**RESOLUTION OF THE
BOARD OF EDUCATION OF THE
OAKLAND UNIFIED SCHOOL DISTRICT**

Resolution No. 2223-0040

Proposed Adjustments for 2023-24 Budget

WHEREAS, the Board of Education (“Board”) recognizes that, in order to improve opportunities and outcomes for all students in the District and close equity gaps for the District’s historically underserved and most vulnerable students, the District must ensure that it remains fiscally solvent in the next three (3) school years, as well as years to come;

WHEREAS, the District has the paramount responsibility of offering a quality educational program to all of its students, almost 80% of who are unduplicated pupils;

WHEREAS, the Board is committed to implementing the strategies identified in the District’s Strategic Plan and LCAP to improve student outcomes to the greatest extent financially and operationally feasible;

WHEREAS, the Board is therefore committed to supporting the recruitment and retention of employees and the cultivation of high employee morale as well as to ensuring a continuity of services to students;

WHEREAS, the cost of health and welfare benefits are projected to increase by approximately 15%;

WHEREAS, the Consumer Price Index for the San Francisco Bay Area rose almost 5% in 2022;

WHEREAS, compensation in the Unrestricted General Fund is 84% of the total budget;

WHEREAS, compared with 2018-19, OUSD enrollment for 2023-24 is projected to have declined by 10.7% for TK-5 (with Kindergarten specifically projected to have declined by 15.6%), 5.2% for grades 6-8, and 3.1% for grades 9-12, foreshadowing serious future enrollment challenges for the District;

WHEREAS, the latest indications from the Department of Finance (DOF) and Legislative Analyst Office (LAO) are that any ongoing increase in LCFF funding is projected to be lower than proposed in the Governor’s January budget;

WHEREAS, on January 11, 2023 the Board adopted Resolution No. 2223-0036 - Rescission of School Consolidations for 2022-23, which rescinded the school consolidations scheduled for the end of the 2022-23 school year and increased expected ongoing costs by at least \$5.14M (in

addition to other programmatic, operational, maintenance, and facilities costs and impacts);

WHEREAS, the Board approved its first interim budget, which does not include ongoing increases in salary for all employees starting in 2023-24, and filed it with the Alameda County Office of Education with a “positive” certification;

WHEREAS, Alameda County Superintendent Alysse Castro, in her review of the District’s first interim budget, determined that “the District may not meet its financial obligations in” the subsequent two fiscal year “[b]ased on uncertainties yet unresolved” and changed the certification of the District’s first interim budget to “qualified”;

WHEREAS, Superintendent Castro, in her review also stated:

OUSD stands at a moment of extreme opportunity and extreme risk An unprecedented infusion of one-time money has created a brief window for changing course while still meeting operating expenses, but can’t cover the ongoing investments we want for our kids and staff The District is well poised to end 20 years of debt, but doing so will require quick and decisive action on the part of the Board to make changes in what may be the most complex school budget in California. . . . These are massive undertakings and I applaud the Board for their service in undertaking them for our kids. I believe it is possible for the Board to realign the budget to reflect its priorities if they commit to learning the complex history of today’s budget and making the hard tradeoffs needed for tomorrow’s.

WHEREAS, the Board understands that the District has been in similar situations in the past 20 years and is ready make these “hard tradeoffs” to ensure the District’s long-term fiscal solvency;

WHEREAS, the Board desires to minimize the impact of any budget reductions on the level of service, quality of staff, staffing levels, and education programs for District students;

WHEREAS, the Superintendent has proposed the budget adjustments found in Attachment A, which include funding shifts, reductions in ongoing expenditures through position reductions and eliminations, reductions in ongoing non-staffing costs, and the use of one-time money to pay for ongoing expenditures; and

WHEREAS, to address the use of one-time money to pay for ongoing expenditures, additional reductions to ongoing expenditures will need to be made for 2024-25; and

WHEREAS, the merger of District schools presents an opportunity to gain operational efficiencies and improve school programs as well as minimize the impact of any budget reductions on the level of service, quality of staff, staffing levels, and education programs for District students.

