**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer

**Meeting Date** August 9, 2023

**Subject** 2023-2024 School Plan for Student Achievement (SPSA) for Piedmont Avenue Elementary School

**Ask of the Board** Approval by the Board of Education of the 2023-2024 School Plan for Student Achievement (SPSA) for Piedmont Avenue Elementary School.

**Background** In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). The plans shall also be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the SPSA is to coordinate all educational services at the school. The plan shall address how funds provided to the school will be used to improve academic performance of all pupils to the level of the proficiency goals, as established by the California Department of Education.

**Discussion** The SPSA builds on a premise that students are capable of learning with effective instruction and includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school quality improvement actions, directs resources where they will most impact student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated with student success.

**Fiscal Impact** The programs listed below are reported in the Consolidated Application and allocated to school sites through the School Plan for Student Achievement (SPSA):

- Title I, Part A, including Comprehensive Support & Improvement Grant
- Title IV, Parts A and B
- After School Education and Safety (ASES)

## ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

### **Early Childhood Education Program**

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

### **Summer Learning Program**

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate. Through 2024, our Summer Learning Program will be funded in part through one-time COVID relief funds to enable OUSD to offer an expanded program to more students, but will return to Title funding when these one-time funds sunset.

### **Transitional Students and Families Unit**

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- **Foster Youth Program:** The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- **Refugee & Asylee Program:** The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- **McKinney-Vento Program:** The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

**1C: STRENGTHS, CHALLENGES & ROOT CAUSES**

<b>Focus Area:</b>	<b>Priority Strengths</b>	<b>Root Causes of Strengths</b>
<p><i>LCAP Goal 1: College, Career &amp; Community Readiness</i></p>	<p>Based on Mid Year Assessments- 88% of TK students can identify letter names. 48% show mastery of rhyming words. 54% show knowledge of vocabulary. 74% of Kindergarten students show mastery of uppercase letters. 66% of Kindergarteners show mastery of lowercase letters. On the iReady diagnostic 19% of 1st graders students scored midyear or above. 6.9 % scored early grade. 26.2% of second graders scored mid/above grade and 13.1% scored early grade. On the iReady ELA Standards Mastery, 15.1% of 3rd grade, 2.5% of 4th grade, 10.8% of 5th grade scored proficient. On the iReady Math Standards Mastery 15.1% of 3rd grade, 7.5% of 4th grade and 5.4% of 5th grade students scored proficient.</p>	<p>"The root causes for these strengths are that the Kindergarten team of teachers are a collaborative group that uses PLC time to share best practices and lesson plans; in grades TK-5 teachers work together to review data during PLC's and they plan lessons to engage the students in mastery of grade level standards. Professional development sessions support teachers with the cycle focus plans such as the focus on academic discussions and citing evidence in writing. The TSA supports the TK-2 PD/PLC sessions. The principal supports the 3-5 PD/PLC sessions.</p> <p>"</p>
<p><i>LCAP Goal 2: Focal Student Group Supports</i></p>	<p>The African American males are the focal students at Piedmont Avenue as they have consistently scored the lowest on assessments.</p>	<p>Mid Year iReady shows the rate of students reading at or above grade level for 3-5 grade AAF went from 33.4% to 36.9% and for AAM went from 31.3% to 35.</p>

<p><i>LCAP Goal 3: Student &amp; Family Engagement</i></p>	<p>The Piedmont Avenue Reading Tutors (PART), a volunteer organization at our school presented a Parent Engagement Session to give parents tips for helping students improve reading skills. About 45 parents participated. Other parent engagement sessions were the Family Reading Nights, Parent Teacher Conference, Title One/Back to School Meeting, the Winter Holiday Music Concert, African American Heritage Night. Our PTA leads the Halloween Fall Festival Trunk or Treat event, Oakland Landmarks Event and a Readathon. The principal held a weekly "Tea with the Principal" to get parents updates with school events and to answer questions for parents during distance learning.</p>	<p>All supports for parents were well planned and inclusive. All events were announced via Parent Square, social media and through the teachers' newsletters. As events were planned, parents were asked about their needs to keep the events relevant and engaging.</p>
<p><i>LCAP Goal 4: Staff Supports</i></p>	<p>The staff is supported with weekly PD and PLC grade level meetings. The TSA, principal and ELA and Math lead teachers support staff with learning best practices and teaching strategies. Calendar math, math facts and learning procedures will be asked of all teachers. The teachers also attend district led professional development.</p>	<p>The Eureka Mathematics 2 curriculum has supported instruction by giving students conceptual, procedural and constructive response lessons. The TSA works with teachers monthly by observing, coaching, and reviewing pacing with all teachers at all grade levels.</p>

