providing all of our students with a challenging and relevant education that prepares them for entry to UC and CSU schools. Students will leave Coliseum College Prep with the skills and knowledge necessary to pursue their vision for the future and confident in their ability to do so. We are committed to delivering a program that meets each learner's unique needs, capitalizes on their passions, connects their learning to the real world, and requires students to demonstrate what they know and are able to do.

ROOT CAUSE ANALYSIS Root Cause Analysis is the process of discovering the root cause indicators.	es of problems in order to	identify appropri	ate solutions. Sites eng	gage in this process eve	ery 3 years to inform strate	gic actions around	our identified data
Indicator Instructions: Complete the Strengths and Challenges columns of (lines 41-44). Then select ONE of the indicators from lines 45-48 to complete. You will complete Strengths and Challenges indicators/combinations of indicators.	Strengths What is our site doing well that's leading to improvements in this indicator?			Challenges What 1-2 challenges are the most significant barriers to improvements in this indicator?			
Four-Year Cohort Graduation Rate & Four Year Cohort Dro these two indicators together)	opout Rate (Analyze	Consistently high	gh graduation year-a	fter-year	Expansion and extending student support systems		
A-G Completion - 12th Grade	Multiple opportunities built into our school to raise grades in classes (mastery assignment completion) and to retake courses either through APEX or targeted summer school offerings. Students transfer in with Ds that make them eliging graduation.			hem eligible for			
On Track to Graduate - 9th Grade & 9th Graders meeting (Analyze these two indicators together)	A-G requirements		and structures exist to maintain Need to improve student support opportunities for kid tus of 9th grade.			tunities for kids	
College Enrollment Data: Percentage of students enrolling colleges within one year of graduation (Analyze these two		College accept	ance rate is consiste	ntly high.	Concern about funding availability to support students in making the decision to attend post secondary options.		
	1			the decision to attend post secondary options.			

Percentage of 12th Graders who have participated in an employer-evaluated internship or similar experience	Very impactful of	on students when these happen	Hard to find tech internships, coming back slowly after the pandemic
Percentage of students who have passed any dual enrollment course with a C- or better in grades 9-12	graders as part Very high pass	rate. Most students have passed at enrollment course and many have	Communication about student performance in college classes - particularly those that are off campus. Professors' willingness to accommodate diverse student needs.
Percentage of 10th-12th grade students in Linked Learning pathways	class are in the	side of our moderate/extensive SDC linked learning pathway. The school is eryone to do this work as the base whole tion.	To change this indicator we would be to design inclusion of students from our mod./ext. SDC class into the pathway.
CTE Completion Data: Percentage of students who attempted CTE program completion and achieved a C- or better in both the Concentrator and Capstone course			
PATHWAY QUALITY ASSESSMENT			

Using the 2023-26 College and Career for All and Linked Learning Quality Standards, self-assess in each category	Evidence of Strengths	Areas For Growth	Next Steps Will any of these categories be a priority for your 3-year goals? If yes, which ones?
Integrated Program of Study Equitable Admissions Cohort Structure Curriculum and Instructional Design and Delivery Assessment of Learning Early College Credit Opportunities Partner Input and Validation	high school students complete.	Integration of CTE courses with other subjects - particularly the Ethnic Studies course Providing time for deliberate planning across Ethnic Studies and Computer Science.	Continue to grow student choice options for 11th grade to build investment
Work Based Learning Work Based Learning Plans Student Work Based Learning Experiences and Self Assessments Work Based Learning Provider Assessment of Student Workplace Readiness	students participate within a work-based-learning opportunity.	The sequence should be reviewed so that it is more aligned to current student post-secondary goals. Survey students to identify current post-secondary goals and then provide planning time for staff to shape WBL opportunities accordingly.	Re-engage with past internship providers and attempt to restart internships.
Integrated Student Supports College and Career Preparation and Support Social-Emotional Skill Development Individual Student Supports Student Input and Validation	We provide a variety of supports to students including socio-emotional, academic remediation, skill building, credit recovery and academic support spaces.	In our current structure, students who don't meet expectations languish in internship and college experiences. we need to build in another option that is more supportive and on campus for students who are not yet in the place of success in college classes or internship.	Continue to develop student support options for D3 students

2023-2024: YEAR ONE ANALYSIS

Pathway Strategic Goals

Pathway Quality Strategic 3 Year Goals

Based on the standards assessment, your data indicators and root cause analysis, what are your goals, objectives, or intended outcomes for this next 3 year cycle? Write them as SMART goals (Specific, Measurable, Achievable, Relevant & Time-Bound) using language from the Standards as a guide (when relevant). Goals should start with the "By 2026..." Example: By 2026 we will create and utilize a WBL reflection form and 100% of students will complete it after any type of WBL activity. We will share responses with students so they can reference for resume and college application development. The teacher team will review responses at least once per year and use information to update the pathway WBL plan.