NOW, THEREFORE, BE IT RESOLVED, the Board hereby adopts the proposed budget adjustments found in **Attachment A**, attached hereto and incorporated herein by reference;

BE IT FURTHER RESOLVED, with respect to any delineated shifts from LCFF base funding to supplemental and concentration funding, the Board empowers the Superintendent to replace these shifts with other shifts based on conversations with the Alameda County Office of Education with respect to what is appropriately funded with supplemental and concentration funding;

BE IT FURTHER RESOLVED, unless otherwise stated herein, the Board directs the Superintendent to initiate all steps necessary to enact and implement the budget adjustments found Attachment A, including (without limitation) (i) providing statutory notices relating to layoff or reassignment, (ii) incorporating the budget adjustments into the proposed Fiscal Year 2023-2024 District Budget and the related multi-year budget projections for the subsequent two (2) fiscal years, and (iii) incorporating the adjustments in the 2023-2024 Local Control and Accountability Plan;

BE IT FURTHER RESOLVED, the Board acknowledges that the associated impacts to funding and positions are estimates and subject to change and empowers the Superintendent to refine the impacts to funding and positions, if necessary, and to include such refined information in the (i) statutory notices relating to layoff or reassignment, (ii) the proposed Fiscal Year 2023-2024 District Budget and the related multi-year budget projections for the subsequent two (2) fiscal years, and (iii) the 2023-2024 Local Control and Accountability Plan;

BE IT FURTHER RESOLVED, the Board recognizes that the budget adjustments found herein are in addition to any budget adjustments (e.g., funding shifts, reductions in ongoing expenditures, reductions or eliminations of positions, reductions in ongoing non-staffing costs) occurring due to declining enrollment, the loss of or reduction in one-time funding (e.g., grants), and the consolidations of school site positions consistent with applicable bargaining agreements;

BE IT FURTHER RESOLVED, if new ongoing funds for 2023-24 are identified above projections as of the District's Second Interim Report, before the District's final budget is presented to the Board, the Board directs the Superintendent, first, to alert the Board and, then, to bring to the Board recommendations, that are feasible and consistent with Board Policies, (i) regarding the use of such ongoing funds with a focus on supporting school sites and (ii) that include restoring the Coordinator of School Security Officer position until there has been community engagement to discuss funding for the position consistent with Resolution No. 1920-0260 - George Floyd Resolution to Eliminate the Oakland Schools Police Department;

BE IT FURTHER RESOLVED, the Board directs the Superintendent to initiate a freeze on new hiring, including the filling of vacant positions, as of March 1, 2023, with the duration, scope, and possibility of exceptions left to the discretion of the Superintendent or designee, provided that (i) the freeze includes a prohibition against filling any vacant confidential management position and new teacher on special assignment ("TSA") position and (ii) the Superintendent or designee update the Board, in writing, on any major adjustments to the freeze as well as prior to the date on which the freeze would be discontinued;

BE IT FURTHER RESOLVED, the Board directs that, at the discretion of the chair but at some point during the 2023-24 school year, the Teaching and Learning Committee shall review all TSA positions and their impact on student learning; and

BE IT FURTHER RESOLVED, the Board directs that the Superintendent or designee conduct a program review of staffing in the Special Education Department and provide that information to the Board when it becomes available.

BE IT FURTHER RESOLVED, the Board directs the Superintendent to provide the Board with a list of all mid-level positions in central office departments currently under external review for reorganization and currently funded by general fund dollars (Resource 0000 and Resource 0005) in order for the Board to consider whether to shift those positions into one-time funding.

