Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	The project builds upon previous LCSSP-supported work to advance a school climate where the most vulnerable students (including those who have experienced trauma and victimization, and those at elevated risk for drop-out) feel safe, welcome, and equipped to thrive in school and in life. Specifically, OUSD will: 1) develop and disseminate a revised Pre- and Post-Referral Intervention guide, 2) develop a Trauma- Informed Escalation Prevention Training to be delivered to a broad array of school personnel, 3) deliver professional development to Assistant Principals, Case Managers, and Culture Keepers, focused on evidence-based, restorative, trauma-informed, non-punitive responses to students, 4) coordinate site-based safety planning through Village Response Plans, 5) reach students with violence prevention education, and 6) place Credible Messengers at two high schools with a high concentration of students who have experienced trauma, crime, and are at risk of dropout.

How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community- based fiscal agent who is not including OUSD's indirect rate of 5.66% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	We will measure the project's success by monitoring attendance, suspension, dropout, and school climate indicators for the district as a whole and for sub- populations our data show need more targeted support.
Does the grant require any resources from the school(s) or district? If so, describe.	Match for violence prevention credible messengers.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU?	Yes
(If yes, include the district's indirect rate of 5.66% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	No
Who is the contact managing and assuring grant compliance? (Include contact's name, address, phone number, email address.)
