Greetings Ms. Chatman and Mr. Jang,

As per the Oakland Unified School District's Local Business Policy Program Requirements Section of AR 7115: Prior to the issuance of a formal invitation for bid, the District shall ensure that there are at least three certified businesses listed in the industry, trade or profession that constitutes a major category of work. If at least three L/SL/SLRBEs are not certified, then the requirement may, subject to the discretion of the District, be waived, or the 50% requirement may be reset from 50% all the way to 0%, depending on the particular circumstances at time of bid.

An availability analysis has been conducted for **Furniture Merchants/Wholesaler Services** with scopes in educational (Pre-K-12) environments, to determine the availability of certified firms to meet local business utilization on projects. Based on this analysis, it is determined that due to the limited availability of local certified firms for **Furniture Merchants/Wholesaler** services, it is recommended that the Local Business Utilization requirement is waived for the following project:

- **Project # 17126 - Laurel CDC - Furniture Project**

If you have any questions, please feel free to contact me at any time.

Sincerely,
Tiffany Knuckles

SCHEDULE

Bids Due: August 28, 2023, on or before 2:00 p.m.

Anticipated Date of Board's Award of Contract: October 28, 2023

ITEMS BEING PURCHASED AND DELIVERED, AND DEADLINE

This bid is for purchase by, and delivery to, the OAKLAND UNIFIED SCHOOL DISTRICT (also referred to hereinafter in this document as the "District") of the items described in this bid package ("Items") by **January 1, 2024** in accordance with the District specifications noted in these bid documents.

The Board's award of the contract is anticipated on October 29, 2023, with a Notice of Award of Contract anticipated to be issued on or about October 30, 2023.

The successful bidder ("Vendor") shall deliver the Items by December 31, 2023.

The Items are more particularly described, including quantities, in the "Description of the Items" document, included in this bid package.

LIQUIDATED DAMAGES

The items sought by this bid proposal must be delivered by Vendor in satisfactory condition to the location specified by the District in the bid package on or before delivery time as indicated in the bid package. Time is of the essence of the contract. The Vendor's failure to provide the items to the District by the delivery deadline shall subject the Vendor to liquidated damages in the amount of Five Hundred Dollars (\$500.00) for each and every calendar day by which delivery is delayed beyond the delivery deadline.

Submission of a bid proposal constitutes the Vendor's promise to pay liquidated damages as set forth above and the Vendor's agreement that the actual occurrence of damages and the actual amount of damages which the District would suffer if the requirements were not completed by the contract date is impracticable and extremely difficult to fix. Damages which the District would suffer in the event of delay are dependent on many circumstances and factors but would include the loss of use of the materials, disruption of school activities, cost of administration and supervision, and the loss suffered by the public and the District by reason of delay in completion of the contract. Accordingly, Vendor agrees that the amount set forth herein as liquidated damages shall be presumed to be the amount of damages actually sustained by the Vendor's failure to delivery the Items by the delivery deadline.

If the Vendor becomes liable to the District for liquidated damages, the District shall, in addition to all other remedies provided by law, have the right to deduct the amount of liquidated damages owed from the contract sum or to deduct the amount of liquidated damages owed by the Vendor from moneys previously retained from the bidder. If the sum deducted by the District is insufficient to discharge the Vendor's liability for liquidated damages, the Vendor and its sureties shall remain liable to the District until all such liabilities are fully satisfied.

ALLOCATIONS

In the event the Vendor's supply of awarded items is reduced for reasons beyond its control to a level which prevents the supply of the District's requirements in full, the Vendor agrees to supply the District no less than a proportionate share delivered to similar accounts, unless federal regulations require otherwise. If such reduction occurs, the District reserves the right to cancel all or part of the contract without prejudice to either party, by giving the contractor thirty (30) days written notification.

Vendor shall not be liable for delays in delivery beyond the delivery deadline as the result of earthquake, storm, wind, fire, flood or other acts of God or by reason of strike, picketing, primary or secondary boycott, lockout, slowdown, interception of cargo or other labor difficulty or unrest, rendering it difficult, impossible or impracticable to deliver the same or by reason of the inability of the Vendor to obtain FF&E items from its usual sources of supply by reason of shortages of such products or other causes beyond the control of the Vendor.

The District may purchase the Items from other than the Contractor in the event of an emergency when the Contractor is not able to deliver the Items by the delivery deadline.

INVOICING AND DELIVERY RECEIPT REQUIREMENTS

Upon satisfactory delivery of the Items, Vendor shall invoice for them, and District shall pay the invoice within thirty (30) calendar days.

CONTRACTOR'S RESPONSIBILITY

The Vendor shall perform all deliveries to the District facilities in a safe and professional manner. Vendor's equipment shall be in good working order and all personnel shall be trained in safety measures to preclude accidents and endangering District personnel or property.