Technology Services supports all district technology and services. Technology Services' responsibilities include infrastructure, business applications, educational systems, systems integration, and technical support in alignment with OUSD Strategic goals and objectives.	Reduce non-labor costs Reductions to some of the district software investments will mean that schools will have fewer options in educational technology offered by the district to support the core curriculum. Some software used by business departments was eliminated in order to meet the reduction target based on shifts in business practices. For example, OUSD will no longer use Laserfish and Rocketscan what means that families will have to access online registration forms through digital platforms.	-	\$ (622,453)	-	-	-	-	-	-	-
Custodial Services Department's main objective is to ensure that the students, staff, parents and all visitors have a clean and safe environment in which to learn, teach and visit. Position elimination Eliminate (1.0 FTE) Senior Executive Assistant The Department will have delayed responsiveness and fewer interactions with external partnerships, philanthropic fundraising, political relationships and engagement, district strategy and board support. The Superintendent is projected to eliminate the entire Chief of Staff department at the end of the 24-25 school year. The positions in the Chief of Staff Office are funded by philanthropy. This will mean there will be no employee on staff that will manage both the external partnerships, including fundraising and working with philanthropy who are interested in partnering with the District. <p>Office of Sr. Business Officer leads all financial departments in Oakland Unified School District and is responsible for creating a balanced budget that the School Board adopts each year in June. The Accounting/Budget, Accounts Payable, Strategic Resource Planning and Payroll are under this division.</p>	<p>Funding shift</p> <p>The Business Services Division has reduced and eliminated positions beyond what evaluated and recommended staffing should be for the District to build and ensure sustainability over time. The District is therefore relying, as it is in many other departments, on the acquired development, knowledge, and talent of a number of employees. To support the District's financial needs, the business services department will not immediately impact what sustainability plans requested and required to gain fiscal sustainability, but is recommending the more immediate and deliberate phase out of the following positions to trigger the pending transitions.</p> <p>The District's Chief Business Officer and Trustee have been funded out of AB1840 since 2021-22 to firstly, identify positions that are part of the fiscal recovery and sustainability. The Chief Business Officer position as it exists today is currently set to sunset in 2023-24. The District will transfer funding for the (1.0 FTE) Sr Director of Strategic Planning and (1.0 FTE) Senior Executive Assistant Support fro Resource 0000 to Resource 0040 (AB1840) with a reservation to retain the positions for 2023-24, 2024-25. The final adoptions that are taking place are in High School and will likely take the next two school years. It is likely that OUSD would not have to invest deeply in new curriculum adoptions for another 10 years, which is the usual cycle for when the CA Department of Education updates to new academic content standards. Adjustment to School Site Allocations- Discretionary (Unrestricted) Schools receive discretionary funding based on projected student enrollment at each grade level, rather than by a school's grade span. Discretionary funds are intended to cover the cost of a site's basic operational and program needs, including copier agreements, supplies, books, contracted services, and equipment to support the school site educational environment. Graduation costs, WASC dues, and other mandated non-salary costs must also be paid with Discretionary funds. Discretionary funds are currently allocated to school sites using the following grade span formula Grades TK-5: \$60.00 per student Grades 6-8: \$75.00 per student Grades 9-12: \$100.00 per student	Proposed Reduction to School Site Funding Allocation Effective FY 23-24 Grades TK-5: \$50.00 per student Grades 6-8: \$65.00 per student Grades 9-12: \$80.00 per student Impact: No impact to school allocations in FY 23-24. Starting in FY 24-25, schools will be able to afford less supplies, operational maintenance (i.e. copier upkeep) and/or staff etc. than prior years. Mitigation FY 23-24: Status-quo for 1 year as one-time funds (i.e. ESSER III) will be used to offset the reduction. Mitigation FY 24-25: Schools may purchase supplies centrally, allowing for reduction in costs and use other restricted resources to fund priorities.	-	\$ (433,000)	-	-	-	-	-	-	\$ 433,000
Adjustment to School Site Allocations- LCFF Schools receive a per pupil allocation of LCFF (Supplemental) funding. The current funding formula is \$785 per eligible student. The count of eligible students is determined by multiplying the projected total enrollment, including SDC students and Late-Arriving Newcomers, but the three-year average of the school's Unduplicated Pupil Percentage (UPP). Unduplicated students are defined by the State as low-income students, English learners, and foster youth. For 2022-23, approximately \$21 million in LCFF Supplemental funds are allocated to schools.	Proposed Reduction to School Site Funding Allocation Adjustment Effective FY 23-24 Reduce the per pupil LCFF allocation (Supplemental) from \$785 per student to \$675 per student. Impact: No impact to school allocations in FY 23-24. Starting in FY 24-25, schools will be able to afford less supplies, operational maintenance, and/or staff etc. than prior years. Mitigation FY 23-24: Status-quo for 1 year as one-time funds (i.e. ESSER III) will be used to offset the reduction. Mitigation FY 23-24: Schools may adjust services or rely on other restricted funds to ensure a continuity of services and programs.	-	-	-	-	-	-	\$ (2,876,645)	-	\$ 2,876,645
AMENDMENT Potential Merger of District Schools	Add: The District proposes a planning year (2023-24) for the potential merger of schools effective 2024-25. Before any closures or consolidations take place, the District will comply with the guidelines set forth in AB 1912 which requires a district, before approving the closure or consolidation of a school, to conduct an equity impact analysis in its consideration of school closures or consolidations. The governing board of the school district would be required to "develop a set of metrics, as specified, for the development of the equity impact analysis, and to make those metrics public at a regularly scheduled meeting of the governing board of the school district so that the public can provide input regarding the metrics being used to conduct the analysis, as provided." The District proposes a shift of the below listed positions to one-time funds* in anticipation of the possible mergers. Teacher (1.1 FTE) Principals (5.0 FTE) Clerical (5.5 FTE) Attendance (2.5 FTE) Noon Supt. (1.2 FTE) CSM (1.4 FTE) Support Position (1.0 FTE) *In addition to ESSER funds, allowable use of other one-time funding sources will be evaluated for the purpose of this shift.