<b>Focus Area:</b>	<b>Priority Challenges</b>	<b>Root Causes of Challenges</b>
<i>LCAP Goal 1: College, Career &amp; Community Readiness</i>	Based on Mid Year RI, 25% of 3-5 grade students were flat in reading growth. 8% are 1/2 year behind grade level and 6.8% are more than one year below grade level. Overall, 52.7% of 3-5 grade students are reading below grade level. The iReady Diagnostic for 1st grade shows that 62.1 % of students are below grade and 41% of second graders are below grade level.	Several Kindergarten students have not attended preschool and have SEL challenges that interrupt their academic achievement. 17% of students are chronically absent or late. Students have limited writing skills and not able to write high DOK level answers on their assessments. Students have limited technology skills and unable to type answers. Assessment Data needs to be reviewed so teachers can plan reteach/reengage lessons. Title One funding for the TSA will help support interventions and instructional supplies will help meet the root cause of these challenges.
<i>LCAP Goal 2: Focal Student Group Supports</i>	Several Kindergarten students have not attended preschool and have SEL challenges that interrupt their academic achievement. 17% of students are chronically absent or late. Students have limited writing skills and not able to write high DOK level answers on their assessments. Students have limited technology skills and unable to type answers. Assessment Data needs to be reviewed so teachers can plan reteach/reengage lessons. Title One funding for the TSA will help support interventions and instructional supplies will help meet the root cause of these challenges.	34.5% of African American males are reading at grade level.
<i>LCAP Goal 3: Student &amp; Family Engagement</i>	Less than 60% of families attend Family Engagement events after Back to School night. Only 80% of parents in the upper grades attend Back to School night. Only 80 % of parents attended the Parent -Teacher conferences.	Many families come to pick up students at 6pm from the after school program after working and explain that they are too tired to stay for the after school events.

<i>LCAP Goal 4: Staff Supports</i>	Teachers need additional training with the newly adopted math curriculum.	District training for the new adopted math curriculum and continued training on the EL ELA curriculum will help teachers as they plan effective ELA lessons
------------------------------------	---	---

**1D: IDENTIFIED NEED**

To develop the school goals and targets outlined above, school leadership worked with staff, the School Site Council, and District support teams to review student performance data and complete a root cause analysis for each area of challenge and strength. The school also reviewed Districtwide LCAP targets. Based on this analysis, the school crafted goals and set annual growth targets.

**1E: RESOURCE INEQUITIES**

Students and families that are low performing will be given the opportunity to extend the learning day by enrolling in the after school program.

**1F: SCHOOL PLAN FOR MEETING ESSA REQUIREMENTS**

To ensure that this school's SPSA effectively meets ESSA requirements, the school has reviewed student performance data for all students, with special attention to historically underserved student groups, including low-income students, students with disabilities, English learners, Black/African-American students, and Latino students. The school has developed practices to address the unique needs of each student group, and will measure effectiveness of these practices by monitoring practice implementation and tracking progress towards the school's annual student performance targets. Goals, targets, practices, and budget expenditures align to Oakland Unified's LCAP goals and to the specific purposes of each funding program.

**2023-24 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW**

**School:** Piedmont Avenue Elementary School

**SPSA Year Reviewed:** 2022-23

**SPSA Link:** [2022-23 SPSA](#)

**2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA**

**Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.**

The overall implementation of the SPSA will remain the same. Our goal to improve overall academic achievement includes plans to improve attendance. To improve attendance, we began the year by informing parents about the direct impact that attendance has on successful academic achievement with a Power Point presentation at our Title One Back to School Night meeting. We shared data and discussed improvement strategies. In addition, our attendance clerk calls parents daily to excuse absences if students are ill. She also informs parents about truancy matters if students have unexcused absences. We have SART meetings each trimester and schedule SST meetings for students with chronic absences. Teachers also have class rewards for perfect attendance days. We are planning to make more school wide attendance competitions per grade level with the rewards and incentives. Our TSA will support new teachers and mathematics instruction. \

**Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.**

Students who attend school regularly and arrive on time, will have the opportunity to learn and achieve their academic goals.

**Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.**

We will hold more SART meetings. If students attendance does not improve after the initial SART meeting we will schedule consecutive meetings every 8-10 days to review attendance and goals with families. If attendance of these families continue to be chronically truant, then parents will be referred to the SARB process.

Based on observation, some teachers showed limited investment in learning Eureka Math and teaching it with fidelity. The TSA did not make many classroom observations or provide math instructional coaching.</p>	<p>The focus of the TSA for math will be on supporting teachers and students bservations, providing feedback, coaching, and setting up peer observations. Planning biweekly Eureka PD/PLC time will the priority for the TSA.</p>

The students seem to enjoy reading books from their classroom libraries. Books given to students for home libraries and our Family Reading nights will also support our goal of student reading. More students need to engage in reading outside of instruction during classtime.</p>	<p>We will continue purchases books for classroom libraries. We will promote the PTA led read a thon and award students who make progress in reading as measured by the iReady and IAB reading assessments.</p>

We also used SART meeting to help parents/guardians to recognize the importnat of on time school attenance. Unfortunately more parents need to attend.
