Envision Academy of Art and Technology
Aligned CTE Industry Sector: Information and Communication Technologies

Rigorous Academics

Measure N Investments
- None directly for 2023-24

Pillar Components / Activities
- All students enrolled in Envision by default take a course of study that is A-G approved, and ultimately all students receiving an Envision diploma meet A-G requirements
- Envision's portfolio defense model encourages thinking metacognitively across content areas
- The administration will be supporting the school in focusing on focusing on rigorous Tier 1 instruction in 2023-24 while seeking out "early adopter" teachers to leverage the lens of our pathway in their content; this work is a priority for the Envision Education organization