Vendor shall have adequate equipment for delivery of goods on proposed contract.

Vendor shall have adequate office and personnel resources for responding to the District's needs, including telephone coverage weekdays during the hours of 8:00 a.m. through 5:00 p.m. If Vendor cannot meet this requirement, indicate alternative plan to provide equivalent level of service.

Vendor's equipment shall be compatible with the District's facilities.

At the discretion of the District, if Vendor is unable or unwilling to meet the bid requirements, the bid will then default to the next lowest responsible bidder. Vendor will be given thirty (30) days written notification.

MODIFICATION OF CONTRACT

Delivery sites may be changed, deleted or added as deemed necessary by the District's Purchasing Department. The District's Purchasing Department will inform the Vendor of the changes by telephone call followed up with a written notice.

Any contract resulting from this bid may be modified in whole or in part upon mutual agreement of both parties. To be valid and enforceable, such modification shall be in writing, signed and dated by Vendor, and approved by the District's governing board.

Any questions regarding this bid proposal may be referred to Pam Henderson, Project Manager, Oakland Unified School District, email: pamila.henderson@ousd.org ph: 1-925-353-6403.

Bidders may furnish a material, product, thing or service of comparable quality or utility. **HOWEVER, BIDDER MAY ONLY DO SO IF BIDDER REQUESTS SUBSTITUTION OF AN EQUAL ITEM AT LEAST TEN (10) BUSINESS DAYS PRIOR TO THE BID SUBMITTAL DEADLINE. THE MAKE AND GRADE OF THE ARTICLE ON WHICH A BID IS SUBMITTED MUST BE STATED IN THE PROPOSAL AND ILLUSTRATIONS, CATALOG AND ALL NECESSARY INFORMATION SUBMITTED SO THAT THE DISTRICT CAN MAKE A COMPLETE EVALUATION OF THE QUALITY AND UTILITY OF THE SUBSTITUTE BRAND BID.** If the District approves the substitution of an equal item, the District shall amend the bid package to allow all bidders to use that item. The District encourages alternate brands to be requested. The District reserves the right to make all decisions on product and vendor selection in determining whether a substitute brand is of comparable quality or utility to the brand name specified. If the District does not amend the bid package to allow substitution of a requested item, then no bidder may so substitute.
30. A bid response to any specific item of this bid with terms such as “negotiable,” “will negotiate,” or similar, will be considered as non-compliance with that specific term.
31. 32. In the event of any conflict or ambiguity between these instructions and state or federal law or regulations, the latter shall prevail. Additionally, all equipment to be supplied or services to be performed under the bid proposal shall conform to all applicable requirements of local, state and federal law.
33. If the bidder defaults, the District may procure the articles or services from other sources and may recover the loss occasioned thereby from any unpaid balance due the bidder or by proceeding against a bidder’s bond, if any, or by suit against the bidder. The prices paid by the District shall be considered the prevailing market prices at the time such purchase is made.
34. In the event of litigation, the bid documents, specifications and related matter shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in Alameda County.
35. The items sought by this bid proposal must be delivered in satisfactory condition to the location specified by the District in the bid package, and must be delivered on or before the delivery deadline as indicated in the bid package. Time is of the essence of the

contract. A bidder's failure to provide the items to the District by the delivery deadline shall subject the bidder to liquidated damages as described in this bid package.

36. Bidder agrees to extend the terms of the Contract to other political subdivisions, municipalities and tax supported agencies pursuant to Public Contract Code section 20118. Such governmental bodies shall make purchases in their own name, make payment directly to the bidder, and be liable directly to the bidder, holding Oakland Unified School District harmless. The successful bidder will invoice each such governmental body separately.

SCHEDULE

Bids Due: August 28, 2023, on or before 2:00 p.m.

Anticipated Date of Board's Award of Contract: October 28, 2023

ITEMS BEING PURCHASED AND DELIVERED, AND DEADLINE

This bid is for purchase by, and delivery to, the OAKLAND UNIFIED SCHOOL DISTRICT (also referred to hereinafter in this document as the "District") of the items described in this bid package ("Items") by **January 1, 2024** in accordance with the District specifications noted in these bid documents.

The Board's award of the contract is anticipated on October 29, 2023, with a Notice of Award of Contract anticipated to be issued on or about October 30, 2023.

The successful bidder ("Vendor") shall deliver the Items by December 31, 2023. The Items are more particularly described, including quantities, in the "Description of the Items" document, included in this bid package.

LIQUIDATED DAMAGES

The items sought by this bid proposal must be delivered by Vendor in satisfactory condition to the location specified by the District in the bid package on or before delivery time as indicated in the bid package. Time is of the essence of the contract. The Vendor's failure to provide the items to the District by the delivery deadline shall subject the Vendor to liquidated damages in the amount of Five Hundred Dollars (\$500.00) for each and every calendar day by which delivery is delayed beyond the delivery deadline.

