West Oakland Middle Shines with New Court and Visit from Hollywood Stars

The West Oakland and the [West Oakland Middle School](#) (WOMS) communities had a remarkable star-studded day recently. It started on Friday when Oakland's own Emmy Award Winning actor, Zendaya and her boyfriend, Tom "Spiderman" Holland dropped by the school to spend time with students and staff.

Then they were back on Saturday as they unveiled the newly revamped basketball courts in Lowell Park adjacent to WOMS. The beautiful courts were courtesy of Zendaya and her group that works to uplift her hometown.

They had a basketball exhibition including a game, before moving to the school.

On the campus, there was free food, face painting, a bounce house, smoothies, bubbles and games, plus time in the garden with food offered for free. Throughout the day, Zendaya and Tom talked with students and adults, signed autographs, and took selfies with everyone who asked.

Castlemont High Football Team Has Great Trip to Los Angeles

The Castlemont High Knights hit the road for a big trip last week. They flew to Los Angeles to take on the Dorsey High Dons on Friday night in the *Oakland - Los Angeles Neighborhood Football Classic*. And the game was one of many events that made for a memorable, even life-changing, trip for the players from East Oakland.

- These were the first flights for many of the 25 players.
- They had an exclusive tour of the Rose Bowl.
- Along with Dorsey and staff from the Los Angeles Rams, they visited Baldwin Hills Elementary School where they read to classes and played games.
- They toured the University of Southern California before playing their game vs. the Dons.

MPA Students Focus on the Future & Post-Secondary Success

Madison Park Academy (6-12) students and staff pride themselves on building a strong school community culture.

In part due to the school culture of *expecting college, career and community success after MPA*, the Trojans had the highest graduation rate in Oakland for the 2021-2022 school year at 97.6 percent.

This school year seems to be no different with the entire community united behind the MPA Trojans.