Submission of a bid proposal constitutes the Vendor's promise to pay liquidated damages as set forth above and the Vendor's agreement that the actual occurrence of damages and the actual amount of damages which the District would suffer if the requirements were not completed by the contract date is impracticable and extremely difficult to fix. Damages which the District would suffer in the event of delay are dependent on many circumstances and factors but would include the loss of use of the materials, disruption of school activities, cost of administration and supervision, and the loss suffered by the public and the District by reason of delay in completion of the contract. Accordingly, Vendor agrees that the amount set forth herein as liquidated damages shall be presumed to be the amount of damages actually sustained by the Vendor's failure to deliver the Items by the delivery deadline.

If the Vendor becomes liable to the District for liquidated damages, the District shall, in addition to all other remedies provided by law, have the right to deduct the amount of liquidated damages owed from the contract sum or to deduct the amount of liquidated damages owed by the Vendor from moneys previously retained from the bidder. If the sum deducted by the District is insufficient to discharge the Vendor's liability for liquidated damages, the Vendor and its sureties shall remain liable to the District until all such liabilities are fully satisfied.

ALLOCATIONS

In the event the Vendor's supply of awarded items is reduced for reasons beyond its control to a level which prevents the supply of the District's requirements in full, the Vendor agrees to supply the District no less than a proportionate share delivered to similar accounts, unless federal regulations require otherwise. If such reduction occurs, the District reserves the right to cancel all or part of the contract without prejudice to either party, by giving the contractor thirty (30) days written notification.

Vendor shall not be liable for delays in delivery beyond the delivery deadline as the result of earthquake, storm, wind, fire, flood or other acts of God or by reason of strike, picketing, primary or secondary boycott, lockout, slowdown, interception of cargo or other labor difficulty or unrest, rendering it difficult, impossible or impracticable to deliver the same or by reason of the inability of the Vendor to obtain _____ from its usual sources of supply by reason of shortages of such products or other causes beyond the control of the Vendor.

The District may purchase the Items from other than the Contractor in the event of an emergency when the Contractor is not able to deliver the Items by the delivery deadline.

INVOICING AND DELIVERY RECEIPT REQUIREMENTS

Upon satisfactory delivery of the Items, Vendor shall invoice for them, and District shall pay the invoice within thirty (30) calendar days.

CONTRACTOR'S RESPONSIBILITY

HOWEVER, BIDDER MAY ONLY DO SO IF BIDDER REQUESTS SUBSTITUTION OF AN EQUAL ITEM AT LEAST TEN (10) BUSINESS DAYS PRIOR TO THE BID SUBMITTAL DEADLINE. 32. In the event of any conflict or ambiguity between these instructions and state or federal law or regulations, the latter shall prevail. Additionally, all equipment to be supplied or services to be performed under the bid proposal shall conform to all applicable requirements of local, state and federal law.
33. If the bidder defaults, the District may procure the articles or services from other sources and may recover the loss occasioned thereby from any unpaid balance due the bidder or by proceeding against a bidder’s bond, if any, or by suit against the bidder. The prices paid by the District shall be considered the prevailing market prices at the time such purchase is made.
34. In the event of litigation, the bid documents, specifications and related matter shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in Alameda County.
35. The items sought by this bid proposal must be delivered in satisfactory condition to the location specified by the District in the bid package, and must be delivered on or before the delivery deadline as indicated in the bid package. Time is of the essence of the

contract. A bidder's failure to provide the items to the District by the delivery deadline shall subject the bidder to liquidated damages as described in this bid package.

Such governmental bodies shall make purchases in their own name, make payment directly to the bidder, and be liable directly to the bidder, holding Oakland Unified School District harmless. When you perform the criminal background check, you shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. 2. You shall not permit an employee to interact with pupils until the Department of Justice has ascertained that the employee has not been convicted of a felony as defined in Education Code section 45122.1. (Education Code §45125.1(e).) See the lists of violent and serious felonies in *Attachment A* to this Notice.
3. Prior to performing any work or services under your contract with the District, and prior to being present on District property or being within the vicinity of District pupils, you shall certify in writing to the District under the penalty of perjury that neither the employer nor any of its employees who are required to submit fingerprints, and who may interact with pupils, have been convicted of a felony as defined in Education Code section 45122.1, and that you are in full compliance with Education Code section 45125.1. (Education Code §45125.1(f).) For this certification, you shall use the form in *Attachment B* to this Notice.
4. If you are providing the above services in an emergency or exceptional situation, you are not required to comply with Education Code section 45125.1, above. An "emergency or exceptional" situation is one in which pupil health or safety is endangered or when repairs are needed to make a facility safe and habitable. The District shall determine whether an emergency or exceptional situation exists. (Education Code §45125.1(b).)
